

ARE WILLING TO UNITE

Citizens' Movement Endorsed by Populist Convention.

HELD THEIR MEETING YESTERDAY

Made But Two Nominations Pending the Action of the Several 'Reform' Parties—Democrats Today.

(From Daily, April 7th.)

The great majority of the Populist party of Marion county will awake this morning not knowing where they "are at." About fifty Populists, representing some 140 delegates elected at the party primaries last Saturday, met in this city yesterday and passed through the formality of holding a county convention. The convention opened quite harmoniously and the prospects for an antipathetic assemblage were good, but upon reconvening in the afternoon a cloud appeared, and which, before adjournment, had developed into a serious storm. There was no order, confusion having been substituted and most chaotic conditions prevailed.

The convention had no direct purpose when it met and very little was accomplished in the way of naming a ticket, but everything points to a fusion of reform forces, under what is styled a "citizens' movement." The Populists named two candidates on the legislative ticket, viz: John A. Jeffrey, of Salem No. 1, and John W. Jory, of Sidney. The matter of completing the ticket, in event a citizens' movement in county affairs is not instituted, was referred to the county central committee.

Friday was an extremely busy day in Oregon's Capital City, but the wind did not prevail out of doors entirely, for the Populist convention of Marion was held in the council chamber at the city hall and almost incessantly from 10:30 a. m. until 6:30 p. m., the hours the convention was in session, the halls resounded in classic flights of oratory. Some of the speakers in their remarks became pathetic in discussing the future prospects of the Populist party and the many dangers that beset it from affiliation with other political parties, while others displayed more dramatic talents, becoming quite demonstrative. The variety of delivery, together with the perennial good nature of Geo. W. Weeks, the chairman, provided an appreciable amount of entertainment for the half hundred spectators in attendance. B. J. Sharp, the preacher-politician, was omnipresent and Chairman Weeks was repeatedly obliged to remind the gentleman that he "was not so many." Sharp was not a regularly elected delegate, but was seated as a delegate and participated in the deliberations of the convention under the "sufferance" of the convention, as he had admitted and one of the delegates questioned the veracity of the admission. R. R. Ryan, the veteran Populist of North Salem, became somewhat obstreperous and had to be called down several times. But he took it all good naturedly.

Punctuality was by no means a virtue of the Populists yesterday, for it was 10:40 o'clock when County Chairman G. W. Weeks called the Marion County Populist convention to order at the city hall. The meeting was called for 10 o'clock, but the lateness of the hour of convening results from a misunderstanding regarding the place of holding the convention, the city hall being determined upon only in the preceding evening.

Chairman Weeks stated the nature of the meeting and called for nominations for temporary chairman. A. Libbey, of Jefferson, named John W. Jory, of South Salem; G. W. Weeks, the county chairman, was placed in nomination by J. M. Payne, of Salem No. 1. A ballot was taken, delegates present voting individually, no proxies being allowed, and the result was: Jory 18, Weeks 27, blank 1. Mr. Weeks was declared elected temporary chairman by the acting temporary secretary, Prof. T. C. Jory. Chairman Weeks thanked the convention and Mr. Jory politely expressed his thanks for the placing of the burden of presiding over the convention "where it belonged."

Committees were named as follows: Credentials—J. P. Robertson, A. Libbey, L. S. Stephens, W. D. Matthews, J. W. Jory. Order of business—J. A. Jeffrey, I. L. Robertson, W. F. Jones.

John W. Jory suggested the appointment of a committee on platform and resolutions, but, being informed that the motion was a little previous, that such a committee is usually named after permanent organization of the convention, requested an early report of the committee on credentials.

The following committee on permanent organization was appointed: J. M. Payne, C. L. Weaver, A. I. Eoff. The remainder of the morning session was given up to a free-for-all discussion relative to the best plan to pursue. D. E. Swank, of Aumsville, expressed himself heartily in favor of a citizens' movement. J. P. Frizzell endorsed the plan. I. M. Wagner favored a union on reform principles and said the party could sacrifice everything for the initiative and referendum. He caused some surprise by reminding that two of the candidates of the Republican legislative ticket had endorsed the initiative and referendum, one in writing, and he favored endorsing such men, even though they were Republicans. T. Y. McClellan, Mr. Cleveland and R. R. Ryan were opposed to anything but the naming of a full ticket. Prof. T. C. Jory, J. A. Jeffrey and J. M. Payne spoke in favor of a union of forces for economical government.

