

OUT OF THE PAST

10 YEARS AGO

Dennis Spitze and Donald Arai were the third and fourth Nyssa students to place as finalists in Merit Scholarship competition at Nyssa High School.

Dennis was graduated from NHS in 1959 and received his bachelor of science degree in social work at Oregon State University. He worked for three years in the public welfare department of Lane County, Oregon and at the present time is a graduate student at the University of Denver's School of Social Work. He is the son of Mr. and Mrs. Melvin Spitze of the Arcadia community.

Don is a 1962 graduate of Nyssa High and was granted his bachelor of science degree in psychology at Stanford University in 1966. He is currently enrolled in the University of Oregon Medical School at Portland. His parents are Mr. and Mrs. Fred Arai of Route 2, Nyssa.

International Order of Job's Daughters, Bethel 33, held a regular meeting in the Masonic Hall with Honored Queen Shelia Huffman presiding.

The ceremony of initiation was conducted for Jill Franklin, daughter of Mr. and Mrs. Charles Franklin of Adrian and Marilee Wilson whose parents are Mr. and Mrs. Bob Wilson.

20 YEARS AGO

Nyssa students will have their first opportunity to eat their noon meal in the school's new cafeteria next Thursday, November 1. A few minor items have not yet been delivered and a few replacements are necessary to have facilities ready for operation Superintendent R.V. Wilson announces.

This area had its first snow storm Tuesday, but wet flakes were interspersed with down-pouring rain that melted the snow before it hit the ground.

30 YEARS AGO

A contract for the architectural work on the proposed Malheur Memorial Hospital was signed with Roald, Harrington and Schmeer of Portland at a meeting of the board of directors of Malheur Memorial Hospital Association in the City Hall Monday night.

Plans were further developed for the renewed financial campaign, which started November 15. The entire territory has been mapped and each district has been outlined for the solicitors.

Many windows have been broken in business houses and semi-public buildings during the past few weeks, city officers announced. The greatest damage has been caused to the Episcopal Church where 40 window panes were broken recently. Windows were also broken in the Herriman Motor Company Garage, the Masonic Hall and pump-house No. 3. Children are believed to have caused the damage. The Episcopal Church has offered a reward for the apprehension of the culprits.

OWYHEE COMMUNITY CHURCH

The ladies of the Owyhee Community Church held their regular monthly meeting at the home of Mrs. Bill Boors in Ontario on Tuesday.

The devotions were by Mrs. Fred Moxom. Plans were discussed for the church banquet which will be held sometime in November.

Mrs. Dorothy Pattee had a surprise birthday cake for her mother, Mrs. Clara Corfield who celebrated her 83rd birthday.

40 YEARS AGO

The Dwight Smith family are moving into their new home, which was recently completed under the direction of Lon Root. The new home contains five rooms, bath, sleeping porch, full basement; and has numerous little fixtures to make house-keeping easier for Mrs. Smith.

The old house was torn down and the new home raised on the same site. While their house was being built, the Smith's made their home in their large and commodious garage. Their new home is one of the nicest homes in Nyssa and stands as a monument as to what can be done through the plan of Federal Housing Administration.

50 YEARS AGO

Forty-three Nyssa hopefuls turned out for the first basketball practice Wednesday night at the call of Coach Howard Lovejoy. Only three lettermen, Don Herren, Bob Church and Jerry Bellon are in uniform.

This year's prospective team is faster than the team of 1945-46 and are smaller, but better ball handlers.

In addition to the lettermen, most of the other boys have had considerable experience, so that Coach Lovejoy expects a good team this year.

Mrs. Gerrit Stam sent her 100th package to Holland last week and mailed five more to families who are in need. The packages were sent to a children's home and to Mrs. Stam's friends who distributed the clothing and other articles to needy families.
