Danny Needs Your Blood

By Vera McCrady

Yes, his name is Danny Moreno. He is the son of Mr. and Mrs. Carlos Moreno of South Second Street in Nyssa. He has a brother, George, and three sisters, Lolita, Angie and Anna.

We have seen a lot of this little family the last four years, as they live at the back of our yard. Danny is a very special young person to his family and to us, as he has had three open heart surgeries in less than three years. That helps to make our two families closer, as Red had open heart surgery in July, before Danny had his first surgery in October of 1972. Then in February of 1974, his second and he underwent his third surgery July 24, 1975.

Danny Moreno

He is a very brave and sensitive little boy who just turned 12 years old on June 21. Medically and physically, he has undergone more than most of us go through in a lifetime. Danny is not going to get to start school this fall as his doctors in Boise want him to get lots of rest and be quiet. When he does get to attend school, his teachers and classmates must realize that Danny is going to need a lot of help and cooperation to help him win his battle and keep him going. All he wants to do is to be healthy so he can run and play like other boys and girls. But he will need help.

Danny never asks for sympathy or complains and unless you ask him how he feels, you probably would never know. He loves building models and this is one of his hobbies that he can do while regaining his strength.

Yes, Danny is trying to get well, but he still needs your help as do many others who have had surgery. Why?? These surgeries require many units of blood, and without blood banks and the many blood donations, these surgeries could not be done. How?? Donate a pint of blood at the Blood Drawing, Wednesday, August 27, at the Eagles Hall, 2 p.m. - 6 p.m. The Chamber of Commerce will set the unit up and the Church of the Nazarene will be hostess.

Donate a pint of blood in Danny Moreno's name to replace some he has used. I'm sure Danny would say "thanks" for helping him to get well. We say "thanks" again for the blood given so generously for both Red and Danny in the last three years. Please help, give a small part of you, so that Danny and many others may become a whole person, healthy and happy, able to run, walk and play.

We are the Moreno's "Grandpa and Grandma McCrady" - Red and Vera.

Fred Robinson Appointed Police Judge

Fred Robinson

Fred Robinson was appointed Municipal Judge by the Mayor and City Council to succeed Judge A. C. Sallee, who is retiring after serving the City of Nyssa in that capacity for 16 years. Robinson will work with Judge Sallee for two weeks before taking over on September 2.

Robinson recently resigned as Director of the Malheur County Juvenile Department, where he served for four years. Prior to that time he was in the U. S. Air Force for 28 years, retiring as a Chief Master Sergeant in 1970. He and his wife have lived in Nyssa since May, 1974, at 501 N. 3rd Street. They have one daughter and she and her husband live in Boise with their two children. They are originally from Joplin, Missouri, where he entered the Air Force in 1942. He has served in many places throughout the world, and for three years was with the Strategic Air Command, making inspections in SAC bases in every part of the world. "I have been associated with Judge Sallee ever since coming to Malheur County with the Juvenile Department, and have the highest admiration for him. I hope I can fill his shoes," Robinson said.

Various School Fees Required For Year

All high school students who have pre-registered for the 1975-76 school year are to report to the high school office any time between the hours of 8 a.m. - 12 p.m. and 1 p.m. - 4 p.m. during the week of August 25-29 to pay fees. All new students will register on the first day of school Tuesday, September 2, which will be a full day. Buses will leave at 3:35 p.m.

On September 2, all students will report to the football bleachers at 8:45 a.m. for orientation. After the orientation session, regular classes will begin.

Required fees are for the use of materials in the general and specialized departments for the year. These fees are for books, \$10.00, towels, \$2.00, and materials for accounting, \$2.00, home-making, \$1.00, and all vocational courses, \$2.00.

There is also an activity fee of \$5.00, which will allow students membership in the Associated Student Body, subscription to the school newspaper, admission to musical programs, to all National school assemblies, to all regularly scheduled home athletic contests and reduced admission to athletic events away from home.

School insurance will be available next week for the year, as well.

Prices for the school yearbook, The Tupelo, are \$6.50, with the student's name imprinted on the cover, and \$6.00 without the name. The yearbook will be sold at the school's opening and the price will be increased by 50¢ on October 1.

