

REPUBLICANS IN HARMONY

State Conventions in Ohio and Kansas Act

HANNA BRINGS HARMONY

Into the Forces of His Party in McKinley's Own State

HE RENEWS FRIENDSHIPS BROKEN YEARS AGO IN THE HEAT OF POLITICAL WARFARE—KANSAS CONVENTION NAMES TICKET—LONG TALKS.

CLEVELAND, Ohio, May 28.—The Republican State Convention has nominated the following ticket:

Secretary of State—Lewis C. Laylin, of Norwalk.

Judge Supreme Court—William R. Crew, of McConnellsville.

Food and Dairy Commissioner—Horace Ankeny, of Xenia.

Member Board of Public Works—William Kiptley, Jr., of Defiance.

The Republican State Convention, which has been a continued ovation to Senator Hanna, closed this evening with a great demonstration in his honor, to which he responded in a characteristic speech. The Senator, at former State Conventions, has sounded the keynotes that have been taken up by the Republican Glee Clubs. He told them today to sing "Keep on letting well enough alone." In the campaign rallies this year.

The convention was distinguished for harmony in all that was done. One of the last reconciliations was that of Senator Hanna and ex-Governor Asa S. Bushnell, of Springfield. The latter had been here all the week, but Bushnell and Hanna never spoke as they passed each other's quarters. They had not spoken since the memorable contest for Senatorship in 1897. Before going to the convention today they met in a most cordial manner. The delegates who "got them together," gave glowing reports around the convention hall of the way they were calling each other "Mark" and "Asa" again.

Senator Hanna and Geo. B. Cox, of Cincinnati, also had a friendly farewell tonight, after the contest during the day over the nominations. What were called Hanna men won all the ballots, but Cox supported none of the winners. In making up the state ticket Hanna and Cox were on the opposite side today, the same as in the contest for the organization of the Legislature last January, but good feeling prevailed after the convention was over.

While Senator Hanna was cheered as he entered the hall, President Roosevelt, Senator Foraker, Governor Noah and others were also cheered.

Kansas Republicans.

Wichita, Kans., May 28.—The Republican State Convention tonight nominated the following ticket:

Governor—Ex-Congressman William J. Bailey, of Ballyville; Lieutenant-Governor, D. J. Hanna, Hill City; Secretary of State—Joseph R. Burrow, Smith Center; Auditor—Seth G. Wells; Eric; Supreme Justices, six year terms—H. S. Mason, Garden City; J. C. Pollock, Arkansas City; and A. L. Green, Newton. Supreme Justice, four year term—A. H. Ellis, Beloit; Supreme Justice, two year term—E. W. Cunningham, Emporia; Congressman-at-large—C. S. Scott, Iola.

A feature of the convention was the strong Roosevelt sentiment. In response to a general demand, Congressman Long, one of the leaders of the fight in the House for Cuban reciprocity, made a speech in which he said:

"The Cuban Reciprocity bill has passed the House and it will pass the Senate or there will be an extra session of Congress. If there is an extra session my friends in the Seventh District must prepare to take care of my campaign, for we will stay there until it is passed, and President Roosevelt, our leader now and our leader in 1904."

He got no further, for the convention cheered and cheered again. Long stood still while the delegates shouted, "Your hearts are right," he said firmly.

"How about your voices?" a delegate said.

"I told President Roosevelt when I left Washington that Kansas was with him all the time and I think he will know it as we do now. Roosevelt is all right, and he is always right. He is right because God made him so."

Senator Burton, who was until recently opposed to the President's reciprocity policy, told the convention that reciprocity with Cuba was right and necessary, but no home industry should be injured. A bill is now being formulated as a substitute for the House bill, which substitute would be satisfactory to all interests, he said.

Whooping Cough.

