

FILING THE NOMINATIONS

Several Candidates Are Listed by the Secretary of State

HON. THOMAS H. TONGUE ACCEPTS BY WIRE—THE PROHIBITION STATE TICKET HAS BEEN FILED AS NAMED BY AN ASSEMBLAGE OF ELECTORS.

Nominees of the several parties for state offices are beginning to file their certificates of nomination in the State Department, the first to be received being those of the Prohibition candidates. These are all reported as nominated "by an assemblage of electors;" the same is true in the matter of the only Socialist nomination thus far filed. Only one Republican has as yet filed his acceptance—Hon. Thos. H. Tongue, candidate for Congress in the First District, and his acceptance was received by telegraph from Washington. The nominations filed yesterday are as follows:

- Republican.**
Thomas H. Tongue, Member of Congress First District.
- Socialist.**
D. T. Gerdes, Member of Congress, Second District.
- Prohibition.**
Hiram Gould, Member of Congress, First District.
F. R. Spaulding, Member of Congress, Second District.
A. J. Harnsaker, Governor, assemblage of electors.
N. A. Davis, Secretary of State.
T. S. McDaniell, State Treasurer.
W. W. Brooks, State Printer.
H. W. Kelsay, Superintendent of Public Instruction.
C. J. Bright, Justice of the Supreme Court.
T. H. Goynes, Attorney General.

AGAIN THE SPRING.

Again the Spring! Again the Easter Lily!
Again the soft warm air with odors rife;
Again the tender green on hill and valley;
Again the miracle of risen life!
Again from the dark mould of their entombing,
In all their lovely robes of radiant hue,
The crocus and the violet are blooming,
The self-same flowers our earliest childhood knew.

Again the birds in joyous flocks are winging,
Chirping their songs of love and resting days;
Again, the sound of happy children singing,
Along the lanes and in the woodland ways.

THE FISHING LAWS

ANGLERS SHOULD POST THEMSELVES BEFORE GOING AFTER GAMEY BROOK TROUT.

The fishing season is at hand, and it will be well for anglers to freshen up on the statutes regulating trout fishing, so that they will not come in conflict with the stern arm of the law, especially in the matter of the number of fish caught from day to day. Following is a synopsis of the laws regulating fishing for trout:

It shall be unlawful for any person to take, catch, kill or have in possession any trout, except salmon trout, during the months of November, December, January, February and March of each year and it shall be unlawful for any person to take, catch or kill, or have in possession at any time trout, char or salmon less than five inches in length; and it shall be unlawful for any person to take, catch or kill at any time in the waters of this state any trout by any means whatever, except with hook and line; and any person fishing with hook or line who, upon lifting the same, shall find any trout, char or salmon of less than five inches in length caught or entangled thereon shall immediately, with ease and the least possible injury to the fish, disentangle and let loose the same, and transmit the fish to the water without any violence.

It shall be unlawful to sell, offer for sale, or have in possession for sale or exchange, any species of trout at any time.

It shall be unlawful for any person at any time to take, kill or capture any trout between one hour after sunset and one hour before sunrise.

It shall be unlawful for any person to take, kill or capture more than one hundred and twenty-five trout in one day.

The penalty of violating any of the above provisions is a fine not less than \$20 nor more than \$100, together with the costs of the prosecution, or by imprisonment in the county jail not less than ten days nor more than fifty days or be punished by both such fine and imprisonment.

THE WEATHER IS BACKWARD

Late Rains Have Delayed the Work of Farmers.

A POLK COUNTY MAN WHO IS ANXIOUS FOR HIS CROP OF PEAS—THIS CROP A VALUABLE ONE IN MANY WAYS.

J. R. Shepard, who lives over in Polk county, near what was once the Zena postoffice, but who is now a Salem man, being on Rural Free Delivery Route No. 1 from this postoffice, was a business visitor in Salem yesterday. He says the long-continued rains have delayed the work of the farmers, who have been having a difficult time getting any seeding done. He was able to sow a few acres of oats during the recent sunshiny weather, and also to get out a few acres of field peas. He is more particular about the peas than the oats just now. The oats will stand it to be put out some weeks later. But Mr. Shepard expects to have seventy acres in peas this year. He has demonstrated that peas is one of the best crops for the Willamette valley farmer for feeding hogs and for many other purposes on the farm. They help enrich the soil, as they are a leguminous crop, and extract nitrogen from the air and put it in the soil, besides adding humus and making it friable. The cool, damp nights, that make this a poor country for the raising of corn and other crops that need warm nights, are just the thing that are good for peas. Mr. Shepard has found that these facts are being realized more and more by the farmers. Many of them who have tried peas want to raise more of them, and many who have not tried them want to give them a trial. He has sold out all the seed he could spare long ago and he could have sold several times as much. He has received dozens of requests for seed that he could not grant. He will have more seed next year, and no doubt the acreage devoted to peas will grow fast in the Willamette valley from now on, as it and their land, and consequently for the benefit of the whole country, for where the farmers prosper all the people do well, they being the men who build the foundation for prosperity and thrift.

