Turn off your engine rather than letting it idle. Auto company engineers point out that it takes less gas to start a car than it takes to let it idle.

Willow Creek

By Lavin Carrier

WILLOWCREEK - Brian Stillman celebrated his tenth birthday on November 7 at a pizza party that evening. His guests were Sam Dirksen and Robbie Carrier. The boys were also overnight guests at the Stillman home.

Visiting at the Ben Stillman home for several days last week was her mother, Christine Shaw and Aunt Norella Shaw from Drain.

Doug and Marge Hall returned recently from a week's vacation in Billings, Montana, where they got to see their new grandson for the first time, while he was still in the hospital. The young man weighed in at eight pounds four ounces, when he was born on October 28. He only missed one day of being born on his grandparent's 25th wedding anniversary. Rose and Dewey Dear-dorff are the parents of Travis Lee.

A very successful fun night was held recently at the school. Connie DeLong was the lucky winner of a turkey for guessing how many beans were in a large jar. Ramona Garcia had fun counting the 75,000 beans in the jar.

Marion Ferguson hosted the pioneer Club meeting at her home on Thursday afternoon, with Helen Cone and Violet Hill as co-hostesses. Attending the meeting were 20 club members and one visitor. They talked about the Christmas party, which will be held at the D.J.'s dining room on Dec. 1, beginning at 1 p.m. There will also be an exchange of gifts. Club members can bring a friend, but they have to pay for their own meal and bring a gift. During the meeting, they held an election of officers. Olga Mikkelsen was elected president and Dorothy Lamb is vice-president. Esther Lamb gave a reading on "How to treat your husband." Carrie Peterson demonstrated the making of macramé hangers. Feral Scott gave a report on the rummage sale, bazaar and Pottery farm sale, that the Pioneer Club recently participated in.

There will also be a cookie exchange.

Sympathy goes to Walter Duncan and family on the passing of his wife, Hannah. She was active in school activities at Willowcreek in Cub Scouts and in church work. We will miss seeing her in the community.

A birthday and anniversary dinner was held at the Harmon Potters home on November 6 in honor of Eva and Dale Franks 20th wedding anniversary. Mrs. Potters birthday and Ron Wilsons 15th birthday. The Frank family and the Carriers were dinner guests.

CARD OF THANKS

We would like to express our sincere appreciation and gratitude for the many acts of kindness in our time of sorrow.

For all those who sent cards, flowers, food for the dinner, memorial money, koden, and also for the thoughtful people who brought food, pies and cakes.

Your act of kindness will never be forgotten.

Thank you each and everyone.

Helen, Sandra and Amy Otani.

Lori and Gary Lofland George Otani

We wish to thank our kind friends and neighbors for their acts of love and sympathy during our recent loss of our father, grandfather and brother, and extend grateful thanks for the beautiful floral tributes and the many memorials to our loved one.

Your kindnesses are much appreciated.

KEN FERRO of New York City looked downright comfortable in his pioneer clothing as he and his wife, Linda, rested their horses in Nyssa. They started their journey by horseback last year. Ken rode by himself as far as Denver where he was joined by Linda, and on to Oregon they came. Their destination is the Blue Mountains for the winter and then back to New York on horseback next spring.

HAPPY THANKSGIVING!
We all have so many things to be thankful for, don't we? I'm sitting here in my warm house watching my two sons play in the snow and already I have three things to say thanks for—a warm house, two healthy, active boys and the beautiful snow. We're fortunate that our country has set aside one special day to say an extra thank you for our blessings and to the people around us who help make life that much nicer. If we each made a list of all the things we have to say thank you for and all the people we could cheer with a smile and a kind word, it would probably take all year to complete. And that wouldn't be a bad thing either, would it?

Mr. and Mrs. Verl Bishop have been in Kansas and Nebraska the last month visiting with family and friends. They returned on Thursday night after being delayed in Laramie by heavy winds. They report a lovely trip and a good time despite the winds and the rain in Kansas which prevented farmers from working the fields.

The students are coming home for Thanksgiving. Mike Nichols, son of Mr. and Mrs. Rex Nichols and Ted Takatori son of Mr. and Mrs. Tom Takatori arrived home on Friday evening.

Many relatives and friends gathered last week for the funeral of Ken Otani. We were sorry to hear of his passing and send heartfelt condolences to the family.

Visitors at the Lloyd Dibble home this week included Mrs. Les Henry, Mrs. Viola Reno, Mrs. Velma Higgins and Mrs. Ed Sells. Mrs. Knox and her daughter from Springfield, Oregon, also called.

Mrs. Pauline Boston, Mrs. Ruth Fritts, Mrs. Dorothy Naylor, Mrs. Betty Bolton, and Mrs. Lorene Wagner went Tuesday to the Nampa State School to do volunteer sewing.

Are you ladies looking for a worthwhile project for Christmas? The Nampa State School recreation department is putting on a Christmas play and they need help sewing the costumes. Many hands make light work and also the extra help would free the staff for their other duties. If you don't sew, there are many other tasks needing attention. If you are interested in helping with this extremely worthy project please contact Mrs. Fritts at 722-6361.

Mrs. Clarence Fritts hosted the meeting of the Apple Valley Susannah Circle of the Methodist Church Thursday.

Wood Burning Stoves

In areas with a high availability of wood, the high heat and low pollution of wood stoves is an advantage over burners of expensive fossil fuels. But an alarming side-effect of the increase in use of these stoves is an upswing in the number of house fires due to the improper installation and operation of stoves. Here are some suggestions from the Insurance Information Institute.

--Have the stove installed by a licensed heating contractor who is familiar with the state building codes and local ordinances.

--Make sure of proper clearances from combustible material, such as floors, walls and ceilings.

--Install 1/4 inch asbestos millboard covered with sheet metal under the stove, with a hearth projecting on all sides.

--Have the chimney inspected by a competent mason.

--Use proper gauge steel pipes, spacers and connectors.

--Burn dry, well-seasoned wood. Burning green wood results in dirty chimneys, a fire hazard.

--Dispose of ashes in a metal container outside of the home.

--Pipe should extend through walls or ceiling if at all possible.

--Wood stoves should not be connected to a fireplace chimney unless the fireplace has been sealed off.

--Don't use flammable fuels to ignite wood. Use paper or kindling.

--Stoves should not be used to burn trash in.

--Don't allow fires to burn unattended overnight.

In all cases where you have any doubts or questions, contact your local fire department.
