Get the Scoop on Summer.

Discover the "Ins" and "Outs" of Ice Cream!

Although ice cream is everyone's year 'round favorite dessert, in the summertime, it really can't be beat! But, it can be "topped" . . . with an outside coating of imaginative sauces. Or, pack a few scoops inside desserts for a cool, surprise filling.

Do your family a flavor with one of the nice cream ideas below, and remember . . . because ice cream is made from "Milk, the Beautiful Food," it's more than a fun dessert . . . it's a wholesome, nourishing dairy food, containing important vitamins and minerals. And ice cream is easily digested, so these nutrients are readily available to the body!

Ice Cream "Ins":

- Try a scoop inside baked Oregon apples or pears.
- Layer a crumb pie crust with ice cream and fresh Oregon peaches.
- Use ice cream to "stuff a puff" or éclair.
- Hollow out an angel food cake and fill with your favorite ice cream flavor.
- Make ice cream sandwiches with brownie squares, large sugar or oatmeal cookies, waffles or toasted pound cake.

Ice Cream "Outs":

- Roll large scoops of vanilla or chocolate ice cream in salted peanuts. Serve with chocolate sauce.
- Make a tangy Pine-Apple Sauce: Mix 1 cup fresh or canned applesauce with 1 1/2 cups crushed pineapple. Spoon over ice cream. Makes 2 1/2 cups.
- Mix up a crunchy Peanut Sauce: Combine 1/2 cup butter, 2 tablespoons flour and one cup water in saucepan. Cook until slightly thickened, stirring constantly. Add 3/4 cup chunk-style peanut butter. Stir to blend; remove from heat. Stir in 2 1/2 cups sifted confectioners' sugar and blend until smooth. Serve hot or cold on scoops of ice cream. Makes three cups.

Milk, the beautiful food.
