Furniture Workshops Offered In County

Because of the current interest in learning to refinish furniture, Oregon State University Extension Service will be offering a series of workshops in Malheur County this spring. All persons interested in learning to refinish wood furniture should plan to attend an organizational and informational meeting on March 10, 7:30 p.m. at the Malheur County Library in Ontario.

7th Grade Girls Have Two Wins

Seventh grade girls have won their last two basketball games against Weiser, February 24, and Fruitland, February 17. In the first quarter of the Weiser game, the girls scored 22 points. Lisa Allen was the top scorer making with Patsy Estrada, Sheila Johnson, Jolene Atagi, Lisa Sarazin, Pearl Apodaca, Tracie Burbank, Vickie Guerra, and Lili Longoria all contributing points for the 36-12 win.

Kim Jackson was the high point girl in the win over Fruitland, and Patsy Estrada was the top scorer for the Nyssa girls in the loss to Vale, February 10.

The next game will be with Payette, March 3, at Nyssa.

Helen Conner, Extension Home Economist, who will be conducting the workshops says that those attending the meeting on March 10, will be divided into small community groups and dates and times will be set for the actual workshops. Discussion at the organizational meeting will include much basic refinishing information as well as projects to refinish and supplies needed.

Few homes are without one or more pieces of furniture that the owner would like to see refinished. However, Mrs. Conner said, most people are hesitant to tackle an unfamiliar job such as refinishing furniture without guidance. The workshops will provide this guidance as well as information on refinishing techniques and finishes.

If people have questions they could call 889-9129.

Horse Leaders To Meet Tue.

The Malheur County Horse Advisory Council will meet Tuesday, March 8, at 8 p.m. in the County Library. All 4-H Horse Leaders are urged to attend. Parents, youth and other interested people are encouraged to come.
