swimming.

The 20th Annual Nyssa Nite Rodeo opens Friday, at 8 p.m., and will run through Saturday night. Both nights there will be a parade beginning at 7 p.m., which will include stage coaches, floats, antique cars and farm machinery. Many well-known saddle clubs are planning to make an entrance, as well. This year's Grand Marshall is Loyd Adams.

This year, the stock for the rodeo will be furnished by Ralph Stephens of Midvale. Buckles will be furnished by Gentry Ford and the Eagles

A special rodeo event this year is a Merchant's Barrel Race. In addition to the regular events, there will be Kid's Calf Roping, for ages 9-14, and Steer Stop Roping. The Stop Roping is limited to residents of Malheur County with amateur status and winnings of no more than \$100 for the year.

Dead Animals Must HaveProperDisposal

Ith Department wishes to remind all owners of livestock in Malheur County that dead livestock are not to be placed into canals, drain ditches or other public waters. Numerous complaints are being received, and it is becoming necessary to take appropriate legal action to abate these nuisances. We suggest that all livestock owners be aware of the health and location of their cattle when pastured near water ways. If animals die call a rendering company immediately.

In the event that a dead animal is not observed immediately these animals should be buried on your own property. It is realized that some animals may accidentally end up in waterways but the legal owners of the livestock are responsible for their removal and will be allowed the first opportunity to remove them. Legal action may then become necessary.

Dead animals in our waterways spread disease both to animals and man and are a terrific nuisance to irrigation district officials and

Dailey Bros. Circus Coming To Nyssa

Brothers Circus is coming to Nyssa!!

The three-ring show, complete with a big top and wild animal menagerie will be in town on June 30 under the auspices of Nyssa Lions Club. Shows are scheduled for 6 and 8 p.m. at the Nyssa Rodeo Grounds.

This year's show offers a full 90 minutes of continuous, ever-changing entertainment in all three rings. Featured are trapeeze stars, acrobats, performing elephants, clowns, educated chimpanzees, tight-rope walkers, jugglers along with trained dogs,

horses and ponies. The circus menagerie boasts a collection of rare and exotic beasts, including savage jungle cats, apes, camels and llamas.

This will be the last chance area residents will have to see an old-fashioned tent circus at an old-fashioned price. Circus owner Al G. Clark has already announced that next year he will be forced to double or triple the current advance ticket price of \$1.50 to meet rising costs. Tickets at the special \$1.50 advance price are available from any Lions Club member

The show's colorful 20-vehicle caravan will arrive in town at dawn on circus day. Show personnel will then begin the formidable task of erecting the giant canvas city

housing the circus. The circus plays in seven different towns each week, and the show's appearance here will be one of over 300 to be made by the circus in

Nyssa High School Lists Honor Students

Nyssa High School Principal Gene Chester announced this week the names of the honor students for the second semester. There were 33 seniors, 26 juniors, 11 sophomores and 9 freshmen.

Wheat Producers

Certify By July 1

1975 wheat acreages.

July 1 is the final date for

Russell Fulleton, Chair-

man of the Malheur County

Agricultural Stabilization and

Conservation Committee, an-

nounced that the date is very

important for producers who

wish to prove wheat yields.

Production records over a five year period are required

in order to prove a yield. Therefore, Fulleton said,

without a 1975 report, it

would not be possible to

prove a yield until five more

consecutive year's records

For anyone who is interes-

ted in proving wheat yields,

Fulleton advised they contact

SCHOOL BOARD CHAIRMAN Mark Hartley broke ground Tuesday for the start of construction on the new school buildings. High school principal Gene Chester, left, and building committee members Dick Tensen, Joel Mitchell, Don Bullard and Arleigh Adams look on, along with Leota Kreigh, deputy clerk of the district, behind Hartley.

In the photo at right are Bob Smith, architect; Lester Johnston and Wayland Duncan, building superintendent and foreman, respectively, for Arvy Construction Company; and John Snodgrass, project representative for the Nyssa school

Snodgrass has served in a similar capacity in other large projects throughout Oregon, including the Josephine County Hospital at Grants Pass; the Medford Senior High School; Providence Hospital, Medford; and Memorial Hospital in Salem. He is a former contractor who now is semi-retired and lives in Ontario.

Farm Census Report Pool Opens Fair Board Meets For Adults Forms Still Missing

Letters appealing to 15 thousand Oregon farmers to Malheur County farmers are reminded that very little return completed report forms for the 1974 Census of time is left to prepare for Agriculture are being mailed harvest time storage needs by the Bureau of the Census. for grain crops. Russell In January, 55 thousand Fulleton, Chairman of the Malheur County Agricultural forms were mailed to Oregon farmers and residents asso-Stabiliazaiton and Conservation Committee, announced ciated with agriculture and so that funds are available for mailed back or otherwise construction of grain storage accounted for. facilities on the farm. The Bureau officials say this is

interest rate has been reduced to 6-1/8 per cent for the last in the planned series of follow-up letters, as With storage available on collection of census data is the farm, valuable time may scheduled to be closed out be saved during the rush of June 30. In addition, telephone calls are being made to harvest. Fulleton added that selected farmers who have allows producers more flexibility in marketing their not yet returned the forms in order to obtain information crops when market prices are about their 1974 agricultural Full details of the program operations. are available at the Malheur

envelope provided.

