Report of Hospital Auxiliary Activities

National Hospital Week
May 8-14, 1977

May 8 to 14 will be a time for Malheur Memorial Hospital and Nursing Home to spotlight services it provides all year. The period has been designated National Hospital Week throughout the county.

"This year's theme, 'We Put the Care in Health Care,' salutes hospital people for preserving the old-fashioned quality of caring while providing the most modern medical treatment," according to Jim Mattes, administrator.

National Hospital Week is an annual observance sponsored by the American Hospital Association and its 7,000 members to give people an opportunity to learn more about the hospitals in their community.

The Hospital Auxiliary invites friends and relatives to attend their Mother's Day Tea, Friday, May 6, at 2 p.m. for the Nursing Home Residents. It will be held in the recreation room of the Home. More activities will be featured in June in conjunction with the auction sponsored by the Malheur Memorial Hospital Auxiliary. Watch for more information on this upcoming event.
