Brazen Effrontery of the Fusionists Met by the Republicans with Hard Facts and Dignified Bearing.

(From Daily Statesman, May 23.) TURNER, May 22.-This quiet town was taken by storm this forenoon in the usual course of the biennial siege dates. As jolly a crowd as ever storm- can be accordingly lowered to five or ed a fortress sailed in here with flying colors about 9:30 a. m., and in a short ment of Marion county affairs, time repaired to the public hall, where the usual scenes were enacted before a good sized audience.

After a short consultation between the Republican chairman, Frank T. Wrightman and the opposition chairman. Dr. Mott, Mr. Wrightman called the meeting to order and requested the people of Turner to provide a chairman, which they did in the person of Dr. O. H. P. closing, the Republicans the interven-

It is very evident from the beginning of the campaign as made here this morning that the Fusion crowd depend entirely for success upon the brazen effrontery, cheek and talking ability of wo men who are placed upon the hustings for the purpose of making windy harges of extravagance, fictitious laims of economy, and hyprocritical promises of reform. These two are J A. Jeffrey, the imported young lawyer from Jackson county, who is running for district attorney, and the wellknown Kunnel Hofer, who is a candidate for the legislature. All the other candidates on the ticket are merely figure-heads, so far as talking is conerned, with the exception of J. B. Dimick, who is the genuine trick zebra of the show, who jumps and tears and swears like a jack tar and creates a gentime sensation wherever he appears.

Frank Durbin then made a special eve much will be gained in favor of plea in his own behalf. He tried to play the martyr and posed as the embodiment of injured innocence and purity. He quoted figures to show that he had received less salary and emoluments from the office than his prede cessor received for the same time, forgetting, of course, to say that the reductions in those emoluments are the direct result of Republican legislation, enacted in accordance with Republican pledges, and that there would be much greater reduction had Mr. Dur hin not performed a costly lobbying act and secured a raise in his salary, as well as a big slice of the pernicious fee system. Mr. Durbin said that all the mileage he had collected under the new law was \$367.60, but he forgot to state that he had wrongfully pocketed this money and that every cent of it belongs in the county treasury. This insinuation is serious, but it is a fact that the law commands the turning into the treasury of all mileage, collected by the sheriff which law Mr. Durbin has defied to the extend of \$367.60 according to

his own admissions The first speaker for the Republicans was Dr. J. N. Smith, who made a very neat, concise and forcible business speech. He showed up the peculiar make-up of the opposition ticket and the hollow mockery of calling it a citizens' ticket, quoting Hofer's declara-tions to that effect. The doctor pledged himself for such changes in the assesswent to Addison, W.
