VISA texturized polyester fabrics are more comfortable to wear and easier to care for than ordinary polyester fabrics.

* This Visa fabric transports perspiration to the surface of the fabric where it evaporates, which makes it more COMFORTABLE to wear in any weather.

* This Visa fabric RELEASES soil and stains when properly washed.

* This Visa fabric will not pick up soil from other garments in the washer and so remains BRIGHTER.

* This Visa texturized polyester fabric has far less static than ordinary textured polyester and so has less tendency to cling to the body.
