FEDERAL OFFICERS TURNED DOWN

National Committee Decides Contest from Louisiana—The Fight of the Delaware Delegation Still On.

PHILADELPHIA, Pa., June 14.—With all the work preliminary to the entertainment of the National Republican Convention and its attendant throngs practically accomplished, Philadelphia is now contentedly awaiting her visitors. From the big Convention Hall down to the smallest detail, those charged with the responsibility feel that they have the situation well in hand, and the completeness of the preparations seem to justify this belief. As yet, however, the hospitality of the city is by no means taxed. There have been very few arrivals today, and the lobby crowds at the hotels are composed principally of those interested in the contests with which the National Committee is wrestling.

The great mass of delegates are not expected to arrive until Saturday or Sunday. The most interesting event in the National Committee, today, was the seating of the Warmouth delegates from Louisiana, after a very spirited contest occupying nearly all day. This is an overthrow for the federal officeholders of Louisiana, ten of whom were on the delegation headed by Wimberly, collector of the port of New Orleans. Although Wimberly is a member of the National Committee, and made the strongest possible presentation of the case, the committee by a vote of 25 to 18 declared for his opponent. The man thus declared seated is Wm. Pitt Kellogg, a former Governor, and at one time a United States Senator from Louisiana, who has been a delegate to every National Republican Convention since 1860. Warmouth and his friends, who were successful today, represent the sugar planting interests of Louisiana, and the claim was made before the National Committee that the recognition of this faction would make it possible to elect three Republican members in Congress from the state.

The Delaware case is in abeyance, while the subcommittee, appointed yesterday is endeavoring to have the factions agree. It is understood that the Dupont-Higgins delegates insist upon absolute recognition of their entire delegation, while the Addicks men have shown a disposition to make some concessions. Payne, who is chairman of the subcommittee, says the Delaware case may go over until Sunday before final settlement.

Chairman Hanna is the center of interest, and is much sought after for interviews, in the hopes that he will give some indication of his still non-committal, and while he has been quoted in several papers his statements are of a general character. As to the Vice Presidency, while it is the uppermost topic of discussion, the members of the committee and other leading Republicans here seem to be still at sea. Nearly every prominent Republican, who says anything about it, remarks that the "field is still open and the best man will win," which is taken to indicate that no one has been accepted by those who are managing the affairs of the party.

The avowed candidates are Lieutenant Governor Woodruff, of New York, who has friends on the ground hustling for him; Secretary Long, who was launched today as a full-fledged candidate by the general distribution of his

picture, on which are the labels, "For Vice-President, John D. Long," and Representative Dulliver, of Iowa, whose friends are urging him because of his reputation as an orator, and because of geographical reasons. According to the present outlook, besides the three named, there will be votes cast for a number of favorite sons, though in many instances it will be purely a complimentary vote. Among these are Senator Fairbanks, of Indiana; Ex-Senator Washburn, of Minnesota; Governor Schofield, of Wisconsin; Judge Bartlett Tripp, of South Dakota, and Colonel Jay L. Torrey, of Wyoming, while the field is open for any others who may be entered for the race.

CALIFORNIA DEMOCRATS.

They Endorse Bryan and Are Proud of Hearst and His Papers.

Sacramento, Cal., June 14.—The state Democratic convention, in session here today, adopted resolutions reaffirming the Chicago platform, and instructed the National delegates for Bryan. The Democracy is congratulated on the selection of W. R. Hearst to be president of the National Association of Democratic Clubs, and commending the San Francisco Examiner and the New York Journal for their efforts in advocating the Democratic principles, and championing the candidacy of William J. Bryan for President.

GOVERNOR T. T. GEER WEDS

Oregon's Executive and Miss Trullinger United.

The Happy Couple Will Visit Victoria Before Returning to Oregon—Will Reside in Salem.

ASTORIA, Or., June 14.—Theodore Thurston Geer, Governor of the State of Oregon, and Miss Isabelle Trullinger, daughter of Mr. and Mrs. I. C. Trullinger, of this city, were married at the First Presbyterian church, at 4 o'clock this afternoon, by Rev. Henry Marcotte. About 300 hundred guests, representing immediate relatives and friends, were present, including several state officers of Oregon and Washington, and the Governor's staff. Miss Theodosia Downing, of Salem, attended the bride, while Mr. Grant Trullinger, of this city, brother of the bride, acted as best man. The church had been

MORE FOREIGN TROOPS LANDED

Empress Dowager Still Looked Upon with Suspicion—Humor of the Assassination of a Minister.

