IN BONDS OF MATRIMONY

The Munger-Shupp Wedding Was Celebrated Last Evening

AN IMPRESSIVE CEREMONY AND BEAUTIFUL DECORATIONS—THE SEVENTEENTH STREET EVANGELICAL CHURCH THE SCENE OF THE HAPPY EVENT.

(From Thursday's Statesman.)

Last evening a large number of guests witnessed one of the prettiest weddings of the season, when Miss Mabel, the youngest daughter of Rev. and Mrs. N. Shupp, was united in the holy bonds of matrimony to Mr. George M. Munger Jr., at the Chemeketa street Evangelical church.

The auditorium was very prettily decorated with ivy, while the chancel and altar were a fragrant bank of Oregon grape, dogwood, apple blossom and fern, making a most effective and beautiful background for the bridal party.

Promptly at the stroke of eight, Miss Shupp, the bride's sister, accompanied by Miss Winifred Byrd sang "Protestation." Morris' grand song, and at its conclusion Miss Byrd commenced the Lohengrin wedding march to the state measures of which the bridal party entered the church.

Rev. Shupp, as the officiating minister, preceded Mr. Munger, who was accompanied by his groomsmen, Mr. Will Burkhardt, down the aisle to the altar, while the maid of honor, Miss Neva Griswold, followed by the little flower bearers, May Redman and Warren Martin, led the bride down the center aisle to meet the group at the chancel.

There, while the softly rendered strains of the Rosary held the audience enraptured in their melody, Rev. Shupp pronounced the solemn and beautiful ceremony of the church which bound the young couple in the sacred bonds forever. The ceremony over, the party passed out as Miss Byrd played Mendelssohn's wedding march.

The parsonage, where Mr. and Mrs. Munger received a few of their most intimate friends after the ceremony at the church, was a veritable garden bower of pink and white and green. Here, amid the blooms of spring, the bride and groom, who have so happily launched their bark upon the marital sea, received the congratulations of their assembled relatives and friends, after which all repaired to the dining room where a bounteous repast was served.

Mrs. Munger wore a charming gown of white silk organdy, and carried a bouquet of white bride's roses. Miss Griswold wore a gown of blue silk, and carried an arm bouquet of red carnations. Mr. Munger wore the conventional suit of black.

Mr. and Mrs. Munger were the recipients of many beautiful and costly presents, the testimony of the best wishes of their many friends. The happy couple have gone to Seaside for a short honeymoon, after which they will make Salem their future home.

Wedded at Macleay.

At 12 o'clock noon yesterday the home of Mrs. W. D. Wheeler, known as the Edmondson place, two miles east of Macleay, was the scene of a most enjoyable wedding. The high contracting parties were Miss Della Edmondson, daughter of the late Thomas Edmondson and the now Mrs. W. D. Wheeler, and Mr. Charles Stanton, son of Mr. and Mrs. John Stanton, of Salem.

The bride wore a beautiful dress of white organdy, holding in her hand a lovely bouquet of white carnations. Prof. Herbert Witzel played the wedding march. While the ceremony was being performed by Rev. J. B. Early, the couple stood behind a portiere composed of evergreens and under a wedding bell of ivy and apple blossoms. After most hearty congratulations the joyous company partook of a luxurious repast, the best that Oregon soil can produce, or that Oregon hands can serve. All friends wish the happy couple unbounded success and happiness.

The bride is the youngest of three daughters of this family and a most estimable young lady. The groom is a most excellent young man whose worth may be attested by the fact of his having been for the last twelve years in the continuous employ of the Salem Woolen Mill Co., and recently holding the position of head spinner on the night shift.

Shipperd-Spong.

The marriage of Miss Nellie Orena Spong and Mr. E. L. Shipperd was solemnized, at the home of Mr. and Mrs. E. Wilkins, at the Fair Grounds, yesterday afternoon in the presence of a

few relatives and friends. Rev. Wm. Coney, of St. Paul's Episcopal church, pronounced the ceremony.

The bride is the daughter of Captain A. J. Spong, of the Oregon City Transportation Company's steamboat Pomona, and is well known in this city where she was raised and received her education. The groom has for a number of years been one of the traveling representatives of the Honeman Hardware Company, of Portland, and the happy couple departed yesterday afternoon for a brief tour of the Puget Sound country after which they will return to Portland where they will reside.

CAN HEAR A WHISPER

MISS NELLIE DUFFEE, A POPULAR YOUNG LADY OF SHAW, REGAINS HER HEARING.

Editor Statesman:

I came to Salem with my daughter, April 28th, to consult Dr. Darrin, concerning her deafness. After a thorough examination the doctor took the case under treatment, and in one operation and with the use of electricity, restored her hearing, much to our surprise and gratification. I was so much pleased with her cure that I placed myself under the doctor's care. He has already greatly alleviated an almost total deafness of one ear, with which I have been afflicted for twenty-three years. I can be referred to by letter or in person, and will gladly answer all questions. I reside at Shaw, Marion county, Oregon.

