JEANINE TANNER of Nyssa, is the December artist of the month at the Nyssa Public Library. Her talent is displayed in the beautiful oil paintings which include still life, pastoral scenes and seascape. She has taken lessons from Barbara Ragsdale in Boise, and from the late Mike McGuire, at Treasure Valley Community College. She is now teaching for TVCC in the adult education program, also for the Weiser Recreation Department, and will be giving lessons in oil painting in her own studio, starting in January.

Mrs. Tanner was born in Nyssa, and has lived here all her life, with the exception of a few years when she resided in the Nampa-Caldwell area. She is married to Roscoe Tanner, area farmer, and has six children, ranging in age from six to eighteen. A son, John, is now serving a mission for his church in Switzerland. Her paintings may be seen during regular library hours throughout the month of December.