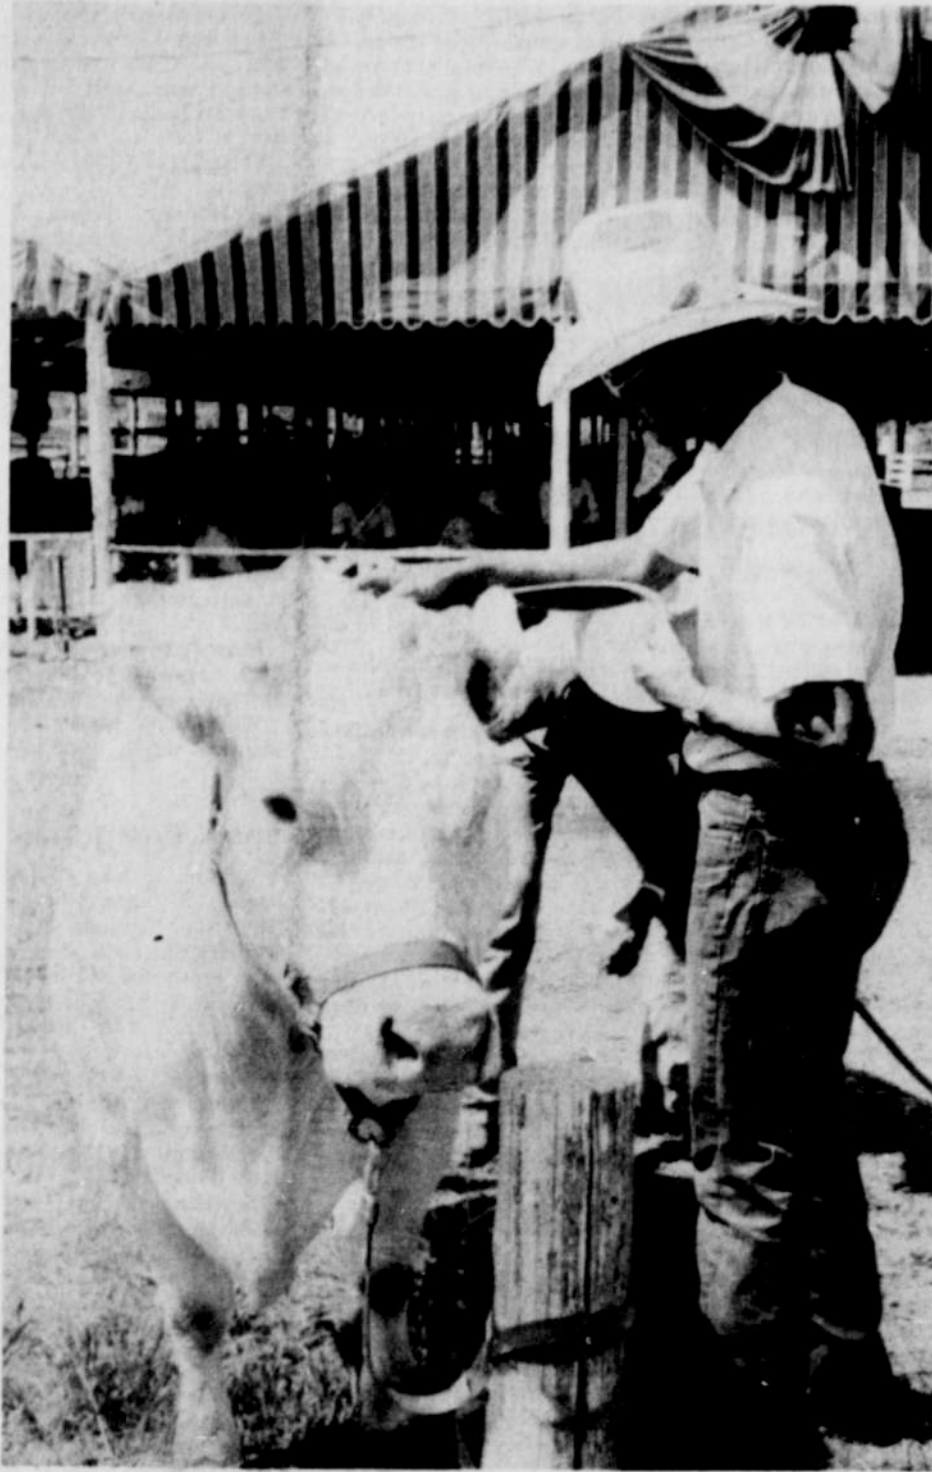

Physical examinations are required for freshmen and all students must know their complete addresses, social security numbers and the distance between home and school.

