FROM SUNDAY'S DAILY

"BILLY" HAWKINS FREE

LIBERATED FROM THE STATE PRISON YESTERDAY AFTERNOON.

Was Committed to that Institution in July, 1889—Reasons for the Pardon Being Granted.

William E. Hawkins now breathes outside the confines of the Oregon state prison.

About 4 o'clock yesterday afternoon he was informed that he had been granted a full pardon by Governor Wm. P. Lord, he having been committed to the prison in July, 1889, for the crime of murdering Harvey Ogle in Salem several weeks prior.

"Billy," as he was best known in this city at the time the terrible deed was done, wore the clothes of a convict just 9 years, 6 months and 18 days, and it is almost impossible to describe how bewildered he was when he received the message yesterday that announced to him the action of the state executive.

On leaving the prison he came to the city and proceeded without delay to the home of one of his most intimate acquaintances—one who has been untiring in effecting his release from that dreary state institution at the extreme east end of one of Salem's principal streets.

In conversation with a Statesman representative yesterday the governor said: "A pardon heretofore has been steadily opposed, but at this time the trial judge and prosecuting attorney recommended executive clemency, as do many of the trial and grand jurors, and citizens of prominence. His record at the prison has been uniformly good, and the authorities report that his services as druggist at the prison, during nearly a decade of his confinement, have been of exceptional value. Circuit Judge R. P. Boise, who presided at his trial, writes: 'I remember the case. The defense was self-defense, and on this issue the evidence were conflicting, and had the jury returned a verdict of 'not guilty,' I would not have been surprised. The prisoner belonged to a good family, and had, prior to the commission of the crime, for which he was charged, been a peaceable man. I do not believe him to be a dangerous man, to be at large in the community, who would be likely to commit any crimes in the future. If he has conducted himself well while a prisoner, I think the ends of justice would be subserved, were he to receive executive clemency.'"

ADJOURNED TO TUESDAY.

County Commissioners Effect a Compromise on the 100 Jurors Drawn.

The Marion county commissioners held a brief business session yesterday morning and adjourned until 1 p. m. Tuesday, January 10th, when the matter of selecting the jury list for 1899 will be proceeded with.

The difference of opinion, which was so plainly shown by the members of the court on the preceding day in the matter of selecting jurors, had happily disappeared when court convened yesterday morning and peace and harmony to a more marked degree characterized the court's proceedings. Commissioner Davis, who on Friday so strenuously objected to and expressed his great dissatisfaction with the list of jurors so far as drawn yesterday, with Judge Terrell, signed the court journal for Thursday's proceedings, thereby endorsing the original list of 100. Commissioner Miley still refused to sign the journal for that day, on account of his dissatisfaction with the jury list.

During the forenoon the following order, which is in the nature of a compromise between the county judge and the commissioners, was made by the court.

"In the matter of selecting jurors for the year 1899: On this day it is ordered by the court that bondsmen of parties who are bound over for trial or father or son of such parties, exempt firemen, part s exempt from jury duty by reason of military service, parties who have served on the jury during the past twelve months, and parties who are absent from the county at the present time if known, are stricken from the list of jurors as drawn on the 5th instant."

After auditing the bills of Wm. Miley for $15, and J. N. Davis for $16.40 in the commissioners' account, court adjourned until 1 p. m. Tuesday. Judge Terrell and both commissioners signed the journal for the day's proceedings, but Commissioner Miley alleges that he inadvertently placed his signature to the journal, claiming that it was not his intention so to do, after the above order had been made respecting the list of 100 jurors.

When court convenes next Tuesday, in addition to drawing the jury list, the court will make the tax levy. A prominent county official yesterday estimated the county tax levy this year at 18.5 mills. The amount of tax money paid into the state treasury from Marion county last year was $28,511.93, but by reason of the increased state tax levy, this county will this year be obliged to pay a state tax amounting to $45,928.22, or an increase over last year of $17,416.29.

