TOO MUCH MAIL? If you are tired of getting "junk mail," you can have your name removed from the list of all firms that are members of Direct Mail Advertising Association. Write the Association at 230 Park Avenue, New York, N. Y. 10017 and ask for a removal form. This does not mean your name will be removed from all mailing lists, but it could reduce the quantity of "junk mail" you receive in the future.

**Lake Creek Needs Couple**

A cook and caretaker are needed for the 1974 summer at Lake Creek Camp. A couple is preferred but not required. The camp provides camping facilities for both youth and adult groups ranging from 40 to 160 campers.

The Recreation Association hires two cooks and the caretaker to oversee camp from June 1 to August 31. The cooks are in charge of planning and preparing nutritious and appetizing meals for the busy campers. The caretaker is responsible for the upkeep of the beautiful camp, work laid out by the Board of Directors and weekly trips to town for provisions since the camp is 19 miles East of Seneca, Ore.

Anyone interested may call the County Extension Office in your area for more information or applications. The applications are due by March 8, 1974.

The Extension Offices that you may call are - Grant County 575-1911; Malheur County 889-9129; or Harney County 573-2506.

**Shown Tonight**

The fourth film in the *Pioneers of Modern Painting* series, narrated by Sir Kenneth Clark will be shown at 8 p.m., Thursday, February 21, in room C-23 of the Treasure Valley Community College Administration Building.

The subject is Georges Seurat, French (1859-1891). Unlike other painters in this series, little is known about the character and private life of the pointillist Georges Seurat. His life was short and he left little to reveal his private nature, except for his paintings. Lord Clark concentrates principally on Seurat's method of work, subject matter, scientific approach to painting, and relationship to his cultural background and era.

Art works by Seurat which will appear in the film include: "The Lighthouse at Honfleur" and "Les Grues et la Percee."

This series of six films is a modern sequel to Sir Clark's *Civilisation* series shown at the college this past summer. The showings are a community service. There are no fees and the public is urged to attend. The next film, February 28, will feature Henri Rousseau.

**TV ASSOCIATION FOR HANDICAPPED**

Supplemental security income! Al Rainesberry from the Ontario Social Security Office will be discussing supplemental security income which is available for some vocational training or education for certain handicapped persons at the Tuesday evening, February 26 meeting of the Treasure Valley Association for Handicapped and Retarded Children, Inc., which is scheduled to begin at 8 p.m. in the Treasure Valley Opportunities, Inc. in Ontario.

Dr. Jerry McGee, (OARC), Oregon Association for Retarded Children executive director of Salem, is also scheduled to appear on the program. He will likely be talking about some of the

benefits the TVAHR, Inc. may expect from their affiliation with the state and local associations for handicapped children.

Babysitting will be provided for those parents who care to avail themselves of this service during the meeting. Refreshments will be provided during the meeting.

All persons who are interested in learning about supplemental security income should plan to attend this meeting.

**Malheur County Fair Board Budget Finalized**

Finalizing the 1974-75 fiscal budget and premium book revision were major items on the agenda of the Malheur County Fair Board at its recent meeting. Gordon Capps, chairman of the board, announced that due to reduced funds, the board is adopting a "hold-the-line" policy.

Since the abundant food center will no longer be in the Commercial Building after June 30, this will result in considerable loss of revenue. Capps also said that with the energy crisis, there is the possibility of less funds coming from racing revenue thru merit funding.

With this in mind, he said there are no planned major improvements this year on the grounds.

The board has also been trying to update the premium book. They have met with representatives with a number of organizations interested in the Fair.

A 4-H Club, the Bunny Hoppers, donated some 48 rabbit cages. The club members are repairing the cages with donated material from Star Sheetmetal and Tuttle Lumber Company. Capps expressed appreciation for this donation.

A new feature at the 1974 County Fair will be an open class horse show which is scheduled for Saturday, August 17. The event will be organized and co-ordinated by members of the Snake River Riders. At the recent meeting they met with delegates from 4-H horse clubs. Following discussion, it was decided to retain the Danish system in horse events and in all showmanship classes.

The board retains the right to change premium amounts if necessary. However at the present time there is no intention of cutting premiums.