Nyssa Junior High Principal Dan Martin announced the following fees for seventh and eighth graders: Student Body fee, \$4.; Shop, \$1.00; Student Insurance \$5; Athletic Insurance, \$11; Student Activity Card, \$4; Year Book, \$5.

Each student is responsible for the usual school supplies, notebooks, notebook paper, pencils, etc.

Boys will need white gym shorts, white T-shirt, tennis shoes, socks and supporter for PE classes.

Girls will wear regulation gym suits, available at Brackens, or Wilsons Department Stores. They must have the initial of their first name and all of their last name ironed on the left leg of the gym suit. They also will need tennis shoes and socks.

MIKE PARKER, WITH HELP FROM Les Linegar, gives his Charolais cow, Toots, a bath on the fairgrounds. Mike is president of the F.F.A. for the coming year.

Sheriff Seeking Nyssa Schools Set Free Milk Policy Tack Thief

Western tack valued at nearly \$1,300 disappeared from the tack room at the Albertson Land and Cattle Co. ranch about four miles west of Nyssa and now the Malheur County Sheriff's department has the task of attempting to locate the goods and the thief.

According to the sheriff's department, two saddles in the \$500 range, chaps, bits and spurs were taken from the tack room sometime between 8 p.m. Monday and 7:45 a.m. Tuesday.

A deputy said the tack room, unlocked at the time, was apparently entered by someone who knew his way around at the ranch. A night watchman was on duty but traffic in the area apparently obscured the thief's activities.

Other horse and riding equipment in the storeroom was left intact. The sheriff's department said the equipment taken belonged to some of the employees of the ranch.

Two Bound Over To Grand Jury

Albert Eckley and Joe Rodriguez were bound over to the grand jury on sex charges last Wednesday.

Eckley, 35, was bound over on a charge of first-degree sodomy and Rodriguez, 29, was charged with third-degree rape after a preliminary hearing before Judge E. Otis Smith.

Eckley was remanded to the custody of the sheriff in lieu of \$1,000 bail and Rodriguez is free on \$1,000 bond.

Nyssa Schools Set Free Milk Policy

Nyssa School District No. 26 announced its policy for free milk for children unable to pay the full price of milk served under the Special Milk Program, according to Superintendent W. L. McPartland.

Local school officials have adopted the following family-size income criteria for determining eligibility:

Family Size	Income Levels
1	\$ 3,230
2	4,240
3	5,240
4	6,260
5	7,190
6	8,110
7	8,950
8	9,790
9	10,550
10	11,310
11	12,060
12	12,810

Each additional Family Member 750

Children from families whose income is at or below the levels shown are eligible for free milk. In addition, families not meeting these criteria but with other unusual expenses due to unusually high medical expenses, shelter costs in excess of 30 percent of income, special education expenses due to the mental or physical condition of a child, and disaster or casualty losses are urged to apply.

School Lunch Wednesday

The annual Chamber of Commerce luncheon for the teaching staff and school employees will be held next Wednesday noon at South Park. A box lunch will be served.

Superintendent W. L. McPartland said that school will start Tuesday, September 2, with bus runs the same as last year and school will be in session that entire day.

Principals and secretaries have been on the job since August 11, and all teachers report for duty on August 25. The county in-service for teachers will be on Thursday, August 28 at Ontario High School.

Funds Allocated For Manpower Training

Funds in the amount of \$78,164 have been allocated to Administrative District 14 (Malheur and Harney Counties) to be used for Adult Manpower Training in fiscal year 1976. This is 90% of the initial allocation for fiscal year 1975. Adult Manpower Training is a locally operated employment assistance program administered through the Eastern Oregon Community Development Council. Funds for the program are allocated by the U. S. Department of Labor, as authorized by the Comprehensive Employment and Training Act of 1973, Title I.

under other grants or programs in the district.

