Captain Lyons reported the largest attendance at the drill last night of any night since the organization of the company, which is especially encouraging to the officers. The company now has an enlisted membership of about fifty-six, several of the recent accessions coming from Company K. and Battery B. of the late Second Oregon Volunteers.

Next Saturday was the day appointed for the joint practice march and camping out with the Woodburn company, but the exercise may have to be deferred for the reason that the Woodburn boys have been unable to procure blankets. The plan, which may yet be executed, was for the two companies to start simultaneously Saturday afternoon and meet at a suitable point near Chemawa, and strike camp. Sunday will be given up to baptalion drill and customary services conducted by the chaplain, the companies to break camp and return home Sunday evening or Monday morning. Company F. O. N.
