

# OUT OF THE PAST

## 10 YEARS AGO

Brower's Plumbing Shop, 310 Main Street in Nyssa, was sold to Eder Hardware Company last week.

J. E. (Slim) Brower established the plumbing shop in 1945 and had been in business continually at the same location until last December when he suffered a heart attack and closed it temporarily.

A permanent Christmas tree graced the lawn circle in front of Malheur Memorial Hospital, a gift from the First National Bank of Oregon. The banking firm is celebrating its 100th year in Oregon and is purchasing a tree for every city and town in which it has a branch office.

Helping with the planting were Leonard Hewett, Nyssa bank manager, assisted by Bob Fangen, from whom the tree was purchased. Present for the planting were Mrs. Don Weaver, Mrs. K. E. Kerby and Mrs. William Schireman, all members of Town and Country Club and Pheral Dodson, business manager at the hospital.

## 20 YEARS AGO

Construction of a new bridge to span the Snake River at Nyssa will definitely start this summer although no starting date has been set. The Journal was told by the State Highway department Wednesday morning.

Kristine Rinehart of Nyssa has been named the girl winner of a youth leadership contest sponsored by the Ontario Elks Lodge, it was announced this week. Ronald Buchner of Nyssa was a contestant in the event.

Irene Jayo represented Nyssa Sunday in a speech contest at La Grande where the Elks Lodge held its Eastern Oregon District competition for the "Most Valuable Student."

## 30 YEARS AGO

Pfc. Jay Lee Kinkade, son of Mr. and Mrs. Dixie Kinkade, was last heard from when he was transferred from Belgium to Germany. He said there was two feet of snow in Belgium, and it was like spring in Germany, indicating an extreme temperature.

Earl Jennings who was

home for a few weeks on leave from the Navy, is now stationed in Hawaii.

Pfc. Loyd Cleaver, who was wounded in Italy last October, has been transferred to the Air Force ground crew.

Eugene Brady, air cadet, son of Mr. and Mrs. J. I. Brady of Route 2, Nyssa, has been transferred from Nevada to Pecos, Texas. He is taking training as a flight engineer.

Pfc. Gene Cook of Nyssa, who was one of the guards for

President Roosevelt at Casa Blanca when the President visited in Africa, has returned home after spending 29 months in actual combat in Africa, Italy and France. Pfc. Cook is the son of Mr. and Mrs. Warren Cook of Nyssa.

Sec. Lt. Stanley Ray of Nyssa, son of Mr. and Mrs. Dewey Ray of Baker, was killed March 4 on Iwo Jima in the Philippines, according to information received here.

Lt. Ray was born October, 1922 in Nyssa and spent all his life here, except time spent in college, (University of Oregon) and the service.

He was graduated from Nyssa High School in 1940.

## 40 YEARS AGO

Two marriages of interest to this community were made known this week. Miss Vera McConnell and Earl Sparks of Big Bend were married in Caldwell Wednesday, March 13 by Dr. F. E. Springer. The bride was a junior in the Nyssa high school. Mr. and Mrs. Sparks has started housekeeping on his father's ranch in the Bend.

The marriage of Miss Lois Schweizer and Guy Glenn became known early this

week. The young couple were married in Burley, Idaho on February 23 and had kept it a secret. The bride is the daughter of Mr. and Mrs. C. E. Schweizer and a graduate of Nyssa high school with the class of '33. She attended Oregon State College the first term this year. The groom is the son of Mr. and Mrs. W. L. Glenn of Oregon Trail, and was formerly employed as a driller at the Owyhee Dam.

Both young couples have the best wishes of their many friends.

The Oregon Journal is authority for the statement

that over 1000 families have settled in Oregon recently, many of whom were driven from their midwest homes by storm and drought. Agricultural authorities at the State college have a list of 136 new farmers under aid of the Oregon state Extension service in Malheur County, which is second largest number on the list in any one county.

The Willamette Valley is drawing many of the new settlers with Lane County being first with 149. Meetings are being held in every county numbering 50 or more new settlers to help the

newcomers get acquainted with new methods of cultivation, irrigation and soil.

In Polk County, The Dalles Chamber of Commerce has taken special interest in these farm meetings, it was here that the plan originated. At a recent meeting there were farmers from ten American states and two Canadian provinces, anxious to learn the secrets of successful practices in their newly adopted farm homes.

ISSUES FOR 50 and 60 YEARS AGO ARE MISSING FROM OUR FILES.