The Adult Manpower Training Program is designed to serve economically disadvantaged people who desire to upgrade their earning capabilities and career potential through education, skill training or on-the-job training. Applicants must be 16 years of age and over and out of high school and further eligibility is determined by income and residency.

Activities available for enrolled clients include on-the-job training in both the public and private sector, vocational classroom training, work experience and public service employment. Services include orientation, assessment of personal and training needs, career planning, job counseling, job development, job placement and supportive services.

Applications are now being taken at your local district office at 368 SW 5th Avenue, Ontario.

Owyhee River Studied For Wild Rivers System

The Interior Department's Bureau of Outdoor Recreation (BOR) will lead a Federal-State study to determine if a 115-mile stretch of the Owyhee River, in southeastern Oregon, is eligible for membership on the National Wild and Scenic Rivers System.

Department of Fish and Game, Interior's Bureau of Land Management and the U. S. Forest Service will join BOR in the study effort.

This study will focus on the main stem of the Owyhee's South Fork, from the Oregon-Idaho border downstream to the Owyhee Reservoir. Portions of this stretch are already in the Oregon State Waterways System. Upon completion of the study BOR will report its recommendations as to whether the Owyhee is qualified for the national system and, if qualified, how the river should be classified and which agency or agencies should be responsible for its management. The final decision on adding of the Owyhee River to the National Wild and Scenic Rivers System will be made by the U. S. Congress.

As a first step in the study, BOR will hold several informal public information meetings to explain the processes and goals of the study. The first meetings are planned for 2 p.m. and 7 p.m. on September 10, at the Treasure Valley Community College Student Union in Ontario, Oregon. Two additional public information meetings are scheduled for 2 p.m. and 7 p.m., on September 11, 1975 at St. Bernard's Catholic Church in Jordan Valley, Oregon.

The Owyhee study is required by the National Wild and Scenic Rivers Act which names the stream as one of 56 rivers, in all parts of the Nation, to be studied as potential additions to the national system. The Parks and Recreation Branch of the Oregon State Highway Division, U. S. Fish and Wildlife Service, Oregon

The National Wild and Scenic Rivers System was created in 1968. It contains 12 of America's finest wild, scenic and recreational rivers including three—the Middle Fork of the Clearwater, Idaho; Rogue, Oregon and the Middle Fork of the Salmon, Idaho—in the Northwest.

Cyclists To Be Cited If Violating Bike Laws

As the school year fast approaches the thoughts of bike riders becomes a great concern for the Police Department. In an effort to prevent accidents we caution parents to instruct their children regarding bicycle safety.

Regulations are listed: ORS 483.034 states: Every person riding a bicycle upon a roadway is subject to the provisions of this Chapter applicable to the driver of a vehicle.

Quite frequently officers are witnessing violations of the traffic laws by bike riders. In the future, written warnings will be mailed to the parent of the violator and a copy will be sent to the Juvenile Department. Offenders stopped for a second time will then receive a citation and will be required to appear in juvenile court.

In addition the Nyssa City Code prohibits riding on sidewalks and riding at a speed greater than is reasonable and prudent under the conditions existing.

To better acquaint the parents and youngsters, the following State and City

No parent of any child shall authorize or permit a minor child to violate any of the provisions of this chapter. Parents should also remind their children to register their bikes at the Police Station. This registration is most helpful in cases of theft or loss. There is no charge for this service.

REP. AL ULLMAN, right, visited with Nyssa residents last Wednesday morning at the Twilight Cafe. Chamber of Commerce President Jake Fischer was chairman of the meeting.

During the breakfast Ullman was called to the phone (behind his head), and was overheard talking to Rogers C. B. Morton, Secretary of Commerce. As chairman of the House Ways & Means Committee, Ullman is seldom very far away from his important duties, even when home in Oregon.

NYSSA FIREMEN RESPONDED TO four fires last Thursday, this one north of Columbia near Third Street. Two other grass fires and an apparent set fire in the mailbox of the Meridean Robbins home kept firemen busy until midnight.
