Beautiful Wheat Germ Bread For Easter and Day After

Hot Cross Wheat Germ Ring Festive for Easter Morning

On Easter morning what could be nicer to brush than a hot cross wheat germ ring! Inspired by the traditional hot cross buns of the season, this delectable yeast bread is extra festive and special. The light golden bread is enriched with high protein wheat germ and flavored with raisins, cinnamon and cloves. It even has a luscious filling of almond paste and wheat germ—a nicely moist and sweet combination. Just follow the easy instructions for filling and forming the dough into the attractive ring with the crisscross top.

HOT CROSS WHEAT GERM RING

1/4 cup milk
6 tablespoons butter
1 package active dry yeast
1/4 cup sugar
1 teaspoon salt
2 eggs
1/2 cup vacuum packed wheat germ (reg.)
1 teaspoon cinnamon
1/4 teaspoon cloves
1/2 cup raisins
2 1/2 to 3 cups flour
Wheat Germ Almond Filling
Egg Wash
Heat milk and butter together until warm to touch, about 100 deg. Butter does not have

to melt completely. Pour into large bowl. Sprinkle with yeast and stir until dissolved. Stir in sugar, salt, eggs, wheat germ, cinnamon, cloves and raisins. Add enough flour, a little at a time, to make a soft dough which leaves sides of bowl. Turn out onto floured surface. Knead, adding flour as necessary, for 5 minutes, until dough is smooth and elastic. Roll into 15x8-inch rectangle. Transfer to baking sheet. Spoon Wheat Germ Almond Filling in strip down center. Snip dough from outside edges of rectangle to 1/4 inch from filling at 1/2-inch intervals. Join end of strip #1 with end of strip #2 from opposite side. Repeat to form crisscross. Continue pattern entire length of dough. Join ends to form a ring. Brush with Egg Wash. Cover loosely with plastic wrap. Let rise in warm, draft free place about 45 minutes or until doubled. Bake in 350 deg. oven 25 to 30 minutes or until golden. Drizzle with powdered sugar glaze, if desired. Makes one breakfast bread.

Wheat Germ Almond Filling: Crumble 1 (8-ounce) can almond paste. Beat in 1 cup wheat germ, 2 eggs and 1/4 cup EACH butter and sugar. **Egg Wash:** Mix together 1 egg and 1 tablespoon milk.

Note: Wheat germ with sugar & honey may be substituted for regular.