## SAGE OF NU ACRES

BY LYN DOHNER

You know that accident on the highway near here where the horse ran into the beer truck and got killed and caused the cargo to be spilled all over the highway? Well, it could have been a lot worse if it had happened a few minutes earlier.

Seems Dale Adams, Ernie Metcalf, and George Dohner were returning from Boise's Bible Study Fellowship and as they headed down the dip, past Nu Acres Hall road, they saw a big truck coming from the opposite direction, and suddenly, directly in front of them was that horse, running up the road. To pass him meant going into the path of the truck, now terribly near. They passed it and missed the truck by a couple of seconds, Thank God.

The Town and Country Garden Club held its monthly meeting at the home of Mrs. Dale Adams, with Mrs. Al Chadwick as co-hostess.

Mrs. Madge Thomson enlightened the group on the subject of roses, and showed her own set of slides illustrating her delightful results in growing these lovely flowers.

My essay for the State contest was read by Mrs. William Schireman, president, who said it wouldn't win first prize because it depicted mostly an unsuccessful gardening project. This is mentioned so you'll see I did get it written. Just in the nick!

Spring Fling at the Senior Citizens Hall, Payette will be over by the time this goes to press, as it is Monday afternoon. I plan to take a loaf of my yellow squash bread for the bake table. Baked it Saturday and froze it. Haven't decided which of my many white elephants should go, gift wrapped, for the white elephant table. (I'm too well equipped with those pachyderms.)

Helen Johnson of Idaho Power will be showing specific and tasty uses for microwave ovens, including mouthwatering shish-kabobs I had to go all through my barbecue cookbook to find how to spell that! Shish-kabob.

A great program is planned and it should be a real fun afternoon, including a silver tea, door prizes, and nice things to buy and take home for the dinner table.

Layman and Nancy Sheffield, their two daughters and a female pup named Rip took the quarter-mile trip to the Snake River for a little fishing last week and learned to valuable lesson. Hereafter, leave the dog home!

Rip grabbed somebody's line, bait and all. She had succeeded in biting off the string and was trying vainly to swallow the bait, whimpering a little, when the folks saw her and tried to help.

The fish hook was caught in her tongue, and it was a most miserable dog that the family rushed to the veterinarian. After a couple days at the dog hospital, she is

home again, recuperating from her final fishing trip. The Sheffields are loyally refusing to tell which member was guilty of letting Rip grab her bait.

Fire destroyed a trailer-load of furniture in the early morning last week for Mr. and Mrs. Bob Dohner who were just moving up to Nu Acres from their former home in Roseberg.

They had arranged to rent a home on East Echo Avenue near Mrs. Dohner's grandparents, Mr. and Mrs. M. A. Jones. The fire was thought to have started as a result of faulty wiring in the vehicle.

Mr. and Mrs. Ben Payne entertained Mr. and Mrs. Owen Wilkerson and their daughter Kim on Friday night. On Sunday they were visited by Mrs. Payne's mother and brother, Mrs. Stella Newell and Ken Newell, of Nampa.

Mr. and Mrs. Cecil Evans entertained a group for a pot luck dinner and a time of Christian fellowship on Tuesday. Present were the Rev. Bob Hutchinson, Mr. and Mrs. Raymond Sager, Mrs. W. W. Foster, and Madge Thompson, all of Nyssa, and myself.

I got there after dinner, hoping to not add more unneeded poundage, but then weakly gave in to a piece of Crete Sager's birthday cake. I'm continually amazed at the weakness of this human will, when temptation strikes.

Mr. and Mrs. Sherman Keck gave a family birthday party for Janice Evans, after first entertaining her with a luncheon. Present for the party were the families of Mr. and Mrs. Paul Russell, Mr. and Mrs. Larry Ziegler, Mr. and Mrs. Gerald Russell, and Mr. and Mrs. Cecil Evans.

A lay Witness mission at Walla Walla, Washington in the First Christian Church was the object of a trip taken last week by Mr. and Mrs. Cecil Evans. Enroute there they visited their sister and husband, the Rev. and Mrs. George Nichols of Milton-Freewater, Oregon. Enroute back, they visited their son and family at John Day, the Rev. and Mrs. Karl Evans.

Yesterday Cecil Evans had charge of the sermon and services in the Sweet Methodist Church and the Evans' dined with Mr. and Mrs. Frank Goodwin of Sweet, Idaho.

## Conservative Baptist Church
