By Oscar B. Bratton, Malheur County Assessor

In the general election of 1974, Oregon voters passed the Assessor Qualification Ballot Measure No. 6. In the 1975 Legislative session, further qualifications were established with Senate Bill 678. These qualifications have now become a part of ORS (Oregon Revised Statute) 204.016. This law now reads in part, "A person is not eligible to be a candidate for election or appointment to the office of County Assessor unless: (a) He is qualified as a certified appraiser or is an appraiser trainee under ORS 308.015 and if an appraiser trainee, becomes a certified appraiser within two years after taking office; and in addition (b) He either has two years of office management activities; or has two years of full-time employment in the office of a county assessor."