A woman who has had experience with this disease, tells how to prevent any dangerous consequences from it. She says: "Our three children took the whooping cough last summer, our baby boy being only three months old, Chamberlain's Cough Remedy, they lost none of their plumpness and came out in much better health than other children whose parents did not use this remedy. Our oldest girl would call lustily for cough syrup between whoops—Jessie Pinkey Hall, Springfield, Ala. This remedy is for sale by Dr. Stone's Drug Stores."

ENGLAND WILL MAKE PEACE

Balfour Unable to Make the Announcement

A SETTLEMENT EXPECTED

By the Government Leader Early of Next Week

LONDON PAPERS BELIEVE THAT THE END OF THE WAR HAS BEEN REACHED, BUT THE ANNOUNCEMENT WILL NOT BE MADE NOW.

LONDON, May 30.—(Friday)—The morning papers are unanimous in accepting the statement of the Government leader, A. J. Balfour, in the House of Commons as having put one meaning namely, peace; but the papers believe that its long experience with the astute Boer character compels the Government to use the unusual provision of announcing nothing until the terms of peace are actually signed, lest another surprise should be forthcoming at the last moment.

The delegates who left Pretoria Wednesday night, include Acting President Schalkburger, of the Transvaal; General Lucas Meyer, commander-in-chief of the Orange Free State forces; General Botha, Transvaal commander-in-chief; Generals Delarey and Dewet; State Secretary Reitz, of the Transvaal; Generals Smutz, Commandant Beyers and Landrost Brand.

Balfour's Statement.

London, May 29.—The Government leader, A. J. Balfour, announced in the House of Commons today that he hoped to be able, on Monday next, to announce the result of the peace negotiations in South Africa. Balfour added:

"I cannot, however, be absolutely certain of being in a position to do so, and until the statement can be made I do not think it expedient to take up the budget."

In spite of Mr. Balfour's pretended uncertainty, there is no doubt whatever in the House of Commons or elsewhere that a full peace settlement will be announced Monday next.

The capture of Commandant Malan, announced from Middleburg, Cape Colony, last night, recalls attention to the activity of the rebellion in Cape Colony. Commandant Malan took the late Commandant Scheepers' commando when the latter was captured by the British and became chief Boer commandant in Cape Colony after Commandant Kritzinger's capture. Malan, who was mortally wounded when captured by Major Collett's mounted troops, was among the irascible ones who refused to send delegates to the peace conference at Vereeniging, Transvaal.

According to the latest uncensored correspondence from Cape Town the Boers are still in occupation of many localities of Cape Colony, having a score of bands of raiders, mounted and armed, and of sufficient mobility to defy successful pursuit, although the British have often swept and "cleared" every mile of the Colony's territory. A correspondent reports that the "invasion is more actively aggressive than ever and the rebels more rampant."

The campaign against the Boer commandoes in Cape Colony, which has been in active progress for 16 months, has achieved nothing beyond keeping them moving.

"Any occasional success," the correspondent adds, "obtained by the 17 British columns operating in Cape Colony, is more the result of luck than of their tactics, and these unpleasant facts will continue as long as few columns operate. The inadequacy of the supply of troops is at the root of the unsatisfactory operations."

The Boer Convention

Pretoria, May 29.—The camp at Vereeniging, Transvaal, where the final decision in regard to peace will be reached, has been elaborately prepared by the British authorities with a view to the comfort and convenience of the delegates to the convention now being held there.

INTEREST IS INCREASING

Philippine Government Bill In the Senate

SHARP DEBATE THURSDAY

Morgan of Alabama Supports The Measure Loyal

SPOONER MAKES THE CLOSING ADDRESS ON THE MEASURE, AFTER WHICH ONLY FIVE-MINUTE SPEECHES WILL BE ALLOWED—COINING OF SILVER.

WASHINGTON, May 29.—Interest in the Philippine debate is increasing as the discussion draws to a close. Today the Senate galleries were thronged with auditors, and the attendance on the floor was larger than for some time.

