CHARGE IS DISMISSED

The Silver Leader Is Charged with Murder H. G. McKinley Ordered Released.

Very Weak.

And Four Others Accused of Being Defendant Asserts that the Case Was Urged at Instigation of the Northern Pacific.

> The examination of Horace G. Mc-Kinley, a timber land locator of La Crosse, Wisconsin, on the charge of subornation of perjury, was concluded yesterday before United States Commissioner Montayne in Albany. The evidence being insufficient to convict the defendant of the alleged crime, the charge against McKinley was dismissd as were also a number of other like

charges. Mr. McKinley is quite pleased with the result of the case, which ended quite as he expected, claiming that his prosecution was being urged at the instigation of the Northern Pacific, whom, he says, have acquired quite a remarkable reputation as land-grabbers. This disposition of the case, favorable to Mr. McKinley, completely disproves the charges of illegal practices that have been preferred, nominally only, against a number of Salem's young men, who have been associated with Mr. McKinley in making the locations.
