**Ready to remodel?  
We're ready to help.**

We know how it is. The carpet has seen its better days. The kitchen is a cook's nightmare. And you'd sure like to add on that extra bedroom you've been talking about for so long. But the dentist bills and the much-needed car repairs come first, right?

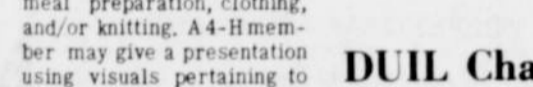

Well, we understand that at First National Bank. That's why we'd like you to know about FirstLoan. First Loan is a simple interest consumer loan. That means you pay interest only on the amount you actually owe. Only as long as you owe it. In fact, you can pay off the entire loan ahead of schedule and really save money. On the other hand, if you simply pay a little more interest for holding the money longer...no late charge.

FirstLoan. When you're ready to remodel, we can't think of a better way to help. If you'd like to know more about FirstLoan, stop by the Nyssa branch of First National Bank of FirstLoan. It really is a better way to borrow money.

We'd like to get to know you.

**4-H Spring Fair Slated**

The annual 4-H Spring Fair will be held June 4 thru the 6 at the Ontario Senior High School. 4-H members enrolled in home economics projects including foods, clothing, knitting, outdoor cooking, and creative arts may enter articles for judging and exhibiting on June 4 from 1 until 6 p.m. In addition to exhibiting projects, many youngsters also enter skills contests such as table setting, baking, meal preparation, clothing, and/or knitting. A 4-H member may give a presentation using visuals pertaining to a project area, or elect to do an educational exhibit or display depicting a certain phase of a 4-H project. Many of the contests are open to the public with the highlight of the week's activities, a Style Show on June 6 at 7:30 p.m. The theme of this year's Fair is "Spring Fair Gets It All Together".

The barking toad of Brazil has horns on its eyelids. It barks like a dog and has a bite that can kill a horse!

4-H leaders and parents from throughout the county along with the Empire Builders assist the youngsters, register exhibits, and clerk for the judges. 4-H Fair provides opportunities and incentives for members to show others what they have made or done to develop responsibility and self confidence and to learn new skills and better methods by exhibiting and taking part in contests.

**Malheur Career Education Project To Be Studied**

The Oregon State Department of Education recently recommended that the Malheur County Intermediate Education District Career Education Project be the subject of a national validation study. The project has operated the past four years under the direction of the Malheur Intermediate Education District with Leroy Paulsen, Superintendent, and with Sam Banner as Project Director. It involved developing vocational education programs on a cooperative basis with Vale Harper, Ontario, Nyssa, Adrian, and Treasure Valley Community College with a Federal Grant from ESEA, Title III. ESEA Title III is charged with developing new and innovative practices in education. A team of three validators from Alaska, Montana and Idaho will be in the County May 8-10, to determine if the project is worthy of national recognition. "We may not receive the national recognition," Banner said, "because we didn't have a lot of research statistics, but we are recognized in the State Promising Practices Guide. Our program is being used as a model to deliver career education to five other counties in Eastern Oregon at the present time, and we are very pleased with the program here in Malheur County." The validation team will visit each of the schools and interview students, administrators, and teachers before submitting a recommendation to H.E.W. H.E.W. is presently funding Malheur IED with \$128,000 of federal funds to support the programs being developed in the neighboring counties of Harney, Baker, Wallowa, Union and Grant.
