## Bulldog Wrestlers Take 7th At State Tourney

Oregon class AA wrestling finals drew to a close Saturday night with the Nyssa Bulldogs providing one state champion, one-second place and one-fifth place for a 7th place finish in the tournament out of 16 teams qualified.

Nyssa's Manuel Perez at 136 decided Painter of Rainer 19-4 in the first round and went on to defeat Erwin of Central Linn 9-4 in the quarter finals. Showing his strength and great wrestling ability he went up against Guisler of Cascade in the championship semi finals and came away the winner with an 11-8 score. For his State title he defeated Kuntz of South Umpqua 9-4.

The Bulldogs second place winner was Sam Hartley in the 106 pound division. Hartley, another wrestler with tremendous winning capabilities, met Foster of Taft in the first round and came out winner with a score of 15-0. He also defeated Butler of Willamina, 15-2 in the quarter finals and had another win by decisioning Lyman of Coquille in the championship semi finals.

He met defeat in the championship finals when he met Pleuard of Marist, the score was 6-5. Hartley had beaten Pleuard last year for the 98 pound championship.

In the 123 class the Bulldog's David Ballou was pitted against Robles from Yamhill and was decisioned in his only bout.

At 141, Robert Gallegos dropped his first match to Gilkey of Coquille by a pin in the first.

Nyssa came through again in the 148 division for a fifth place position when Chris Lords won his first match with Goble of Sherwood with a 7-2 score. He lost his second match to Rowley of Philomath 2-1. Lords decisioned Denham of Coquille 9-0 in the 1st round consolation and then he met defeat by a pin in the third by Koenig from North Marion. He went on into the third round where he decisioned Robb of Central Linn 10-4.

Kevin Adams at 157 lost his one bout with a decision of 12-5 in favor of Ramsey from Elmira.

## Nyssa Cinches Greater Oregon League Title

The Nyssa Bulldogs cinched the Greater Oregon League championship and a berth in the State AA basketball tournament at Eugene later this month with a double win over the weekend. Friday night they beat Machi at Milton-Freewater by two points, 34-32, then ran away from Wahtonka at The Dalles Saturday night, 60-39.

Machi held a slim 11-10 lead at half-time, the Bulldogs led by six points after three quarters, then barely eked out a victory as they missed seven one on one foul shots in the last three minutes of the slow ball game.

Saturday night was a different story, with Wahtonka playing nearly even with the Bulldogs the first half, then Nyssa opened the game with a big third quarter and Coach Gerald Talbot cleaned his bench.

Nyssa now has an unbeaten season in Greater Oregon League play with a 12-0 record and an 18-2 record over-all. They will complete the season's schedule

with games at Burns Friday and the finale at Vale Saturday night. Vale is deadlocked with John Day, each with three losses, so Saturday's game with the Bulldogs is crucial for them.

## C of I Voted Honor Award

The Board of Trustees of The College of Idaho voted to institute a Trustee Honor Award at the February 23 meeting, according to Robert E. Smylie, Board chairman.

The purpose of the stipend, which ranges in value from \$100 to \$1000, is, according to Smylie, "To assist the rapidly increasing number of middle income families who do not meet existing qualifications for financial aid yet are experiencing increased financial stress to pay college costs as the result of inflation."

The award is designed to recognize and encourage high scholastic achievement in the total secondary school record and to recognize and encourage participation in community and school activities with primary emphasis in the non-public performance areas.

The recipients must be students enrolling at the College of Idaho for the first time in the fall of 1974 and will be selected by the Financial Aids Committee on the basis of academic record, leadership, and the recommendation of the Admissions staff, said Smylie. The stipend may be renewed, subject to evaluation of academic performance and participation in activities at the C of I.

## U of O Schedules Registrations

Five days in July, two of them on Saturday, have been scheduled for the University of Oregon's Early Orientation-Registration Program.

The dates, for freshmen entering the U of O from high school to come to the campus and have personalized advising and registration, are July 12, 15, 19, 20, and 27. The last two dates are on Saturdays.

High school seniors are urged to get all of the supporting documents - transcripts and test scores - to the University's Admissions office before May 17, the cutoff date for reservations for Early Orientation-Registration. The earlier these materials are sent to the Admissions Office, the better chance the student will have to have an appointment on the date of his/her choice, points out Robert L. Bowlin, Dean of Student Personnel Services.

A maximum of 300 students will have reservations on any one of the five days. The limitation is made to retain the personalized aspect of the program, which includes individual appointments with academic advisors and a leisurely registration process.

"We anticipate that two-thirds of the entering freshmen from high schools will be on the campus during those five days," said Dean Bowlin.

He said that the days in July will include two Saturdays in order to allow Oregon families to come to the campus with their sons or daughters. A full schedule of events is planned especially for the parents and they are encouraged to accompany their prospective University students.

The two programs, for students and for parents, are without charge.

A full schedule of events for the July programs, and advance registration forms will be sent to each student with the Statement of admission.

THE NYSSA JUNIOR VARSITY BASKETBALL TEAM completed their season by winning the Snake River Valley JV basketball tournament. The trophy is shown at right, with the trophy won earlier at the Jordan Valley High School invitational tourney.

Front row, from left are Coach Max Brittingham, Raymond Wiley, John Kouns, Larry Haney and Tommy Murders. Rear row, Pete Leseberg, Kent Blench, Donald Orm, Bill Marcum and Prudencio Escobedo. Missing for the picture is Neal Oldemeyer.

## Lake Creek Camp Use Increased

Lake Creek Recreation Association officers and directors were elected at the groups annual meeting held February 12 in Burns. Phil Ryan, John Day, was re-elected as the associations president. John Creed, Burns, was elected vice president and Evelyn Sword of Vale was re-elected as secretary-treasurer.

Directors elected and the groups they represent are Evelyn Sword, Malheur County at large; John Creed, Harney County at large; Lambertha Thompson, Girl Scouts of Harney County; Phil Kuhl, Grant County 4-H; Tom Johnson Jr., Strawberry District Boy Scouts; Joan Rickman, Grant County at-large. Each of the directors are elected to a two-year term.

Phil Ryan's President Report indicated that nearly 2700 days of camper enjoyment was provided by Lake Creek Camp this past summer. These campers paid \$10,200 in camper use fees. Ryan stated that friends and supporters of Lake Creek donated approximately \$4,000.00 to assist the camp in satisfying operation and financial obligations.