Everyone who received a form should return it, even those not actively engaged in farming, such as landlords or those no longer farming. That information can be noted on the form which should be mailed back in the mandatory by law. By the same law, all information about individual farms is confidential and can be used only for statistical purposes. Farmers can refer to farm

Response to the census is

business records for many of the figures called for in the form. When records are not far, 72 percent have been available, reasonable estimates are fully acceptable, Bureau officials say. Return of the completed forms is essential in order that published statistics on agriculture for each county and for the State will be accurate.

Results of the census will affect farmers in many ways. Major agricultural suppliers and marketing organizations base their decisions on census statistics. Thus, they can affect the availability of goods and services in many

farming communities. Any future allocation pro grams for such critical production inputs as fuel and fertilizer will bear a direct relationship to the crop acreages and animal units reported in the census.

Maldonado Takes Migrant Position

Rev. Tony Maldonado, pastor of the Latin Assembly of God Church in Nyssa, was hired Monday by the Oregon State Bureau of Labor for a summer position representing migrant labor.

According to Dale W. Ward, deputy commissioner for the Labor Department, Maldonado will inspect the farm labor camps, deal with wage and discrimination disputes mainly in the agricultural field. He will do the field investigations for license applications for farm labor contractors also. This is one of three temporary jobs in Oregon.

Maldonado will assume his Bureau of Labor migrant

With Division Heads The Malheur County Fair Board met with chairmen and superintendents of the Open Class Divisions at their regular meeting. Gordon

Capps, chairman of the Board, briefed the group on responsibilities and activities of the Fair, and expressed appreciation to them for their assistance in helping with the annual County Fair. Capps stated that without

year as Adult Hour. The pool will be open every night, as the help and support of the usual, for all ages, from 6:30 many volunteers, the Fair would not be possible Present at the meeting and

helping with the fair planning were Mrs. Helen Hawkins, Vale, in charge of the Open Class Horse Show; Mrs. Ila Mae Mills. Ontario who will again head up the Hobbies and Crafts Division; Mrs. Helen Wasson, Ontario, chairman of the Art and Photography section; Mrs. Kay Nielson, Ontario, who has accepted the assignment of chairman of the Foods

Mrs. Elaine Russell of Vale

will again oversee the Textiles exhibits. Scotty Payne of Vale will be General Livestock Superintendent this year and Steve Piercy of Nyssa will supervise the Land Products Division in the Main Exhibit Hall.

Open Class Rabbits and Poultry will be under the direction of Mrs. Penny Ankrum of Ontario, who will also be 4-H Superintendent for this section. The ANK Garden Club will register the Flowers at the 1975 Malheur County Fair, August 13 through the 16.

The Commercial Building will be under the supervision of Jed Shane of Ontario. 4-H General Superintendent is Mrs. Carol Knothe, County Extension Agent; and Joe Witty, FFA Instructor at Adrian, will be in charge of the FFA Division.

Tons Of Debris Cleaned From Lytle Boulevard

Tons of roadside debris were cleaned from Lytle Boulevard recently by members of the Bureau of Land Management fire crews at Vale. Cleaning efforts extended from two hundred yards to one mile on each side of the ten-mile stretch between Vale and Enterprise Avenue. depending upon accessibility and visibility. Included in the

cleanup were a number of old car bodies. Allen Hart was in charge of the project and he and his fire crew were highly commended for an outstanding job during a staff meeting at the Vale BLM office Monday.

School Board Makes Decision On Bus Bids The School Board, Monday

night, delayed a decision on bids for a school bus chassis, but accepted the bid of \$5873.00 from the W. J. Roots Company for a Carpenter bus body. The W. J. Roots Co. is based in Portland. Other bus body bids

offered were for a Thomas, sold by Trans West, Inc., of Vancouver, Washington at \$5987.00 and a Superior bus at \$5651.00 from Western Mountain Superior Coach in

The board plans to make a decision on bids for a bus chassis next week.

Three Graduate From SOSC

Nearly 800 academic degrees have been conferred this school year by Southern Oregon State College. SOSC'S 49th annual commencement exercises were held June 7

Among those degree candidates were David Danford, humanities; Nancy Jean Jack son, business; and Linda McPartland, criminology.

In other business, the Board authorized a transfer of funds, in this year's budget, from one department

Hereford Tour Plans Made Hereford breeding ranches

will be visited during the annual tour sponsored by the Eastern Oregon Hereford Breeders Association, July 11 according to George Ireland. tour chairman.

The tour will start at 9:30 a.m. on July 11 assembling at Vern's Country Super Market on Oregon Slope.

Stops during the day are planned at Queens on Oregon Slope, Scotts at Ontario. Lunch will be at the Ontario Kiwanis park, then on to Irelands. Stewarts and Wendts where the tour will conclude.

The tour is designed to allow those interested to visit the breeding establishments to see the cow herds and the 74 bull calf crop, many of which will be consigned to the annual sale conducted in Ontario in February of each year. All interested persons are invited to attend the tour, Ireland concluded.