At 12:15 o'clock, adjournment was taken until 1:30 o'clock and upon reconvening, the reports of committees were received. Committee on credentials found the following delegates entitled to seats in the convention: Aumsville—D. E. Swank, S. L. London, Tom Johnson, R. F. Snyder, W. Merryfield, M. H. Spear, A. H. Bunn, J. L. Larsen. Englewood—J. H. Nowatney, J. H.

Keyes, W. H. H. Dunkle, M. E. Smith, D. E. Johnson. Horeb—Burt Gates, J. Collins, G. A. Spencer, J. Turnige, Henry Joost, W. Clark, Alby Collins, proxy. Howell—L. Woods, B. Weisner, Al McCann, G. M. Wolf, J. Stevens, E. Stevens, Geo. W. Weeks. Hubbard—G. W. Dimick. Jefferson—J. W. Pate, T. A. Cooper, A. C. Libbey, J. T. Curl, H. N. Bullis, Mr. Blackwell, W. F. Jones. Macleay—Asa Eoff, John Short, F. A. Myers, Will Jones, Will Short. Monitor—J. R. White, T. F. Boggs, M. J. White, F. Fenke, A. Aas, G. F. Bonney, all by J. R. White, proxy. Prospect—D. W. Matthews. Salem No. 1—John M. Payne, A. S. Slippy, J. A. Jeffrey. Salem No. 2—D. W. Frazer, by J. P. Robertson, proxy; T. L. Golden, R. H. Leabo, J. P. Frizzell, John P. Robertson.

The introduction of this motion and the amendment that was offered, gave the louacious Populists a theme for discussion and they very generally availed themselves of the opportunity. J. W. Jory, Mr. Cleveland, B. J. Sharp and others spoke against the amendment, while Mr. Jeffrey, in a very able debate argued for the amendment. He was supported by E. O'Flyng and J. P. Robertson. The latter gentleman moved an amendment to the amendment, that two representatives and a candidate for county judge be named, the supplying of the balance of the ticket to be left to a committee of ten. He failed to receive a second. R. R. Ryan then proposed an amendment to the amendment that the convention proceed to name a complete county ticket, but it was defeated by a decisive vote. Mr. Jeffrey's amendment was then called up and met the same fate by a vote of 42 to 73. Robertson renewed his amendment, but was ruled out of order. The original motion then carried by a vote of 60 to 53.

By a vote of 28 to 22, Robertson of Turner, was successful in a motion that the convention proceed to name two candidates on the legislative ticket, John A. Jeffrey and John W. Jory, both of Salem, were placed in nomination. The names of I. L. Robertson, W. T. Rigdon, B. J. Sharp, Asa Eoff, G. W. Weeks and T. Y. McClellan were also offered, but all of these gentlemen declined in positive terms, with the exception of W. T. Rigdon, who was not present. Asa Eoff, who named Mr. Rigdon, was informed that his nominee was a Silver Republican and the candidacy of that gentleman was not further considered by the convention. Upon motion, the secretary cast the vote of the convention for Messrs. Jory and Jeffrey, who were declared nominated.

Upon motion of R. R. Ryan, the naming of the remainder of the ticket was left to the county central committee. The election of precinct chairmen by the precinct delegations resulted as follows: Aumsville, S. T. London; Englewood, I. H. Keyes; Scotts Mills, Grant Matlock; Horeb, Geo. A. Spencer; Howell, G. W. Weeks; Jefferson, W. F. Jones; Macleay, Asa I. Eoff; Monitor, M. J. White; Salem No. 1, J. M. Payne; Salem No. 2, J. P. Frizzell; Salem No. 3, B. J. Sharp; Salem No. 4, A. Olinger; South Salem, C. L. Weaver; South Silverton, T. Y. McClellan; Sidney, J. W. Jory; Turner, I. L. Robertson; Yew Park, P. Shaw; North Salem, R. R. Ryan.

