STATE OF OREGON

Tuesday, November 8, 1977

Mark a Cross (X) or a Check (✓) in the Voting Square After the Word "YES" or After the Word "NO."

Referred to the People by the Legislative Assembly

1 WATER DEVELOPMENT LOAN FUND CREATED—Purpose: Proposed constitutional amendment permits state bonded indebtedness, limited to one and one half percent true cash value of property in state, to create Water Development Fund. Fund would finance loans for irrigation and drainage projects and water development projects. Secured payment required. Bonds to be repaid by loan repayments, or, if repayments inadequate, by ad valorem tax levied on all taxable property, or by supplementary or replacement revenue provided by Legislature. Enabling legislation required.

YES ☐

NO ☐

ESTIMATE OF FINANCIAL EFFECTS: Based on an estimate of Oregon's 1978 taxable property this constitutional amendment would establish a maximum bonding limitation of \$658.5 million to provide for the Water Development Fund.

2 DEVELOPMENT OF NONNUCLEAR NATURAL ENERGY RESOURCES—Purpose: Repeals Oregon Constitution Article XI-D, Section 3. Creates constitutional provision requiring legislature to provide for management, conservation and development of nonnuclear natural energy resources. Authorizes state funding for public, private utilities or agencies for development or conservation thereof. Utilities and agencies operating in Oregon have priority in funds allocated and energy developed. Authorizes state debt and bonding not exceeding one percent true cash value of all taxable property in state to fund these provisions.

YES ☐

NO ☐

ESTIMATE OF FINANCIAL EFFECTS: Based on an estimate of Oregon's 1978 taxable property, this act would establish a maximum bonding limitation of \$439 million to provide for the Energy Conservation and Production Fund.
