## Sage of Nu Acres

By Lyn Dohner

Sunday morning at the Methodist Church, Nyssa, and the Rev. Bob didn't have a sermon. The people gathered and sat down and read their programs. No sermon was listed. He said there were so many of our people who were sick and dying that prayer was needed instead.

And the people opened up their hearts and one by one offered up prayers for the ones who were sick. Once more we could call our church a house of prayer.

In the end of the service a holy quiet descended and a spirit of worship and praise was upon the people. How many sick bodies were healed, I do not know. But broken spirits found comfort, aching hearts found rest, and sick souls were made well. Tears washed out the blindness that had caused some to not see their brothers and sisters in a spirit of love. This is God at work and it is good. And the people are giving all the glory to the Lord Jesus Christ, God's Wonderful Son!

Went to a Mini-meeting at the Payette Methodist Church Saturday. There were fourteen or fifteen from Nyssa and numbers there from Ontario, Fruitland, Vale Payette, and Prairie City. Leaders were district officers from Lakeview and Pendleton and points north.

They put on a play, unrehearsed and had sent a part that I had learned for it. Well, everyone else read their lines and I stuck out like a sore thumb for knowing my lines. But why read them when I'd worked so hard to learn them?

They served us a delicious luncheon. Oh, they do have a grand church! How nice to have a Fellowship Hall on the ground floor and not tucked away in the basement!

We're studying Matthew 24 and related chapters in Mark, in the Bible, in our Bible Study Fellowship class in Caldwell. They've some 200 women who meet there weekly from all over Treasure Valley. In our car-load, are Mrs. Ernie Metcalf, Mrs. Al Chadwick, Mrs. Merle Lewis, Mrs. Tom Nishitani and Mrs. George Dohner, all from Nyssa, Apple Valley or NuAcres.

Anyhow, in this study we're into the Last days, and it seems to be what we're living in now! Jesus tells all those things to happen in a single generation, the last generation in the end time. No other generation has ever lived in which it all happened as today. In particular we have the reforming of Jews into a nation, that which waited 1900 years to happen.

Some call this Doomsday talk and shy away from it. If you don't believe in a doomsday, ask the folks at Managua, Nicaragua, or at Vietnam, or other parts of the world where starvation, war and deprivation have become a way of life...and death!

Where earthquakes wipe out people by the thousands and flood and typhoon seasonally threaten existence. How come we have it so good, we might ask, and for how long? A birthday dinner, honoring the birthdays of Mr. Bill Newell and Mr. Ben Payne, was held at the home of Mr. and Mrs. Ben Payne on Saturday.

Present were Mrs. Stella Newell and Bill and Kenny Newell of Nampa, and Francis Cammon of Nu Acres.

Just received word that Mrs. M. A. Jones has been at Holy Rosary for over a week now. Mrs. Bob Shaw visited her there recently.

Mrs. Joseph King and Mrs. John Wahlstrom, who had been visiting the George Dohners, took the jet back to Southern California.

P.S. Those chickens of ours are laying nearly two dozen eggs a day now. Refrigerator gets a little crowded. Carol Weaver brought us a big white rooster whose morning crowing makes us sound more like a farm should.

Now we can start looking for a hen or two to parade out followed by a flock of little chicks. If the cats don't get them first.

Our old mama-cat comes daily into our patio and chins herself on the door in order to peek into the window and tell us it's breakfast time. She's so fat, don't see how she does it!

## News About SERVICEMEN

Sgt. Dallan Hendry

Colorado Springs, Colo.—Technical Sergeant Dallan C. Hendry, son of Mrs. Cecile M. Fogerson of New Plymouth, is a member of an Aerospace Defense Command (ADC) squadron which has earned the U.S. Air Force Outstanding Unit Award.

Sergeant Hendry is assigned at Ent AFB, Colo., as a computer operations supervisor with the 1st Aerospace Control Squadron which received the award for exceptionally meritorious service from July 1, 1973 to June 30, 1974.

This is the second consecutive year that the organization has earned the coveted award for over-all professionalism and excellence in providing support to major headquarters—including ADC and the North American Air Defense Command—located at Ent.

The sergeant will wear a distinctive service ribbon to mark his affiliation with the unit.

Sergeant Hendry is a 1957 graduate of New Plymouth High School. His wife, Elizabeth, is the daughter of Mr. and Mrs. James R. Wight, Nyssa.
