Matthews Chevrolet Company

When every car maker has such a wide selection of models to choose from, it is really difficult to decide where to go for your new car. All companies advertise that their cars are the best, but who is to say which one really is. Matthews Chevrolet is right on target to deal with today's energy crisis and is providing an outstanding selection of economy engineered automobiles.

The ideal dealer to buy a car from offers a fair price on a new unit as well as an honest dollar for the car you trade in. However, the most important factor is the results of your investment in the filling of your present needs for real economy. They are one of Snake River Valley's most complete sales and service facilities. They also carry a fine line of used cars.

The writers of this Review would like to point out a dealer that considers the most important part of selling a car, is the quality service he can offer you after the sale. We are talking about Matthews Chevrolet Company in Ontario, phone 889-7272, dealers for Chevrolet automobiles. See them today for a new or quality used car, and you'll see why we say "customer consideration" is their byword.
