Miners Return From South Dakota Trip

Mr. and Mrs. Harry Miner returned home Thursday evening from a four-week, fun-filled vacation in South Dakota.

They spent ten days in Huron, South Dakota where they were honored with an anniversary dinner to celebrate their 52 years together. This was held at the home of Mrs. Miner's sister. Among the special guests were three of their high school friends. On Sunday, June 6, another sister was hostess for a family party.

On June 12, they went to Highmore which was where they formerly lived. They attended three 50th Anniversary parties of friends and also a Bicentennial Style Show. Some of the gowns worn were 125 years old.

Each year, Highmore holds an Old Settlers Day and this being the Bicentennial year they had a special celebration on the 19th. Each of the 50 states were represented with floats in the parade, as well as the high school band in full uniform. A Shriners Motorcycle Club of Huron, a demolition squadron as well as many more floats of churches and organizations made this a most impressive parade. The parade lasted one and one-half hours.

In the evening they had a musical "Where The West Began," followed by a dance. This is an annual event when all the former Highmories plan to have their vacation. Needless to say the Miners saw many people that they hadn't seen for forty years.

From there, they visited relatives and went to Spearfish, South Dakota. At

Sturgis, they visited the Black Hills National Military Cemetery, "The Arlington of the West." They returned home with many memories and much pleasure at having renewed so many old acquaintances.
