

## Walkathon Winners Receive Prizes

There were 129 kids from Nyssa and Adrian who rode on three school buses April 17 to Ontario to see the Walt Disney movie "No Deposit No Return." This was a special prize donated by the Centre Theater for all the kids who walked for the March of Dimes.

Upon returning to Nyssa the awards were presented at the Nyssa South Park. Each participant received a certificate and special awards were given.

The grand prizes of two bicycles were awarded to Cindy Wada of Ontario, the girl collecting the most money (over \$400.00) and a Vale boy, Tony Guericca, for the boy turning in the most money, over \$287.

Debra Ulrey collected the most money for Nyssa, \$284.81, and won a pocket calculator from Michael Pharmacy.

Arthur Leok of Adrian collected \$181.20 which won him a Mickey Mouse cake. Carlos Galindo was third with \$90.00 and received a Donald Duck cake.

Oldest walker was Jose Martinez, 38, a fishing pole from The Nyssa Co-op. The youngest was Robert DeLeon 6, a \$10,000 Pyramid game from the Nyssa Merc. Blas Guerra Jr., was the first to walk the 24 miles receiving a transistor radio from Fiesta Farms. The Jose Martinez family won a family dinner for four from Brownies Cafe for having the most family members to walk. Debra Ulrey had the most sponsors (64) winning a wrist watch from Paulus Jewelry.

Brad Thompson won a Donald Duck cake for being the very youngest to walk although he did not qualify for the regular prize.

A drawing was held for a Winnie the Pooh cake with Elias Fraga Jr., being the lucky winner.

Nyssa and Adrian had over \$3,800 pledged with over \$3,000 being collected. Hopefully the rest will be collected by the end of this week.

Adrian had 29 walkers and these 29 walkers collected \$768.64.

The Nyssa Grade School has turned in collections amounting to \$1881.14.

## Sage of Nu Acres

By Lyn Dohner

To escape the tears of Mother's Day, George and I skipped church and drove to Owyhee Dam instead, and felt guilty all the way up and all the way back.

The stark beauty, the overwhelming grandeur of the canyon trip was not lost on us. However, we missed the lofty pines of "our own hills." This trip is short, and George would only spare so much time away from the farm with irrigation going on.

Mr. and Mrs. Paul Russell went to Caldwell for a Mother's Day dinner with Mrs. Earl Russell.

Among the finalists giving a recital in the NATS at NNC was Mrs. Roy Evans, (Kathie), daughter-in-law of Mr. and Mrs. Cecil Evans of Nu Acres. A mezzo-soprano, Mrs. Evans is a senior at Idaho State University at Pocatello.

Mother's Day was celebrated at the Cecil Evans home with a family picnic on the lawn. Guests attending were Mr. and Mrs. Larry Ziegler, and family; Mr. and Mrs. Gerald Russel and family; and Mr. and Mrs. Frank Ziegler.

The Fruitland Fair was great, but hot, hot, hot! There was a parade featuring antique cars and tractors and lots of kids.

For food, the men of the Lion's Club put on a delicious barbecued chicken dinner.

Actually a vocational fair; it gave an opportunity for Future Farmers of America, Future Homemakers of America, the 4-H clubs, and the Art Departments of both Junior and Senior High Schools to display their work and abilities.

Exhibits and competition in cooking and sewing were all fantastic. The children do beautiful work.

Livestock shown were all quite young, the same animals that are being raised and groomed for the fall fairs.

Lots of prizes and ribbons were awarded, and the Nu Acres youngsters made a good showing, with a number of blue ribbons and several purple ones. The whole fair experience was great as a sort of a preview of what will happen, come fairtime.

Surprise visitors at the George Dohner home Monday were Mrs. Terry Terrall and Mrs. Ray Castro of Payette, who had just been to Parma to deliver a bag of thirteen fleeces of wool. Seems the Terralls are gradually shifting their stock from goats to sheep.

They said it was interesting how that after being sheared, the sheep didn't know each other, the babies and mothers, at first, didn't recognize one another, nor know who belonged to whom. All carried on and cried for several hours before getting, somehow, straightened out.

The Terralls are planning, now, to dispose of their some sixty to seventy-five goats. Anybody want a goat? Mr. and Mrs. William Grasmick celebrated Mother's Day by having dinner

**Adrian Garden Club Meets**

The group set May 20 for a trip to Leslie Gulch.

Betty Samer brought a beautiful tied spread, 42 by 60 inches, for the Malheur Nursing Home. The colors are red, white and blue.

at the Charolais and afterwards visiting their daughter and family, Mr. and Mrs. Bill Burt, in Ontario.