EXECUTION SALES.—Sheriff Durbin yesterday conducted two execution sales. In the case of John McCrow vs. G. F. and Jane M. Long, a fractional part of a block in North Salem was bid in by plaintiff for $100. In order to satisfy a judgment of $2,825, held by Emma H. Anderson against C. Zimmerman and wife, 170 acres in this county were sold to the plaintiff for the amount of the judgment.

A SUDDEN DEATH.—Rev. E. Maurer, formerly pastor of the Seventeenth and Chemeketa street Evangelical church in this city, was yesterday informed by telegraph of the sudden death of his mother, of heart disease, at Phillipsburg, Ontario.

ITS PAYMENT ENJOINED

INJUNCTION SUIT AGAINST COUNTY CLERK AND TREASURER.

Brought to Prevent Paying G. G. Bingham's $180 Warrant for Tax Collections.

(Daily, January 8th.)

Yesterday afternoon Levi M. Herren Sr., instituted in department No. 2, Marion county circuit court, an injunction suit against County Clerk W. W. Hall and County Treasurer A. L. Downing, enjoining the payment of the warrant for $180.51 drawn in favor of Geo. G. Bingham, in payment of his services as tax collector for the month of December.

The complaint was filed just before 5 o'clock yesterday afternoon and the order of injunction was immediately served on Clerk Hall and Treasurer Downing. Mr. Herren, the plaintiff, who allows his name to be used in connection with the suit as "relator," is one of Marion county's substantial husbandmen residing near Turner. He pays taxes to the amount of $38.55 as shown on the 1897 assessment roll. His attorneys are R. J. Fleming, M. E. Pogue, D. C. Sherman and District Attorney S. L. Hayden.

Mr. Bingham's bill of $180.51, as commission for collection of delinquent taxes during the month of December was audited at Friday's session of the commissioners' court and ordered paid by warrant. Clerk Hall issued the warrant as ordered. Up to the time of the filing of the complaint, Mr. Bingham had not called for the warrant and it remains undisturbed in the warrant book and in possession of County Clerk Hall.

In the opening paragraphs of his complaint, the plaintiff, by way of an introduction to what is to follow, states and alleges that W. W. Hall, A. L. Downing and F. W. Durbin are clerk, treasurer and sheriff, respectively of Marion county and briefly enumerates the duties of such officers. Mr. Herren further alleges that the Marion county court did on or about the — day of—— 1898, employ George G. Bingham, an attorney, to collect delinquent taxes for the county, allowing him 15 and 20 per cent commission.

Continuing, the substance of the complaint is as follows:

"That the tax rolls of Marion county, Oregon, are in the hands of the sheriff of Marion county, Oregon, and it is his duty under the law to collect all taxes due the state of Oregon, or the county of Marion therein, without any assistance from any attorney, or persons whatsoever than his deputies, duly appointed therefor.

"That on the 6th day of January, 1899, said county court, without authority of law, issued an order directing the clerk of Marion county, Oregon, to issue a warrant upon the treasurer aforesaid, directing him to pay to the said George G. Bingham the sum of about $180 attorney's fees alleged to have been earned in collecting delinquent taxes under said alleged contract.

"That the sheriff was at all times ready and willing to perform his duty under the law, and to collect said delinquent taxes without any assistance from said or any attorney.

"That said warrant has been, or will be issued and delivered to the said George G. Bingham and the same is payable out of the general funds in the hands of said treasurer raised by taxation and paid by the taxpayers of said county, and said relator, Levi Herren, is one of said taxpayers and a resident and inhabitant of Marion county, Oregon, and said relator would be injured by the payment of said warrant on account of an increased burden of taxation by reason of the payment thereof.

"That unless restrained by an order of this honorable court the said W. W. Hall, clerk of said county, will deliver the said warrant to the said Bingham, and the said A. L. Downing, treasurer of said county, will pay the sum named therein to the said Bingham out of the funds in his hands belonging to said county, to the great and irreparable injury and damage of said relator.