Lodge, in charge of the bill, offered the most important one, being the extending to the Philippines of the provision of the bill of rights of the Constitution of the United States, excepting only the right to bear arms and the right to trial by jury.

Morgan made an extended speech in which he supported in the main the bill as presented by the committee. He said it looked toward peace and toward a just and peaceful Government in the islands.

Clay opposed the measure. He regarded the action of the United States since the signing of the treaty of Paris as a great mistake and urged that this Government ought to declare its purpose in the Philippines.

Late in the afternoon Spooner began a speech in support of the bill, and the Administration's policy in the Philippines, which is to conclude the general debate on the measure by the Republican side. He reviewed the situation in the islands and said the responsibility for it rested not on any one party, but on all alike. Spooner will conclude his speech Saturday.

Among the Moros.

Manila, May 29.—Colonel Frank D. Baldwin, of the Fourth Infantry, has telegraphed Brigadier-General Davis that he does not expect to establish satisfactory peace conditions in Lake Lanao district until the defiant element is wiped out.

"The defiant element," continues Col. Baldwin, "respects nothing but powder and sword. They will destroy human lives until destroyed themselves."

General Davis replied that to meet the emergency in the way suggested by Colonel Baldwin would necessitate the capture of every Moro fort, which now admits American soldiers, as friends, and that such action on the part of the American forces is forbidden by the existing orders.

The Silver Bill.

Washington, May 29.—The House today passed the bill to increase the subsidiary silver coinage. The Democrats directed their fight chiefly against the provision to recoin the standard silver dollars into subsidiary coins as the public necessities might require.

The conference reports on the omnibus public building and fortifications appropriation bills were adopted and the House adjourned until Monday. The text of the subsidiary coinage bill is as follows:

"That the Secretary of the Treasury is authorized to coin the silver bullion in the Treasury, purchased under the act of July 14th, as he may deem necessary to meet the public requirements, and thereafter, as the public necessities may demand, to recoin the silver dollars into subsidiary coins."

TODAY A DAY OF MOURNING

The Nation's Honored Dead Will Be Remembered

BY THEIR OLD COMRADES

How Salem Will Observe This Great National Holiday

ORGANIZATIONS OF VETERANS WILL MARCH TO THE CEMETERY AND STREW SWEET FLOWERS ON THE GRAVES OF THEIR DEPARTED COMRADES.

Today is a National holiday, a day of National mourning, when the deeds of the men who saved the Union, and fond memories of the men themselves, are recalled by their comrades and friends, and the patriotic people of a younger generation—it is Memorial Day, when the graves of brave old veterans who responded to the call for arms in the dark days of 1861 to 1865, and bravely bared their breasts to their rebellious brethren's steel that the Nation might live, are decorated.

As customary in the past, Memorial Day will be suitably observed today, under the auspices of Sedgwick Post No. 10, G. A. R., and the usual ceremonies at the cemetery will be held, when the graves of the deceased veterans will be decorated. The day's program is as follows:

The procession will consist of the veterans associations and their auxiliaries, and civic orders, that have reported their intention to participate. Any other societies, desiring to take part, can do so by reporting to Captain J. Q. Barnes, the marshal, and they will be assigned places. The committee has made arrangements as set forth in the following program:

The line of march will form promptly at 1:30 o'clock p. m., and all organizations are requested to be present at the G. A. R. hall and be able to fall in promptly at the time mentioned.

The line will be formed on Commercial street, between State and Ferry streets, with the Salem Military Band resting on the south side of State. The formation will be arranged as follows:

Chief Marshal Capt. J. Q. Barnes, and his aides, J. L. Stockton, A. O. Condit and Capt. H. A. Kurtz. Salem Military Band.

Company F, Fourth Regiment, O. N. G., Captain H. A. Kurtz, commanding.

Sedgwick Post No. 10, G. A. R., and all old veterans of Civil War, R. A. Crossan, commanding.

Sedgwick W. R. C., Mrs. Lizzie Smith, president, in charge.

