Nyssa schools are scheduled to start the fall session Monday, August 29, according to School Superintendent W. L. McPartland. The break released about 400 second feet of water, which passed across the Ben Shaw place and two other ranches before crossing the canal.

The extensive growth and development of the towns in the lower Snake river valley during the last year were revealed in reports given by Chamber of Commerce secretaries at the quarterly dinner meeting of the associated Chambers of Commerce of Southwestern Idaho and Eastern Oregon in the Moore Hotel in Ontario Monday night.

Harry Anderson, livestock man connected with The First National Bank of Portland gave an interesting talk at the Commercial Club luncheon Wednesday. Mr. Anderson's contention is that the country is in better financial condition today than at any time in the past several years.

As proof of this statement he said he traveled quite extensively over the Northwest states and this year he finds far less people hitch-hiking down the road than formerly. In years past it was not uncommon to see family after family walking down the road. Now it is rare to see more than a few men on the road.

pletely destroyed the sight of his left eye. Although suffering immense pain, he was able to walk to town and Dr. Sarazin gave all the relief possible and he was later taken to the hospital at Salt Lake for an operation.

The Misses Gertrude Wilson and Louise Robertson entertained their friends at the home of Miss Wilson last Friday evening at a lawn party. These young ladies have a well-earned reputation for giving delightful parties and the "bunch" turned out in force on this occasion, sure of having an

enjoyable time. They were not disappointed, as the affair was conceded by all to be one of the happiest of the social season. Outdoor games were played and the boys made the discovery that lawn grass makes a fine substitute for confetti. By utilizing this knowledge they extracted

much amusement therefrom at the expense of the girls. Dainty refreshments of ice cream and wafers were served at midnight, making a perfect ending to a delightful evening.
