W. P. WILLIAMS WRITES AN INTER-ESTING DESCRIPTIVE LETTER

An Army of Clerks in the Several Govern mental Departments-Westerners Find Strange Customs.

WASHINGTON, D. C., May 14-Editor Statesman: One day last week visited the magnificent Congressional Library building; not for the purpose of admiring its imposing architecture, nor to revel in its wealth of artistic decorations, but to look through the files of the Daily Statesman. In the periodical room, an attendant brought the desired papers to me. Finding therein nearly a column of excerpts from a private letter, a newspaper story came The plaintiff is Olga Nethersole, the

Some of the customs here seem very strange to a tenderfoot from the wild and wooly West. For instance, many of the smaller restaurants and lunch counters close by seven or half past seven in the evening. Experience taught me this. My family arrived one evening from Philadelphia on a delayed train. Not having dined, we started out about half past seven to get a lunch. We first went to three or four restaurants near by that had become somewhat familiar to me. but they had closed for the day, and it was only after walking several blocks that we found an open one. There we had a very nice dinner for 60 cents apiece, beginning with genuine "Blue Points on the
