Special Program For Handicapped

A special open house, program and refreshments will be held at the Mary Kay School for exceptional children at 8 p.m. on Tuesday evening, September 21, in Ontario at 98 S. W. 9th. Several speakers have been contacted to present brief reports about each of the seven facilities for handicapped persons, who are currently serving the residents of this Treasure Valley area.

Among the speakers to appear on the program are Shirley Heppner, director of the Mary Kay School and Ron Guyer, Special Education consultant. Special reports will be presented from the Child Development Center in Payette; the Treasure Valley Opportunities, Inc., which is a sheltered workshop and training facility for handicapped; the activity center, which promotes and encourages social activities; the Group Home; and the Transitional Living Facilities.

Everybody is invited to attend this meeting. Especially those who may have friends or relatives who could benefit from the services of any one of these facilities. Or, perhaps you are interested in becoming a volunteer helper, or supporter of one of these fine facilities.

The Treasure Valley Association for Handicapped and Retarded Citizens, Inc., is sponsoring the open house and encourages you to become a member of this active group which has been instrumental in obtaining these various facilities for the handicapped of our area.

Parents of Mary Kay students—we need your attendance at our meetings—for in reality this is the equivalent of the PTA or PTO in the other school which many of you support faithfully. We look forward to seeing many of you at this meeting.
