Twelve girls representing the Adrian Chapter and Home Ec teacher, Mrs. Feasonhiser, left for the Portland area March 31. We toured the city and Pendleton Woolen Mills. The convention and activities were very interesting.

The Adrian girls' track team is really shooting high. April 14, we competed in the Greenleaf Friends Academy Invitational held at Nampa Christian and came away with a trophy for 1st place. Five schools were competing. Coach is Raymond Maynard and assistant coach is Carol Shultz.

At the banquet, Glenn Ward was special guest speaker and Erick McKaig from KSRV sang the seniors' theme song, "Theme from Mohogony." Gentle Ben provided the music at the Prom.

We have some advice for you...

Energy Conservation means more than just turning off the lights

Because the lighting load accounts for only about four percent of a typical home's energy consumption, turning off an unnecessary light really doesn't save much energy.

But we still think it's a good idea. For one thing, it does save a little energy. More important, flipping the switch on an unneeded light can reinforce energy-saving habits.

So by all means, turn off lights you really aren't using. But in the meantime, there are other steps you can take to achieve significant energy savings, and we would like to help.

For information on how you can reduce waste in your home's energy use, call your local Idaho Power Company office and talk to an Energy Adviser. He or she will visit your home and help you plan an energy efficiency strategy that can cut waste and save you money.

Call today. It's free.
