Senator Knute Nelson, of Minnesota, says: "I entered the Senate at the same time with Senator McBride, and have been associated with him ever since on the Committee of Commerce, one of the most important of the Senate."

Governed by Convictions of Duty.

Senator Shelby M. Cullom, Chairman of the Inter-State Commerce Commission, says: "Mr. McBride is one of the best men I know. He is honest, faithful, sincere and continually at his post of duty."

likely to be placed in so many important committees."

None Accomplish More.

Senator J. C. Pritchard, of North Carolina, says: "Senator McBride has conducted himself in such a manner as to secure a prominent place in the Senate, and I know of no man who is able to accomplish more than he with the various committees of the Senate in securing needed legislation in behalf of the interests of his state."

Industrious, Honest and Reliable.

Senator Warren, of Wyoming, says: "As a member of the Senate of the United States, Senator McBride is valuable. As a Senator from the state of Oregon he must be of great value to that state."

CASTORIA. The Kind You Have Always Bought. Bears the Signature of J. C. Watson.

Young Girls How easy it is for young girls to go into the "decline." They eat less and less, become paler and paler and can hardly drag through the day. They are on the steady downward course. Iron does them no good; strychnine and bitters all fail. They need a food that will nourish them better, and a medicine that will correct their disease. Scott's Emulsion is both of these, elegantly and permanently combined. The Cod-Liver Oil makes the blood richer, and this gives better color to the face. The hypophosphites of lime and soda act as a strong tonic to the nerves. Soon the weight increases, the digestion improves and health returns.