"Wherefore, defendant prays this honorable court for a temporary injunction restraining the delivery and payment of said warrant to the said Bingham, and upon the final hearing of this cause for a permanent order restraining and enjoining the delivery or payment of said warrant, to said Geo. G. Bingham and for judgment for the costs and disbursements herein incurred, and for such other further or different relief as may be meet with equity and good conscience."

Affixed to the complaint is the following statement from District Attorney S. L. Hayden, one of the attorneys for Mr. Herrin: "I, S. L. Hayden, district attorney for the Third judicial district of the state of Oregon, after examining the within complaint believe that there is probable cause for the relief prayed for."

During the afternoon attorneys for the relator had petitioned for a temporary writ of injunction from Judge R. P. Boise, of department No. 2, of the Marion county circuit court.

Judge Boise granted the temporary writ of injunction as prayed for, ordering County Clerk Hall and Treasurer A. L. Downing to desist and refrain from delivering the said warrant to the said George G. Bingham, and from paying to the said Geo. G. Bingham the sum of money named therein or any part thereof.

A class of twelve bright young men of the First congressional district, reported yesterday morning to Prof. W. C. Hawley and Dr. J. A. Richardson, the local examining board, as candidates for the preliminary examination necessary for appointment to a cadetship at the West Point military academy.

During the forenoon the young men were given a mental examination by Prof. Hawley at the university and later in the day were subjected to a rigid physical examination by Dr. J. A. Richardson. The members of the local examining board will report their findings to Congressman Thos. H. Tongue. The one passing the best mental and physical examination will be selected to report at Vancouver, Washington, in March for a second examination which will be of a military nature, and the young man passing the second best examination will be named as alternate.

The names, ages, and residences of the young men taking the examination yesterday are as follows: Clifton M. Butler, aged 19 years, of Albany; Edgar F. Averill, aged 18, of Brownsville, Linn county; Emerson Baker, aged 21, of Greenville, Washington county; Jacob N. N. Kern, aged 18, of Kernville, Lincoln county; James Walton, aged 16, of Salem; Harry O. Paddock, aged 19, of Clackamas, Clackamas county; Frank O. Roth, aged 18, of Canby, Clackamas county; Archie C. OFFICERS RE-ELECTED.

Board Meeting of Lower Columbia Fire Relief Association Adjourns.

The board of directors of the Lower Columbia Fire Relief Association was in continuous session yesterday, holding a meeting in the evening also, when the business of the board was completed and adjournment taken.

During the afternoon the election of officers for the ensuing year was held, resulting in the re-election of the old officers, as follows: President, Thos. Paulsen, of Washington county; secretary, Jacob Voorhees, of Woodburn; treasurer, S. A. Dawson, of Albany.

The association is in a prosperous condition, and the board of directors anticipate a very successful year's work for 1899, the outlook being favorable. The board will very likely hold its next annual meeting in this city, the matter of selecting the place for meeting being left with the president, who, last evening, said that he considered Salem the most central point, and most conveniently located.

PROBATE COURT.

Objections to Final Reports Argued Before Judge Terrell.

Yesterday was the day set for the hearing of the final reports in two estates, and in both instances objections were argued.

In the matter of the final report of E. J. Chambers, administrator of the estate of Wm. J. Chambers, deceased, Mrs. Dorcas Chambers, widow of the deceased, through her attorney, filed objections to the item of $715.46, an alleged board bill, and a $14 item for fees in perfecting an appeal to the circuit court. Both objections were sustained and the report otherwise approved.

The item of $100 attorney's fees allowed by John Jacobs, as administrator of the estate of Rebecca Penter, deceased, was objected to by one of the heirs, and the objections were sustained, to the end that the bill for legal services was reduced to $75. Objections to other items of expense, allowed in the final report of Mr. Jacobs, were argued and by the court taken under advisement until 10 a. m. tomorrow.