LONDON, June 15.—(Friday).—Observers at Shanghai and Tien Tsin think there is a great deal more trouble

according to a St. Petersburg dispatch of Wednesday, has decided to bring her force at Tien Tsin up to 6000. Thus the combined forces at Tien Tsin will probably soon be about 10,000 men. The explicit statement made yesterday afternoon in the House of Commons, by Parliamentary Secretary of the Foreign Office Broderick, with reference to the identity of opinion among the powers upon the question of application of force, and the method of applying it, is accepted by all the morning papers as quite sufficient for the present, and the hope is generally expressed that nothing will happen to diminish this harmony.

THE LAST STRAW.

London, June 14.—A special dispatch from Shanghai says an unconfirmed report has reached there from Tien Tsin to the effect that a foreign legation has been burned, and that a minister has been killed.

ahead for the concert of the powers, than merely reaching Pekin with 2000 men. Serious disturbances have taken place at Yung Nan Fu and Meng Tse, as well as at other points at a considerable distance from the capital. The

have landed four 8-centimeter guns. These, with 1700 men, will start on the march for Pekin tomorrow.

EXPEDITION OPPOSED.

Tien Tsin, June 14.—A courier, who arrived this morning from Pekin and Lang Fang, brought a letter from the American Legation stating that General Tung Fuh Siang intends to oppose the entrance of the foreign troops into Pekin. Thirty thousand troops are guarding the south gate, and the Chinese have guns trained on the American mission and British Legation.

The courier reports that it is said that upwards of 2000 Boxers are in the immediate neighborhood of Lang Fang. Railroad communication between this place and Admiral Seymour's international force has been cut three miles beyond Yang Tse Sun. Two bridges have been destroyed.

It is rumored that the Boxers are determined to burn Tien Tsin Station tonight. Owing to the extensive damage done to the railroad, it is feared the international force cannot reach Pekin before Sunday. The Japanese cruiser Suma has arrived at Taku.

IN DANGER.

London, June 14.—A special from Shanghai says the position of the Legations at Pekin is most critical. According to this dispatch 30,000 Chinese troops are drawn up outside gates of the city to oppose the relief force, and guns are trained on the American, Japanese and British Legations. The American, Russian and Japanese ministers have sent couriers to Tien Tsin asking for 2000 of each nationality. The United States guards Yorktown and Castine left yesterday for Tong Ku. There are no foreign warships here.

RAPID ADVANCE.

Tien Tsin, June 13.—It is expected Admiral Seymour has made Lang Fang a secondary base, and that he will advance the remaining forty miles as rapidly as possible. It is reported that Prince Tuan, new head of Chinese foreign office, and General Tung Fuh Siang have resigned. Three more Russian warships have arrived at Taku.

EVASDED THE LAW.

San Francisco, Cal., June 14.—The marriage license clerk, of this city, stated today that he had refused licenses to over 600 divorced people within the past two years, and of that number 500 were married in Nevada in order to evade the law of this state, which prohibits divorced people from marrying again within one year. Over 1300 California couples have been married at Reno since the enactment of this law.

Judge Beicher said today: "All of those couples, who now suppose themselves married, are holding meretricious relations toward each other."

beautifully decorated, but the ceremony was a simple one.

A reception at the Trullinger residence followed the ceremony. The Governor and his bride left on the evening train for Portland in a private car. They will spend a week or ten days at Seaside and British Columbia points, and upon their return will take up their residence at Salem.

The bride is the eldest daughter of Mr. and Mrs. Trullinger, and a highly accomplished woman. She is especially noted for her artistic taste, and her work in china painting has attracted wide attention.

TO COEUR D'ALENES.

Spokane, Wash., June 14.—Under the auspices of the Spokane Chamber of Commerce a large party of excursionists left here this morning for a journey to the Coeur d'Alenes, where the mines will be inspected and a general good time will be had. The party returns tomorrow evening.

whole Chinese empire seems to be in a ferment.

The intentions of the Empress Dowager are still equivocal, with the balance of testimony on the side of a determination to expel the appropriators of a part of her country, or to lose her dynasty in the attempt. It is related that, on the Monday following the murder of the chancellor of the Japanese legation, she was aroused to a sense of the danger and went personally to the Yung Ting gate of Pekin, where she advised the rioters to disperse. But she took no steps to apply force, and the appearance of things is more threatening than before. While Admiral Seymour, with the international relief column, is forcing his way to Pekin, several of the powers are arranging largely to reinforce their details at Tien Tsin. Germany proposes sending 1200 men. Great Britain sent 600 from Hong Kong yesterday, and 400 will go Sunday. Italy has ordered 1000 to hold themselves in readiness. Russia, ac-
