Bulldogs Beat Fruitland, Remain Undefeated

The Nysa Bulldogs traveled to Fruitland Monday and won their third straight game 4-3 against no defeats, while the Grizzlies lost their first game in seven starts.

Fruitland score the first run in the opening inning without a hit. The Bulldogs tied the game in the third when Kevin Cleaver walked and stole second. Then Joe Joyce hit a long drive over the third baseman's head and brought in Cleaver.

Nysa's big inning was the 4th when they scored three more runs when Brad Holcomb was safe on an error, Ted Joyce hit a single advancing Holcomb to 3rd. Cleaver hit a single to centerfield and brought home Holcomb and Joyce. Cleaver then scored on a fielders choice.

The Fruitland Grizzlies came back in the 5th inning and scored 2 more runs but were short by one at the end of the game and Nysa collected their 3rd win 4 to 3.

Batteries for Nysa were Ted Joyce and Joe Joyce, a

real fine brother combination and for the Grizzlies Peterson Kautz (4) and Olesin.

Wildlife Chief Talks At TVCC

Martel Morache, Chief Educational Officer of the Idaho Fish and Game Department spoke to science, forestry and outdoor recreation classes at Treasure Valley Community college on April 7. About 150 students were in attendance.

Morache discussed pending federal legislation relative to wilderness and wild rivers in Idaho. "These areas," he said, "need to be protected in their present state to maintain a balance of wildlife."

He showed slides of the Primitive area and its inhabitants which indicated a good balance between plant growth and animal population. The area is undisturbed and amply provides both forage and cover for a large variety of big game, predator and grazing animals.
