

**DANCE LOVERS WHO SEEK AN EVENING OF ENTERTAINMENT THAT IS AS BEAUTIFUL AS IT IS EXCITING MAY WELL LOOK FORWARD TO THE PRESENTATION OF THE NEW YORK BALLET ENSEMBLE.** The artists will perform in Ontario on February 20, at 8:15 p.m. in the Ontario High School Auditorium as sponsored by Malheur Community Concert Association. The company

is comprised of six dancers—ballerinas Sandra Balestracci, Elisabetta Calero, Candace How and their partners, Christopher Corry, John Fogarty and Mario Ignisci. Much of the program, as produced and directed by Thomas Andrew, is dedicated to Anna Pavlova—classic works which brought undying fame to the internationally celebrated Russian ballerina assoluta.

**Course Offered Farmers**

A total of 100,000 acres of Malheur County's crop land is taken up in pasture and alfalfa production, according to Ray Novotny, County Agent.

The agent emphasized that the 60,000 acres of alfalfa and 40,000 acres of irrigated pasture are significant to the \$30 million beef and dairy industry.

All ranchers and farmers are urged to attend a short course highlighting alfalfa-pasture production February 13 - 14 - 1:30 - 4:00 p.m. Grange Hall, Vale.

Highlights of the short course according to Novotny are, alfalfa fertility, management, quality, varieties, clinical weed control and other factors contributing to increased production along with pasture management, production and forage utilization for maximum returns. A panel made up of Harry Featherston, Clyde Cowgill, Donna Faw and Kermit Bennett are scheduled to discuss pasture problems and program opportunities.

President Lauren Wright states that the guest of honor for this occasion will be District Governor Dr. Roger Reynoldson, of Parma who is Governor of District 39 W of which Nyssa is a part.

**THREE-YOLK PULLET EGGS** are becoming commonplace at the A. H. Englehardt place in Apple Valley. The top photo shows Arch holding one of the eggs, as large as goose eggs, and at bottom are the three-yolks from one egg.

Gladys Englehardt says that this is the first time they have ever seen eggs with three yolks, and it has happened four times this winter. They have 26 highbred white pullets, and many of the eggs have been double-yolks. They sold a dozen eggs to a neighbor, and 11 of the 12 eggs had two yolks.
