

MRS. HANNAH BURBANK, a long time resident of Nyssa will officially celebrate her 87th birthday, Friday, July 30. However she was honored by members of her family Saturday evening at the home of her son, and daughter-in-law, Mr. and Mrs. Leslie Burbank with a barbecue. The traditional birthday cake with white frosting and decorated with pink flowers and the words, "Happy Birthday, Mother and Grandma" made the party a complete success.

**Tribute To Hannah Burbank**

In 1947, Mrs. Hannah Burbank purchased her home on North Second Street and was our neighbor. She was soon to become our babysitter and thus became our friend. Through the years she filled in as mother to Bill and Nellie, and she is the only grandmother our younger children remember. Our religions are called a different name, but we share the same God. We have a beautiful friendship, and a need for each other. Raising our family was made easier because of her help.
