Tournament Fever High

Tournament fever is high again in Nyssa, and for the third time in four years Coach Gerald Talbot is preparing to take his Bulldog team to the State Class AA Basketball Tournament in Eugene next week.

Finishing the season with an overall 19-3 record, and with 13 wins against only one defeat in the Greater Oregon League, this year's team has made another remarkable The win over Vale Saturday night on Vale's floor record. might have set the tempo for the big tournament at Eugene starting next Wednesday.

Nyssa fans have supported the team remarkably well all season, many making the long trips to John Day, Burns, Milton-Freewater and The Dalles. Now we hear that many are planning the trip to Eugene, and the players can be assured that everyone who can't go will be glued to their radios for the Nyssa games.

Only the very best make the state tournament. Each of the 16 teams has had many pressure games, several have been in play-offs to earn their spot, and they are all tough. Any one of the teams is capable of going all the way.

We join all the Nyssa fans in wishing Coach Talbot and the players our best wishes, good luck, and the assurance that we are all behind you.

Editor, The Journal:

Editor, the Journal:

The following letter was sent to President Nixon, Senators Hatfield and Packwood and Congressman Ulman:

Do you really realize what a financial, inflationary mess we are really in? Do you realize what you and the majority of the politicians have done to us beginning with Woodrow Wilson and the Federal Reserve system? The inflation is killing us. Our money has no stability at all. It takes \$185.00 today to do what \$20.00 would do in 1913 and worse than that we have no feeling of security for the future but are frightened that it will get progressively worse.

I am a s

ritten by Rev. Bob Hutch-Carolyn and the childrenown nson. This final sketch is three horses, and last Reverend Bob himself, summer they traveled over nd the United Methodist 200 miles in the desert on hurch of Nyssa, where he horseback with friends, with as been pastor since June, Bob hauling food and sup-972. (Biographical data plies to horses and family. ubmitted by Rev. Bob, and The United Methodist ritten by Dirick Nedry). Church was established in Nyssa in 1894, and the first pastor was the Reverend T.W. Atkinson, His pastorate was a circuit including Nyssa, Owyhee and Vale,

Bob said that one of the earliest churches that he can remember was the living room of the family home on the farm near Vancouver, Washington. His dad and mother secured a minister, who drove out from town, to preach each Sunday in their home. The eight boys, five girls, parents and hired men and close neighbors

made a good beginning for a country church. They later purchased and remodeled a dance hall, which had closed down, into a church, and Bob began to realize that he would someday be a minister.

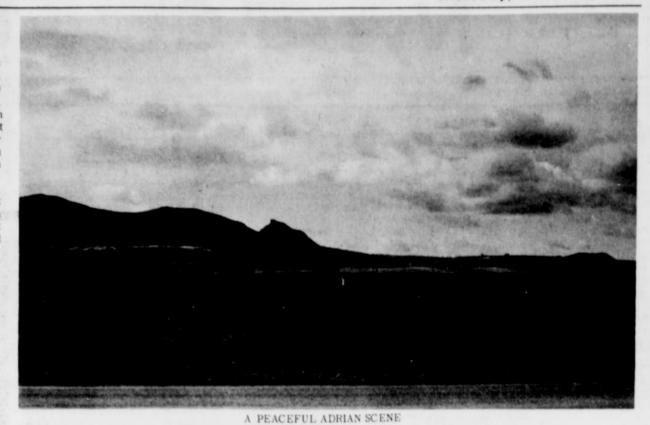

Bob graduated from high school in Beaverton, Oregon and two years later married his wife Carolyn on August 15, 1953. He attended Northwest College in Kirkland, Washington, and after gra-

duation he was pastor of a Taxpayers, Malheur County: church in Montana for three Despite a \$150,000 inyears. He then returned to crease in state aid over Oregon and attended Linfield what it was two years ago, College in McMinnville, and TVCC is asking you to vote graduated from Oregon them a district increase of College of Education in Mon-8,93% over last year. This mouth with a Bachelor of will be in addition to the Science in Education, After 6% increase you voted them pastoring in both Montana and last year. So now you'll be Oregon he took a two-year giving them 15% more money leave of absence from the than you did in '72 and over ministry and was principal 100% more than what you of a Salem area school just voted for them in 1969. (The prior to coming to Nyssa student count remains the in June, 1972.

When I remember that the Elema ted of cardboard cartons of books from the County Library of 30 to 40 books to a room. I realize how far the Elementary Library has progressed. The opportunities will reflect in better readers and better informed future citizens. Nyssa now has perhaps the best library program in Eastern Oregon.

OBITUARIES

Vern L. Richards

tained several guests at a tupperware party last Friday afternoon with bridge in play following the party, A J fun afternoon was enjoyed by all.

. . . The Couple's Bridge Club met Sunday evening at the home of Mr. and Mrs. Dirick Nedry, There were three tables in play and guest players were Mr. and Mrs. Henry Schneider, High score winners were Mrs. Gerald Simantel, Boyd Wilson and Mrs. John Hoff.

and our problem is this. We have an inventory that cost us \$75.00. We sell it for \$100.00 and after all labor and expenses are paid we hope to have a dollar profit but when we come to replace our inventory instead of buying it again at \$75.00 it costs us much more so we borrow to replace bur inventory and after this has happened two or three times we can't borrow enough to replace our inventory so we are broke. We are out of business. The laboring man who works for wages is in the same fix. He can't keep up with it either.

There are basically five things you need to do to solve this national problem and they are as follows: (1) Reduce federal spend-

ing. (2) Quit spending more money than you get. (3) Quit trying to solve the welfare problems and other problems of this nation and the world with money and more money. (4) Stay out of business and labor controls and let the free enterprise system of supply and demand take over. (5) Get us out of the Federal Reserve system of world bankers and into a solid money system of our own so that a dollar today is worth the same tomorrow or ten years from now.

These things I am sure would not be easy to accomplish but we need a President, Senators, and Congressmen who will rise to the occasion. Someone has said, "There seems to be only one