CAPTAIN JONES 29666

We present, on page 19 of this issue, a half tone picture of "Captain Jones 29666," owned by the well-known horseman, John Pender, and now standing at the Oregon State Fair Grounds at Salem, Oregon.

"Captain Jones" is the sire of Lady Jones 2:46 (in the mud), winner of the 2-year-old trotting stake at the State Fair last year.

His sire was McKinney 2:11 1/4, sire of 4 in the 2:10 list, 19 in the 2:15 list, 28 in the 2:20 list, at 14 years of age—unequaled by any sire of his age.

First dam MIDDAY BELLE, by Gossiper 2:14 1/4, sire of Gazelle 2:11 1/4, Miss Jessie 2:42, and others.

Second dam BRIAR BELLE (dam of McBrier 2:14), by Don Wilkes 2:24, son of Alcyone.

Third dam by Mambrino Patchen 58, the great brood mare sire.

Fourth dam by Almont 33, founder of the Almont family.

Captain Jones is a black stallion foaled in 1895, stands 15 1/2 hands, weighs 1100 pounds, has perfect trotting action and promises to be a great sire of high class horses. He is McKinney's best bred son and a pronounced sire of uniform lot of colts. Captain Jones was at Irvington Park, Portland, from February 1st to April 1st. He will make the balance of the season at the Fair Grounds, Salem, until July 1st.

Terms, \$25 season, \$10 payable at time of service, balance at end of season. There is good pasture to be had at the Fair Grounds for mares at \$2 per month. Mr. Pender will not be responsible for accidents or escapes.

No Loss of Time.

I have sold Chamberlain's Colic, Cholera and Diarrhoea Remedy for coffee and sugar than it. I sold five bottles of it yesterday to threshers that could go no farther, and they are at work again this morning—H. R. Phelps, Plymouth, Oklahoma. As will be seen by the above the threshers were able to keep on with their work without losing a single day's time. You should keep a bottle of this Remedy in your home. For sale by Dr. Stone's Drug Store.

ALL RECORDS ARE BROKEN

Chief Clerk M. L. Chamberlain's Collections During April.

THE LARGEST YET HAD IN ONE MONTH DURING HIS INCUMBENCY—MOST OF THE MONEY GOES TO ONE FUND.

Hon. M. L. Chamberlain, Chief Clerk of the State Land Board, has collected \$43,016.65 during the month of April just closed, the largest sum secured during any one month since he has been in office, and this amount was yesterday transferred to the State Treasury. By far the larger portion of this sum was received on account of the common school fund on certificates or sales of land, this item alone aggregating \$36,037.98, while by far the greater portion of the balance was also paid into that fund. The collections were made on the following accounts:

Common school fund, principal, payments on sales of school land.....	\$36,037.98
Common school fund, principal, payments on sales of lands acquired by deed or foreclosure.....	1,050.00
Common school fund, principal, sales of tide land.....	288.90

HOP CONTRACT FILED

ANOTHER DEAL IN MARION COUNTY GROWTH MADE AT TWELVE CENTS.

One contract of the 1902 crop of Marion county hops was filed for record with the county recorder yesterday by which Henry Epley, of Laurence, has sold to McKinley Mitchell, of Gervais, 4000 pounds of his hops at 12 cents per pound; 6 cents per pound advance for picking purposes, and the balance upon delivery.

Valentine Lowel, the veteran hop dealer of New York, in his Producers' Price Current of last Saturday, says of the hop business:

Bales.	
Receipts for week.....	721
Receipts from Sept. 1.....	76,150
Receipts same time last year.....	118,419
Exports to Europe for week.....	137
Exports from Sept. 1.....	41,531
Exports same time last year.....	67,486
Imports for week.....	48
Imports from Sept. 1.....	5,706
Imports same time last year.....	5,624

The business of the week in the hop market has been of small volume. Brewers have been busy attending to the matter of licenses, and they have shown very little interest in the purchase of fresh supplies. The quietness has not, however, changed the feeling of confidence that underlies the situation.

Statistically the position is strong and those who hold hops are not inclined to hurry matters, believing that everything will be wanted during the next four or five months. The offerings of state stock are especially light and there is scarcely anything left in the interior to draw from. A half dozen of the remaining lots were closed out during the past week at 17@18c. Some of the choicest growths here are held at 20c, but not enough done as yet above 19@19 1/2c, to establish a higher quotation. The best of the Pacifics, when wanted, bring 18 1/2@19c, with other grades ranging at 18c down to 15c, for common. Yearlings are nearly gone, and the recent trading in old olds has been at relatively full prices. Reports from the interior of this state indicate much work in the hop yards, the weather being very favorable. In the old yards many missing hills are reported, but the new yards are doing well.
