### CORRECTION

We regret this error and hope we haven't damaged anyone's image.

A bronze star medal for meritorious service while on duty in Vietnam was awarded to Lt. Col. Ralph Maze, deputy inspector general at Fort Carson, Colorado. Brig. Gen. Charles Horner, Jr. acting commander of the Fifth Infantry (Mech) Division and Fort Carson, presented the award. The honoree is the son of Mr. and Mrs. W.E. Maze of Nyssa.

### 20 YEARS AGO

Phyllis Cheldelin, daughter of Mr. and Mrs. O.E. Cheldelin of Nyssa, a junior at Oregon State College in Corvallis, has been named one of 51 junior students to receive a junior award for outstanding scholastic achievement.

Miss Cheldelin, a 1954 graduate of Nyssa High School, is majoring in elementary education.

The wettest October in history has slowed area-wide sugar beet harvesting and limited the harvest to 43 per cent of normal. Jed Lewis, district manager of Amalgamated Sugar Co. said Wednesday. Eleven different days of rainfall during the month brought the total of 3.12 inches at Nyssa while the Nampa factory recorded 1.97 inches.

Monday it was possible to dig a small part of the crop, but only 40 per cent of the normal amount for that day was delivered at Nyssa.

Fields were so wet Tuesday and on into Wednesday, dumps were not receiving any beets.

### 40 YEARS AGO

Roosevelt was re-elected in Tuesday's balloting by an all time high for electoral minorities. Only two states, Maine and Vermont, with a total of eight electoral votes went to Landon and Knox while Roosevelt and Garner collected 523 votes. The new deal, popular plurality will reach around 9,000,000 as the final returns drift in.

In Oregon Roosevelt received approximately a two to one majority, gathering 154,080 votes to 76,623 for Landon out of 1225 precincts reported. In Malheur County Roosevelt received slightly more than twice the popular vote.

A royal welcome awaited Dr. J.J. Sarazin Wednesday evening after a trip to Michigan. Several of the leading citizens were there, with the fire truck standing ready, as Frank Edwards presented the doctor with a huge bouquet of ripe sunflowers, the group escorted Nyssa's leading Republican to a choice seat on the fire buggy.

The trip through town created a huge wave of excitement. Seated in the place of honor was Doctor Sarazin, holding the faded sunflowers in a tight grip and smiling a typical Roosevelt smile.

We cannot say the doctor was exactly surprised at the unusual welcoming committee. A telegram sent (collect) earlier in the day had forewarned him that things were not at all settled and that his presence was needed in Nyssa. The first words of the telegram must have warned him that things were very bad when he read: "Hurry back, country gone to h---", Frank Morgan. "Meet you at the train with ambulance" Jess Thompson. These and similar condolences, signed by several dozen Nyssa people, caused Doc to pungle up a perfectly good five dollar bill to see what the mysterious collect telegram might contain.

The doctor could not be reached for a statement today, but it is said on good authority he has been in conference with himself all day trying to figure out if the G.O.P. machine is worth repairing.

each made 5 or 10. We sprinkled them with powdered sugar and ate them. There were many different irons. Some of them were a flower, a butterfly, a heart, a diamond, a club, a spade and a Christmas tree. There were more.