ENTHUSIASTIC GATHERING

Salem Republican Club Meets to Make Arrangements

FOR THE OPENING OF THE CAMPAIGN—HON. W. J. FURNISH TO BE RECEIVED BY A ROUSING RALLY ON HIS VISIT TO THIS CITY THIS WEEK.

(From Sunday's Statesman.)
In response to the call of President Claud Gatch, the Salem Republican club met in the police court room of the city hall at 8 o'clock last night, to arrange for the campaign meetings, and take steps for vigorous political work. There was a goodly number of the Club in attendance, and enthusiasm and harmony were the features of the meeting, the members vying with each other in devising means to suitably receive Hon. W. J. Furnish, the Republican candidate for Governor, on his visit to this city, announced to be made at an early date, and all expressing their loyalty to the head of the ticket as well as to all the candidates, and a committee was appointed to arrange for the reception of Mr. Furnish, to prepare the way for a rousing ratification meeting when the Republican gubernatorial candidate shall come to Salem.

The Club was called to order by President Claud Gatch, and on motion the roll call and the reading of the minutes were dispensed with. A letter was received from Hon. Frank Davey, regretting his inability to be present, but assuring the Club of his hearty support in anything undertaken. Mr. Davey said:

"Gentlemen: It will not be possible for me to be with you at your reorganization meeting tonight in person, but it is almost needless for me to assure you that I am with you in sentiment and in spirit. We have a state ticket that it should be the pride of every Republican to support; a platform which it should be a pleasure to uphold. Salem Republicans, than whom there are none more patriotic and zealous, will do their full share to give to that ticket and to that platform the most emphatic endorsement received by any ticket in this state in many years. Count me with you for any duty having that end in view. Perhaps it is not for me at this time to speak of the local ticket, yet that, too (with the winter left out of the reference) is a ticket which by its general character will insure the confidence and support of the great Republican brotherhood. Please see that I am re-enrolled and made one of the workers. Sincerely yours for Furnish and the rest.

"FRANK DAVEY."
The reading of the letter was received with cheers by the Club.
A. F. Prescott moved that a committee of five be appointed to receive the Republican candidate for Governor, Hon. W. J. Furnish, and to show him around. The discussion on this motion took a wide range, and it was suggested that, according to rumor, certain Republicans of Marion county would oppose Mr. Furnish; some even suggested the passing of a resolution to the effect that the Club endorsed Mr. Furnish, but this matter was dropped as being unnecessary, and the motion for the appointment of the committee passed by unanimous vote. The chair appointed on the committee J. H. McNary, C. A. Murphy, J. D. Lee, Dr. J. N. Smith and W. J. Culver.
The Club was addressed by a number of members as to what steps to take to suitably receive the gubernatorial candidate and the committee was

finally instructed to arrange for a rousing rally and ratification meeting, and to ascertain when Mr. Furnish could be here, fixing the date of the meeting for that of Mr. Furnish's visit.

The election of officers for the ensuing term resulted in the selection of the following members; all being chosen by unanimous vote of the Club:
President—Claud Gatch.
Vice President—George W. Jones.
Secretary—W. W. Hall.
Treasurer—F. C. Perrine
At the close of the election the members contributed funds for the expenses of the Club, when the Club adjourned at the call of President Gatch.

CENTRAL COMMITTEES.

W. J. Culver, chairman of the Marion county Republican central committee, has opened headquarters in rooms 1 and 2, in the Bush-Breyman block, and is arranging for a vigorous campaign. Robert A. Crossan, an old-time political worker, has been appointed secretary and he as well as Mr. Culver, will give all the attention required to the work in hand. A meeting of the central committee has been called for next Saturday afternoon.

W. H. Downing, chairman of the Democratic central committee, has opened headquarters in the office of P. A. Frazier, in the D'Arcy block on State street, and Mr. Frazier has been appointed secretary of the committee. A call has been issued by the chairman for a meeting of the committee and candidates, to be held next Saturday.

Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes. The kidneys are your blood purifiers, they filter out the waste or impurities in the blood. If they are sick or out of order, they fail to do their work. Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is ever-working in burning thick, kidney-poisoned blood through veins and arteries. It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble. If you are sick you can make no mistake by first doctoring your kidneys. The mild and extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail. Home of Swamp-Root, free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.

Start right and you will probably arrive at your destination all right, and, to start right, use the Northern Pacific, and preferably the "NORTH COAST LIMITED" train, in service after MAY 5th.
