

A FACULTY NAMED

TRUSTEES OF "OLD WILLAMETTE" COMPLETE THEIR WORK.

Resignation of Prof. L. G. Cochran is Accepted—Faculty of College of Law is Re-elected.

The board of trustees of Willamette University held another adjourned meeting, when the selection of a faculty was completed.

Prof. L. G. Cochran, who for seven years has held the chair of science, tendered his resignation, to accept a similar position in the Puget Sound University, at Tacoma.

Resolved, that we recognize in Prof. Cochran a Christian gentleman and an efficient teacher in his department.

Resolved, that we assure Prof. Cochran of our interest in him and his work, and that we wish him success in his new field.

Dr. W. H. Byrd was re-elected dean of the college of medicine and, with but three exceptions, the entire faculty in that department was re-elected for the ensuing year.

Miss Marie Craig was re-elected as professor of the art department.

The board re-elected S. T. Richardson dean of the college of law and the other members of the faculty connected with that department were also re-elected.

NO MILEAGE ALLOWED.

Where Sheriffs Serve Papers by Mail—Decision of Attorney-General D. R. N. Blackburn.

Attorney-General D. R. N. Blackburn recently received a letter from Newt, Livingston, sheriff of Grant county, making the following statement and inquiry:

"I have deputies in several of the precincts of the county, and when papers are delivered to me to serve, I sometimes mail them to a deputy nearest the party to be served, and the return is sent me by mail.

"Have I a right to charge mileage from the county seat for such service, or can I only charge for the distance traveled by the deputy in making the service?"

The attorney-general, in his answer, after quoting the law and several decisions upon similar cases, says:

"In the performance of the duty imposed on you, you must be governed solely by the law which gives you the right to collect this mileage. I am of the opinion that you are not entitled to collect for the distance the process travels by mail in being sent to and returned by your deputy, but that you can charge only for the miles necessarily traveled by yourself or your deputy in the service of process which is placed in your hands as sheriff of Grant county to be executed."

THE HOP CROP.

A Salem Dealer Thinks There Will Be No Shortage in the Yield—State Will Produce \$5,000,000 Full.

The statement, recently given circulation in a local calamity howler, to the effect that there would be a shortage in this year's hop yield, is discredited by the appearance of the yards themselves.

T. A. Livesley, a Salem buyer who also grows hops, was seen at the depot yesterday afternoon, going to Gervais on the Roseburg mail.

When asked as to the probable yield in this state, Mr. Livesley said it was his opinion that Oregon would produce \$5,000,000 bales this year, being an increase over last year's yield of 17,000 bales.
