We're glad to help with the 1975 "Top-Op" Tour

Branch manager George Craig and Malheur County Extension Service Agent Ray Novotny seated at desk with Top Op brochures.

First National Branch Manager George Craig and Malheur County Extension Service Agent Ray Novotny discuss plans for the 1975 "Top Op" Tour.

Saturday, May 31, the Malheur County Extension Service will host its 1975 "Top Op" Tour and Barbecue. The day's activities are planned to let our local businessmen see first-hand how some of the county's many top operators run their agricultural operations.

First on the agenda is a visit to Kay Teramura's farm followed by a stop at the hop farming operation of Neil Venturacci. Then, the mid-day barbecue at Bert Hawkin's ranch will provide good food, a lively program, and chance to relax before making additional visitations in the afternoon.

First National Bank is pleased to be a part of the "Top Op" Tour. By helping provide beef for the noon barbecue, we are able to

thank the extension service for their year-round assistance. With their help, we're able to provide our local farmers and ranchers with complete, dependable agribusiness service.

We think the "Top Op" Tour is a great way for businessmen in the area to learn more about Malheur County's agribusiness operations. If you'd like more information about the 1975 "Top Op" Tour, contact Ray Novotny at the Malheur County Extension Service. Or, drop by the Nyssa branch of First National Bank of Oregon.

We'd like to get to know you.
