Fifth Grades

Take Trip

Four fifth grade classrooms went to "Old Fort Boise" on Wednesday, May 14, 1975. Mrs. Jan Wilson, Mrs. Spitzer, Mr. Aman and Mr. Baker's rooms went.

We saw a statue of "Bigfoot" and read about him. Further up the road we saw another statue which marked the place where "Old Fort Boise" once stood.

We found pheasants, quails, gophers, red-winged and yellow-headed blackbirds, Mallard and Pintail ducks, fish, mosquitos and ants. Some kids brought back magpie eggs, baby magpie birds and a snake.

We ate our lunches and came back about 12:15. It was very fun!

Town and Country Elects Officers

Town and Country Garden Club met Thursday, May 8 at the home of Madge Thomson with Eva Chadwick, co-hostess.

Refreshments were served to thirteen members and one guest.

President Mae Schireman presided at the business meeting during which a report was given by the committee who had purchased shrubs for city improvement. Dorothy Nolen and Eva Chadwick said the plantings were ready when the site at the northwest entrance to Nyssa is prepared. This should help to beautify that part of the town.

The upcoming state convention to be held in July at North Bend, was discussed and members were urged to consider attending.

Mae Schireman installed the following officers for 1975-77: Alice Payne, president; Eva Chadwick, vice-president; Myrtle Sasser, secretary; Zella Kerby, treasurer; Madge Thomson, publicity chairman.

A most interesting lesson on "Green Statuary" was presented by Helen Gonyer and Lyn Dohner. They told of the intricate topiary work done in the early gardens of Europe and by Indians in South America. We learned that the art that has been practiced in formal gardens and parks is becoming more popular.

We hope our guest Barbara Wardsworth will join our group for this coming season.

The afternoon ended with a plant exchange. Next meeting is June 12 at the home of Laura Craner.
