EDITOR'S LETTER TO THE PEOPLE

This really isn't an editorial. Perhaps it would be better called a letter to the people, after all, people write letters to the editor.

Friday night I was asked to attend a dance. This was not an ordinary dance, as after all, how many dances do you know of that start at 6:30 p.m. and end at 8:30 p.m.?

Most of the men and women in attendance were in their 70's or older and one gentleman told me he was 76 years young. Many of the people came in wheelchairs but this didn't stop even some of those from dancing. In case you haven't guessed by now, this dance was held at the Malheur Memorial Nursing home.

Besides the nursing home residents, there were other people from the community present, young and old alike. It is these people that deserve recognition for what they have done with this dance. It's really great and even those residents who didn't or couldn't dance enjoyed the music. The music was furnished by Joe and Betty Hopper and family, who thanked the people at the nursing home for letting them practice on them.

To the nursing home, the hospital, and those who work with these senior citizens, I would like to commend you because I know you made these elderly people very happy.

I AM YOUR FLAG

I was born June 14, 1777.

I am more than a red - white and blue design..

I am the refuge - of oppressed people of the world.

I am the dedicated symbol of freedom..

I AM YOUR FLAG.

I am the emblem of the greatest sovereign nation on earth.

I am the inspiration for which American patriots gave their lives.

I have led your sons - fathers - and brothers into battle from Valley Forge to the bloody fields of Viet Nam.

I walk in silence with each of your honored dead,

I drape the casket for their soldier's bed.

I have flown through peace and war, strife and prosperity,

and amidst it all, I have not been replaced.

I AM YOUR FLAG.

My red stripes symbolize the blood spilled in defense of this nation.

My white stripes signify the tears shed by the nation when a loved one was lost, or died on the battlefield.

My blue is indicative of God's heaven under which I fly.

My cluster of stars unify 50 states as one, our country.

I AM YOUR FLAG.

OLD GLORY IS MY nickname and proudly I wave on high.

Honor me - respect me - defend me - with your honor and lives.

Never let my enemies tear me down from my lofty position,

lest I never return.

Keep alight the fires of patriotism, strive earnestly for the

spirit of democracy-worship God under His freedom-

KEEP HIS COMMANDMENTS and I shall remain Your

Emblem of Peace and Freedom for all Mankind.

To Russia
with Love

This gripping motion picture speaks to the heart. Many of the shots were filmed inside Russia and give eloquent testimony to the fact that hunger for the Word of God is very real in that land of multiple closed churches. It graphically portrays life today for many thousands of Christians in the communist third of the world.

Secret arrangements were made in advance for an English-speaking Russian Christian to rendezvous with a UE photographer on a visit to Russia. The two met quietly at the appointed hour, and for the next few weeks

Letters to the Editor

Editor, The Journal:

Enclosed is a copy of a letter sent to Senator Packwood, Sen. Hatfield, Rep. Ullman and also to President Carter, with appropriate variations.

Dear President:

So much is being said about your great concern for human rights and I wish to express my personal concern for the human rights of the people of the United States of America in whose employ the president of the U.S.A. should give first and foremost consideration to our rights, our needs, our freedoms.

As you seek God's guidance, and as a born again Christian I presume you do, so, here are a few things you might bring before the throne of grace.

Stop financing Communism; Stop the killing of babies in abortion; Defeat E.R.A.; End bureaucratic harassment; Put prayer and bible study back in school; Reject genocide in Cambodia No homosexual legislators; Don't surrender Rhodesia to the Communists; No normal relations with Castro; No normal relations with Red China; Save the Panama Canal; Save Korea and Taiwan; Thumbs Down on Andrew Young and the U.N.; Save George Vins, Reject the metric system.

Please get in there and fight the good fight of freedom or we will be the U.S.S. Russia before long.

Sincerely
Gladys Bourdlaies

Former Pastor
to Visit Nyssa

The Reverend and Mrs. Art Coates, along with other members of the family will be visiting in the Nyssa area this week, from June 10 through 12. Reverend Coates is the former Pastor of the Nyssa Conservative Baptist Church, and will be sharing in the Sunday School and Morning Worship hours, June 12. He will be bringing the sermon that day. A potluck get-together is being planned for Saturday evening, 7:30 p.m., June 11, at the Mike Stam home. All friends of the Coates are invited and asked to please bring a main dish and a salad or desert.

The Rev. Coates was pastor of the Nyssa church in some of its earlier years and took the church through the building of the present facilities. He is currently pastoring at Prior Lake, Minnesota and will be sharing some of the leading of the Lord concerning the work there, while he is here.

The public is encouraged to share in the potluck and also in the Sunday School and Morning Worship hours, June 12.

our cameraman captured a revealing glimpse of the underground church at worship. He found himself deeply moved by what he saw... the closed churches, the status of Christians living under Communism. To Russia With Love faithfully records all this.

"This film was one of the most difficult projects we've ever undertaken," L. Joe Bass, Founder-President of Underground Evangelism declares. "We sent a professional photographer with minimum equipment into Russia to obtain the necessary shots, for the sight of much professional camera equipment would be enough to put the KGB on a foreign photographer's trail 24 hours of every day. Our man was able to lose himself among the vast crowd of tourists in Moscow and go on his way unchallenged and unmolested. The result was some of the finest behind-the-scenes shots we have ever seen."

An actual border crossing, which helps portray Underground Evangelism's worldwide, Bible-smuggling ministry, is also seen.

During the first part of the film, the voice of Stefan Bankov, a young Christian lay pastor whose escape to the West with his wife and two children is dramatized in the film, is heard speaking in Bulgarian. English overtones are those of our narrator.

The public is cordially invited to view this exciting and informative film to be shown at 11 a.m., Sunday, June 19, 1977 at the Nyssa Conservative Baptist Church. A freewill offering for Bibles will be received at the close of the showing.