Meyer & Co., of Portland, began an action against Mr. Reader in the circuit court for $32.50, alleged to be due for cigars sold defendant. S. S. S. Cures Sores and Ulcers

It Matters Not How Obstinate, or What Other Remedies Have Failed.

Obstinate sores and ulcers, which refuse to heal under ordinary treatment, soon become chronic and deep-seated, and lead to conditions most serious. They are caused in different ways, but in every case the blood is involved, and no amount of local treatment can have any effect. The poison must be eliminated from the blood before a cure can be had.

THROWN FROM A HORSE.

Mr. H. Kuhn, of Marion, Kansas, writes: "About three years ago my granddaughter, Bertha Whitwood, was thrown from a horse, receiving a wound of the scalp. Though under the treatment of physicians for several months, the wound remained about the same, until it finally became very angry-looking, and broke out into a running sore. This soon spread to other parts of the scalp and ran down the side of the neck, increasing in severity and fearfully disfiguring her. She was then placed under the care of the faculty of a well-known hospital, but even the treatment she received there failed to arrest the terrible sore. Reading of the many cures of blood troubles effected by S. S. S., we decided to try it, and it relieved her promptly. In a few months she was entirely cured, and scarcely a mark now remains where the disease held full sway."

A GUNSHOT WOUND.

Capt. J. H. McBrayer, the well-known distiller, of Lawrenceburg, Ky., says: "Some years ago I was shot in the left leg receiving what I considered only a slight wound. It developed into a running sore and gave me a great deal of pain and inconvenience. I was treated by many doctors and took a number of blood remedies, but none did me any good and did not seem to check the progress of the sore. I had heard Swift's Specific (S. S. S.) highly recommended for the blood, and concluded to give it a trial, and the result was very gratifying. S. S. S. seemed to get right at the trouble, and forced the poison out of my blood; soon afterwards the sore healed up and was cured sound and well. I am sure S. S. S. is by far the best blood remedy made."

It matters not how they are acquired or what treatment has failed, S. S. S. will cure the most obstinate, deep-seated sore or ulcer. It is useless to expect local treatment of salves, lotions, etc., to effect a cure, because they can not reach the real cause of the trouble, which is the blood. S. S. S. drives out every trace of impurity in the blood and in this way cures permanently the worst cases. It is the only blood remedy guaranteed

Purely Vegetable

S. cures Contagious Blood Poison, Scrofula, Cancer, Catarrh, Eczema, Rheumatism, Sores, Ulcers, Boils, or any other blood trouble. A Proposition for Naval Charts for the Philippines Struck Out in Congress.

WASHINGTON, Jan. 7.—At the brief session of the senate today, the first of the regular appropriation bills to be reported to that body, the District of Columbia bill, was passed. It carried a trifle over $7,000,000, and was passed practically without debate. The house bill granting extra pay to officers and enlisted men of the United States volunteers, was called up by Shoup, and passed without amendment. The bill grants two month's extra pay to troops that have served outside this country, and one month's extra pay to those who have served only in this country.

The house was engaged all day in the legislation of the executive appropriation bill, and completed it substantially as reported, except it was for the civil service commission, which went over till Monday. There were several side debates during the day. The Philippines came in for attention on the discovery of an item of $12,000 for naval charts of the island. It was ruled out on a point of order by Dockery. Chairman Paine holding that the Philippines were still foreign territory, and as such not proper subject for the legislation proposed.

War Between Spain and France.

A Paris correspondent has set the rumor afloat that war is possible between Spain and France. Such an outcome is hard to believe because the two countries have been for years on unusually intimate terms. You cannot tell what will happen between nations, but you can tell what will happen when a dyspeptic takes Hostetters Stomach Bitters. His health will improve. His appetite will come back. His mouth will not taste badly in the morning. He will not be subject to dizzy spells, and his head will be clear. His disposition will be more agreeable, and his bilious look will disappear. His blood will be purified and his kidneys stimulated to perform their work properly. All these things are accomplished by the Bitters.