J. P. Robertson offered the following resolution, which was adopted: "Resolved, that the county central committee be and they are hereby authorized and instructed to use their best efforts to fill all county offices not nominated by this convention with acceptable candidates in sympathy with our fundamental principles, either from the People's Party, the Democratic party, the Free Silver Republican party, or candidates nominated by a citizens' county convention."

The selection of candidates for road supervisors, constables and justices of the peace was left to the individual precinct delegations. At 6:20 o'clock, having disposed of all business, the convention adjourned. Immediately following adjournment, the members of the county central committee held a meeting and effected an organization by re-electing Geo. W. Weeks as chairman, and naming Prof. T. C. Jory as secretary. The committee decided to meet in Salem on Saturday, the 21st inst.

W. T. Rigdon, county chairman of the Silver Republican party, called the county central committee together at 7:30 o'clock last evening for consultation as to the action to be taken by that party in the present county campaign. After considerable discussion, in which nearly all present took part, the following resolution was unanimously passed: "Resolved, that the Silver Republicans of Marion county do not take any party action in the present county campaign, but that the members of said party be free to act according to the dictates of individual judgment."

The committee then adjourned, and a goodly proportion joined in the Democratic caucus which was being held in an adjoining hall. The Marion county Democratic convention will be held in the city council chamber today, the convention being called for 10 o'clock. It is not known what the convention will do, but it is generally presumed that the Democrats will unite in the move for a citizens' ticket.

(From Daily, April 8th.) MARION COUNTY DEMOCRATS For representatives—John A. Jeffrey, of Salem; John W. Jory, of Sidney; E. Hofer, of Salem; A. B. Hudelson, of Jefferson; John B. Dimick, of Hubbard. County judge—W. W. Elder, of Stayton. Sheriff—Frank W. Durbin, of Howell. Clerk—W. E. Finzer, of Woodburn. Recorder—John J. King, of Macleay. Treasurer—G. C. Matlock, of Silverton. Assessor—J. W. Hobart, of Silverton. Commissioner—W. W. Culver, of East Salem. Coroner—J. W. Whitlock, of Silverton. School superintendent—A. J. Garland, of Salem. Surveyor—A. Gobalet, of South Salem.

Salem district—Justice of the peace, J. O'Donoh; constable, John H. Lewis. The above is the county ticket that was nominated yesterday by the Marion county Democratic convention upon the recommendation of a conference committee appointed by that convention. The complete ticket was subsequently endorsed and ratified by an informal electors' convention and will be placed before the voters of Marion county as a Citizens' ticket.

The convention was composed of a representative body of Marion county citizens and a very orderly and decorous assemblage it was. Barring a little strife incident to the temporary organization, the convention was one of exceptional harmony and the business of the day was very expeditiously transacted. At 11:10 o'clock County Chairman John Bayne called the convention to order.

Chairman Bayne announced that the incidental expenses in convening the convention amounted to \$25.25, and suggested that a collection be taken. J. Myers and A. Hucklestein were named a committee to wait on the convention in true Methodist style, and \$27.60 was raised. The surplus will probably be appropriated to the campaign fund. At this hour there was a large representation of the 248 delegates in the convention in the hall, which was uncomfortably crowded. Of the thirty-nine precincts only four were not represented, viz: Breitenbush, Elkhorn, Marion, Sidney and South Silverton.

Ten minutes later the convention proper was called to order by Chairman Bayne and nominations for temporary chairman were called for. T. B. Wait named John Bayne, the present county chairman, and W. T. Slater was named by C. W. Corby, of Woodburn. Both nominations were seconded by several delegates. The selection of chairman disclosed a division in the convention regarding the choice for chairman, that developed into a spirited contest. After considerable wrangling it was decided to vote by ballot. An amendment, proposed by J. Myers, that the convention vote by precincts, was voted upon. The result was close, but Chairman Bayne declared in the negative. Cussiter, of Silverton, called for a division and Geo. H. Croisan, of Yew Park, respectfully appealed from the decision of the chair, but the result having been announced, Chairman Bayne refused to entertain either of the protests. The ballot was proceeded with the following tellers having been named: Webster Holmes, T. C. Davidson, W. H. Downing, James Hunt, T. H. Barnes.

