Only one out of eight children not present were Ben and Ann Hieter of Boise.

This was a complete surprise to our mother, Esther (Hieter-Reitenbaugh) Wooden, and stepdad, Bill Wooden.

This was the result of a request of Mom's three months ago, when visiting us in Nyssa and an answer to prayer. She mentioned the desire to have us all together again for a family picture. It was God's perfect timing, for Mom is in Heaven now as of August 19, 1977, just two weeks after the reunion and seven days after their 5th wedding anniversary.

For that back-to-school shopping spree...

It's the convenient way to buy.

Jan Patterson, left, of the Nyssa Rexall Drug is shown explaining the advantages of doing back-to-school shopping with your VISA card to Mrs. Lillian Cannon.

With school just around the corner, it's time again to get out your shopping list and prepare for that annual event... the back-to-school shopping spree.

And what better way to help you with your shopping than by taking along a First National VISA card.

With VISA you can buy those needed back-to-school items at stores all over town. And because merchants accept this one convenient card for all your purchases, there's no need to carry large amounts of cash.

Another great feature of VISA is that you receive just one bill, no matter how many purchases at different stores that you might make. So that means you only have to write one check for everything. Or, if you prefer, you can make convenient monthly pay-

ments to your VISA account. If you would like to apply for a VISA card, or increase your present credit limit, inquire at your local First National branch. We'll be glad to help.

There's a 1st time for everything.
