THE CASE AGAINST LEE MITCHELL FELL TO THE GROUND.

Proscenting Witness Gave Testimony that

Exonerated Him from Blame in the Recent Shooting,

(From Daily Statesman, Dec. 23.) Lee Mitchell, who was arrested Friday evening on the charge of assault with a deadly weapon, made against him by Mrs. Rose Jerome, was discharged yesterday after the examination of the prosecuting witness. It was very apparent that the witness had no cause upon which to base her charge and apparently had no inclination to want to have Mitchell punished for anything.

She said she and her mother were in the office of the Salem Flouring Mills Co. on North Front Street, on the evening of the accident, and that she started home but later determined to wait until her mother was ready to go. She returned to the office and seated herself on the porch outside. While she was sitting there some one Time to the door of the office and fired a shot which struck her in the shoulder. She could not swear who fired shot, but believed it was Lee Mitchell. She said that the shot was accidental and knew that Mitchell would not have done such a thing had he known that she was in

the vicinity. Deputy Prosecuting Attorney C. I. McNary stated to the court that the evidence he was able to find was inadequate to prove the guilt of the de-fendant, and moved that the charge be dismissed and the prisoner discharged which was acted upon favorably by the court.

## THE MACDONOUGH LAUNCHED.

WEYMOUTH, Mass., Dec. 22 .- The torpedo-boat destroyer MacDonough was launched today at the Fore River Engine Company's plant. ## To Postpone Old Age.

The latest theory is to apply electricity to the base of the brain. The hardening of the arteries-the first symptom-is followed by a crumbling away of the brain cells. This process produces the mental characteristics of old age. Not alone does this treatment restore the feelings of youth, but produces the appearance of it. While hundreds of experiments have been presented, there is but, one way of prolonging youth, and that is by the preservation of health. For this purpose, and for the cure of constipation, indigestion, dyspepsia, liver and kidney disorders, Hostetter's Stomach Bitters was placed before the public over fifty years ago. Money cannot buy a better remedy. Try it, and you