The contest resulted in the election of W. T. Slater by a vote of 147 to 78 for Mr. Bayne. This was considered a decisive victory for the anti-D'Arcy delegates. Chairman Bayne appointed Geo. H. Cussiter and C. W. Corby to escort the newly-elected chairman to the platform, when Mr. Bayne moved that the election be made unanimous. Mr. Slater thanked the convention for the compliment shown him by the convention and delivered a rousing Democratic speech, being frequently interrupted by applause. He said the earnestness manifested and the large attendance in the convention imparted a new life to the Democratic party. Recent developments in international affairs has brought to life the issues and fundamental principles upon which the Democratic party was founded. The mention of W. J. Bryan, as the party's "warlike advocate and leader," was warmly applauded.

W. E. Finzer, of Woodburn, secretary of the county organization, was named for temporary secretary, but having served for two years, declined the nomination, whereupon Grant Corby, of Yew Park, was unanimously elected. Committees were named as follows: Credentials—John Bayne, W. S. Mott, Frank De Pue, Chas. Scott, P. L. Frazier. Permanent organization and order of business—Geo. S. Downing, B. F. Hall, Webster Holmes. Upon motion of Geo. H. Cussiter, of Silverton, the appointment of a committee of five on apportionment of delegates to the state and district conven-

tions was authorized, the committee to name one delegate-at-large and six alternates. The following committee was named: Geo. Cussiter, Jefferson Myers, S. Tomlinson, W. H. Downing and Henry Pape. Resolutions—W. H. Holmes, A. B. Hudelson, Geo. E. Allen. Geo. E. Allen was successful in a motion that a committee of five be appointed to confer with the Populists, Silver Republicans, and independent voters in the interest of a citizens' movement. Chairman Slater stated that, owing to the great importance of the work delegated to that committee, he would consider the matter during the noon recess and name the committee at the opening of the afternoon session.

A resolution, introduced by Dr. L. W. Guiss, of Woodburn, was adopted, providing that no person holding a proxy should be seated as a delegate in the convention except he reside in the precinct in which the delegate giving the proxy resided. At 12:30 o'clock adjournment was taken until 2 o'clock.

Afternoon Session. The Democrats were tardy in opening the afternoon session for it was 2:50 o'clock when Chairman Slater called the convention to order. The delay was made necessary by the work of the committee on credentials for the report of which the convention waited. Upon reconvening, Chairman Slater announced the following committee on conference: Geo. Allen, chairman; W. M. Kaiser, T. L. Davidson, Marion Palmer and T. W. Davenport.

Committee on credentials reported its findings relative to those entitled to seats in the convention. The report was adopted. Oswald West was elected assistant secretary of the convention. The committee on resolutions submitted the following declaration of principles, which were unanimously adopted: "The Democratic party for Marion county, Oregon, in convention assembled, makes the following declarations: "We reaffirm our unaltered devotion to the cardinal principles of the organization as expounded by Jefferson, and since adhered to by the patrons and defenders of the principles which he promulgated. "We challenge and condemn the administration of the public business by the Republican party for Marion county. It is in sad contrast with the manner in which the public business has been transacted in the adjoining counties to our south and to our west. "We pledge our organization to a reform of these abuses, and ask the co-operation of all good citizens who are desirous of accomplishing the same end to whom we offer and pledge a cheerful and hearty co-operation. "The Republican party of Marion county may, for once at least, be entitled to the merit of consistency, because in its recent conventions it has made no pledges which its candidates can violate as they have done in the past. "Committee on permanent organization and order of business, submitted the following report, which was adopted: "We recommend that the temporary officers be declared the permanent officers of this convention; and that the convention proceed to select an assistant secretary. "Order of Business. "We recommend as the order of business of this convention the following: "First—The nomination and election of a chairman of the Democratic party of Marion county. "Third—Your committee find that the Marion county Democratic party is entitled to one delegate-at-large, eight regular delegates and six alternate delegates to be selected in accordance with the report of the committee on apportionment of this convention to attend the state Democratic convention, to be held in Portland, Oregon, on the 12th day of April, 1900. "We recommend, first—That the eighteen regular delegates be selected by the precincts apportioned and thrown together as reported by the committee on apportionment as a whole; second—That delegate-at-large be selected and elected by the convention as a whole; third—That the six alternate delegates be elected by the convention as a whole; fourth—That the convention proceed to select for nomination: "1st—County judge. "2d—One sheriff. "3d—One county clerk. "4th—One county commissioner. "5th—One county treasurer. "6th—One county recorder. "7a—One county surveyor. "7b—One county school superintendent. "8th—One county assessor. "9th—One county coroner. "10th—Five representatives. "All of these selections to be subject to the recommendation of the conference committee of this convention. "11th—Ratification of nominations of

