Garden Clubs To Plant on Arbor Day

Town and Country and ANK Garden Clubs will observe Arbor Day, Friday, March 26, by planting trees and doing a clean-up job of the grounds of Malheur Memorial Hospital.

Citizens of Nyssa are urged to plant trees, shrubs and flowers and take advantage of the city's free pick-up service which they have made available and helpful.

Members of the Siempre Adalante Club last fall were most helpful in promoting clean-up and will continue. The students at school have been alerted to inform their parents of Arbor Day. A list of vacant lots and their owners have been compiled and appropriate action will be taken to get the lots cleaned. If owners cannot get their lots cleaned, call the city and they will clean and bill the owner.

Pictures of some alleys are on display in the Library. Is yours there?
