### DROP OFF BUFFALO AT

The Pan-American Exposition is going to give the World's Fair a hard rub. Those New Yorkers are preparing a whole lot of surprises and wonderful things to dazzle the people who visit their Fair this year. Money is being lavishly expended in creating beautiful scenes, noble buildings, artistic effects, etc., and the low rates will draw crowds to the spot, where Niagara adds its wonders to the Pan-American attractions.

The point of this preaching is that the NORTHERN PACIFIC is the first link in the steel chain that reaches to Buffalo—or if you prefer to go by water from Duluth, well and good, it reaches Duluth, too.

THE "NORTH COAST LIMITED," AFTER MAY 5th, will be the Crack Train of the Northwest more than ever.

Call on our local agents for rates and other information.

### Twenty-five Thousand Dollars Also Required for the State Agricultural College at Corvallis—Marion County's Share of the Taxes Is Fifty-six Thousand, Three Hundred and Ninety-six Dollars—The First Levy Under the New Law Regulating the Levying of State Taxes.

Governor T. T. Geer, Secretary of State F. L. Dunbar and State Treasurer Chas. S. Moore, constituting the Board of State Tax Levy, met at the Capitol yesterday afternoon, and as a result of their work the tax levy was made, the first under the new law. The total amount levied for state purposes is \$895,000, and for the Agricultural College at Corvallis, \$25,000, a total of \$920,000 for the year 1902. This levy was made under the statute passed at the last session of the Legislature, and is based on the average valuation of the property in each county for the last five years. Below is given the statement of the Board of Levy and the table of apportionment, while the detailed statement of the items of expense to be provided for appears on the sixth page of this issue:

The following table shows—  
First. The proportion of the state taxes to be paid by the several counties of the state, as set out in the table set forth in section 5 of an act of the Legislative Assembly of the state of Oregon entitled "An Act to prescribe the method in which the state taxes shall be apportioned between the several counties of the state, and to repeal section 2788 of Hill's Annotated Laws of Oregon, and to amend sections 2789, 2790, 2791 and 2792 of Hill's Annotated Laws of Oregon, as heretofore amended," approved February 27, 1901.  
Second. The total amount of revenue to be raised for the fiscal year ending December 31, 1902, for state purposes, not provided for by a special tax duly authorized by law and apportioned to each county of the state of Oregon, to be levied and collected and paid into the State Treasury by each of said counties in the manner provided by law, being the resulting per cent apportioned to each of said counties of the sum of \$895,000.00, as set out in the before mentioned table, the said sum of \$895,000.00 being the total revenue to be raised by taxation for state purposes for the fiscal year ending December 31, 1902.  
Third. The amount to be raised for the annual support and benefit of the State Agricultural College, which shall be levied and collected in the same manner as other taxes for state purposes are levied and collected, provided by section 2 of an act of the Legislative Assembly, approved February 6, 1901, and apportioned to each county of the state of Oregon, to be levied and collected and paid into the State Treasury by each of said counties in the manner provided by law, being the resulting per cent apportioned to each of said counties of the sum of \$25,000.00, as set out in the before mentioned table, the said sum of \$25,000.00 being the sum to complete, in accordance with the provisions of the aforesaid act, for the support and benefit of the State Agricultural College.

County.	Per cent of the state taxes to be paid by the several counties. MRS. BOTTOME'S TRIBUTE TO SIR THOMAS LIPTON.

Who has not failed in patience—in unselfish love—in being the woman God made her to be, or in being the man God made him to be? Well, what is to be done—die? Oh, no stay—stay in these waters, in these circumstances, and try again. But you say—at least some of you do—"It always somehow means defeat with me." Well, stay. You will yet win; in this race you can be assured of victory. I cannot say that for the helpful owner of the "Shamrock"—though he has done more for me by losing that if he had won; for he is what I heard one man say—a good loser; and in every great race there is often apparent failure, but not to lose heart is a good thing.—Margaret Bottome, in the January Ladies' Home Journal.

### PERSONAL AND GENERAL.

How about that motor line subsidy? There should be no delay in the work of raising it.

The Portland railroad man who declared that the poultry business could not be made a success in Oregon on a commercial scale was evidently sorry he spoke. The intensified business Oregon has is all right, on a commercial scale or otherwise. May her numbers increase. And they are going to, rapidly.