road supervisors of the various road districts. "12th—We recommend that the delegates of the respective justices of the peace districts nominate their own justices of the peace, and constables of their own respective justice of the peace districts." The apportionment of delegates to the state and district convention as reported by the committee on apportionment, was adopted. The conference committee at its juncture retired in company with J. P. Spear, A. Olinger, B. Wiemer and other members of the Populist county central committee, for a caucus. Inasmuch as that committee had not yet reported, Jefferson Myers was named as a committee of one to wait on the committee and ascertain when a report would be forthcoming. Mr. Myers reported that the committee would not be ready to report before 7 o'clock, whereupon an adjournment was taken until that hour.

Evening Session. At 7:45 o'clock the conference committee filed in and submitted its report, which was as follows: "We, your committee appointed to confer with the members of the Populist committee and citizens do hereby respectfully report as follows, to-wit: "That we have agreed on the following persons for representatives: John A. Dalrymple, representing the independent faction of the convention, which was defeated by a decided vote in support of the motion. W. M. Kaiser, George E. Allen, George S.

RHEUMATISM

Is due to an acid poison which gains access to the blood through failure of the proper organs to carry off and keep the system clear of all morbid, effete matter. This poison through the general circulation is deposited in the joints, muscles and nerves, causing the most intense pain. Rheumatism may attack with such suddenness and severity as to make within a few days a healthy, active person helpless and bed-ridden, with distorted limbs and shattered nerves; or it may be slow in developing, with slight wandering pains, just severe enough to make one feel uncomfortable; the tendency in such cases is to grow worse, and finally become chronic. Like other blood diseases, Rheumatism is often inherited, and exposure to damp or cold, want of proper food, insufficient clothing, or anything calculated to impair the health, will frequently cause it to develop in early life, but more often not until middle age or later. In whatever form, whether acute or chronic, it is inherited, Rheumatism is Strictly a Blood Disease, and no liniment or other external treatment can reach the trouble. Neither do the preparations of potassium and mercury, and the various mineral salts, which the doctors always prescribe, cure Rheumatism, but ruin the digestion and break down the constitution. A remedy which builds up the general health and at the same time rids the system of the poison is the only safe and certain cure for Rheumatism. S. S. S., made of roots, herbs and barks of wonderful solvent, purifying properties, attacks the disease in the right way, and in the right place—the blood—and quickly neutralizes the acid and dissolves all poisonous deposits, stimulates and reinforces the overworked, worn-out organs, and clears the system of all unhealthy accumulations. S. S. S. cures permanently and thoroughly, and keeps the blood in a pure, healthy state. Mr. J. O. Malley, 123 W. 12th Street, Indianapolis, Ind., for eighteen months was so terribly afflicted with Rheumatism he was unable to feed or dress himself. Doctors said his case was hopeless. He had tried fifty-two prescriptions, but without the slightest relief. A few bottles of S. S. S. cured him permanently, and he has never had a rheumatic pain since. This was five years ago. We will send free our special book on Rheumatism, which should be in the hands of every sufferer from this torturing disease. Our physicians have made blood and skin diseases a life study, and will give you any information or advice wanted, so write them fully and freely about your case. We make no charge whatever for this service. Address, SWIFT SPECIFIC CO., Atlanta, Ga.
