

FROM WEDNESDAY'S DAILY

COUNTY TAX LEVY MADE

COMMISSIONERS PLACE THE SAME AT 21 MILLS.

County Clerk Ordered to Employ Attorneys to Defend County in Injunction Suit.

At the session of the Marion county commissioners court yesterday, the tax levy for the year was placed at 21 mills. The total county tax for last year was 15 mills, but the members of the commissioners court found that altogether inadequate to meet the demands. The state levy this year is approximately 2 mills more than last year and the court decided to make provision by an increased levy for the

capellation of some of its indebtedness over and above current expenses during the present year. The 21 mills tax is apportioned as follows: For the general county fund.....0107 For the state school fund.....0045 For the indigent soldier fund.....0001 State levy.....0057

Total county levy.....021 The property valuation of Marion county subject to taxation as returned by the assessor and certified to by the county clerk, is \$3,057,583. The amount of revenue that will be raised by the 21 mills levy is \$169,352.34.

Commissioner Wiley was yesterday afternoon notified by telephone of the death of his cousin John Link at Aurora. He asked for and was granted an excuse from attending the sessions of the court.

This far the court has taken no action relative to the drawing of the list of 200 trial jurors to serve at the sessions of the circuit court for the ensuing year.

Other proceedings had by the commissioners were as follows: In the road and bridge account two bills were audited as follows: Hinkle Smith \$14, Gray Bros. \$14.37.

The following order was made relative to the injunction suit instituted against the clerk and treasurer of Marion county, in the matter of the payment of a warrant for \$180.15 to G. G. Eingham for tax collections:

"Now on this day County Clerk W. W. Hall notified the court that injunction proceedings had been commenced enjoining him from paying to G. G. Eingham the warrant for \$180.15 ordered drawn at the regular January term, for compensation for legal services in notifying parties of their delinquent taxes for the years 1892-6 inclusive and it appearing to the court that such action should be defended, it is ordered that the clerk be empowered and directed to retain Brown, Wrightman & Myers as his attorneys in said action."

In the matter of purchasing gravel for use on county roads, it was ordered that the price to be paid for the same in the future shall be two and one-half cents per yard, the bill to be approved by the supervisor ordering the same.

The matter of selecting newspapers in which to publish the official proceedings, was continued to the next regular term.

The matter of appointing road supervisors for the ensuing year was continued to the February term.

At 5 o'clock last evening an adjournment was taken until 9 o'clock this morning.

Back to Health

After Long Illness Hood's Sarsaparilla Restored Good Health—Now as Strong as Ever.

"After an illness of two years, during which time I underwent several surgical operations, I at last began to improve, but my improvement was so slow that I became discouraged. I was very much run down and I did not have any appetite. I did not care to live. One day I met a friend who had taken Hood's Sarsaparilla and who urged me to try it. I consented, and after I had taken a few doses I began to feel better and had a better appetite. I gained from two to three pounds a week and grew stronger every day. I took two or three bottles of Hood's Sarsaparilla, and am as strong as I ever was in my life. Hood's Sarsaparilla has brought me back to health." EMILY BILLINGS, 10 Grand Avenue, South Portland, Oregon.

Hood's Sarsaparilla Is the best—in fact the One True Blood Purifier. Sold by all druggists. \$1; six for \$5.

Representative Williamson, of Crook county, presented a bill yesterday which is considered the most important for Eastern Oregon that will come forward this session. It provides that county courts may levy a tax of 1-2 cents on each sheep listed in the county for the purpose of creating a "sheep bounty fund," to be paid out for the killing of wild animals which are so destructive to the flocks of Eastern Oregon. The bill is carefully prepared and will be pushed by the counties interested in the great industry of sheep raising.