Union Veterans' Union, Col. J. R. Fairbank, commanding.

Ladies of the G. A. R. Elgin, commanding.

Indian War Veterans, Capt. J. H. Sons of Veterans, Spanish-American War Veterans, Cedar Camp No. 5248. Modern Woodmen of America and other civic and fraternal orders.

The line of march has been arranged as follows: East on State to Liberty, north on Liberty to Court, west of Court to Commercial, south on Commercial to Willamette Hotel, where the old veterans and W. R. C. and Ladies of the G. A. R. will take the cars for the cemetery. The line of march will be continued to the cemetery.

At the cemetery the usual services will be held, by the G. A. R. and W. R. C., at the conclusion of which the participants will return to the G. A. R. hall, in the Turner Block, where dinner will be served to all old veterans and their families by the W. R. C.

The merchants and business men are kindly requested to close their places of business at 12 o'clock noon on Memorial Day, and are cordially invited to join in observance of respect to the memory of the dead who took up arms in defense of the country in its past wars.

Veterans living near the schools in the country are requested to decorate the graves of those resting in the country cemeteries.

Then all are cordially invited to come into the city, and take part with the Memorial exercises at 1:30 p. m., May 30th.

Evening Program

The G. A. R. and all old veterans of the Civil War, and the ladies of the W. R. C. will meet at their hall in the Turner block at 7:30 o'clock sharp, and march to the city hall where the exercises will be held, commencing at 8 o'clock sharp. Capt. J. Q. Barnes will be the chairman of the meeting.

Street Car Service.

The Salem Light, Power & Traction Company is arranging to care for the crowds today and on similar days when there is a rush to the cemetery. The company has constructed two switches on the cemetery line—one on Mission street in South Salem, and the other two blocks south of the Leslie M. E. church, and these will be utilized in giving the crowds today a five-minute service between the Hotel Willamette and the cemetery. From 8 a. m. to 6 p. m. today a car will leave the Hotel Willamette for the cemetery every five minutes.

To Marshal's Aids.

It is the earnest desire, that the aids be mounted on horseback, and wearing red sashes, should meet at 1:30 p. m. sharp today, May 30th, at the junction of Commercial and State streets to be in readiness to direct the various organizations to their positions in line, and we hope that all organizations will be promptly at the same point.

Y. Q. BARNES,
Chief Marshal.

Union Veterans' Union.

The Union Veterans' Union and the Ladies of the G. A. R. will this morning proceed to the Lee Mission Cemetery, from their hall, and decorate the graves of the veterans buried there, with the beautiful and imposing ritual of the two orders. Later they will return to the hall, where dinner will be served to all. The hall is in the Hurst building over Steiner's grocery store, and the hour of starting for the cemetery is fixed for 10 o'clock this morning.

LOCAL WHEAT MARKET

NO CHANGE IN QUOTATIONS IN THIS CITY—OUTLOOK FOR NEW CROP IS GOOD.

There is absolutely no change in the condition of the local wheat market as the price is still quoted at 56 cents but those still having stock on hand are not inclined to let go and there is not much stock remaining outside of the dealers' hands.

The spring wheat is all in some time ago and the outlook for a good crop this season in this vicinity is more encouraging than it was two weeks ago. Yesterday's issue of the Portland Commercial Review recites the condition of the Northwest market as follows:

The wheat market during the past week shows no change over that of the preceding weeks. Holders are offering very sparingly and the market is not virtually dead, as there is something doing daily. Stocks are becoming smaller in the interior as receipts at tide water are beginning to be quite large, both at Portland and Tagama. There is considerable wheat in the Willamette Valley, but farmers are not selling. They look for the flour mills to purchase all of the stock on hand and there is no doubt that their expectations will be fully realized. The crop outlook in this part of the country is not very encouraging, and a great many in the trade doubt if the crop will be as large as the past season. Some very large lots are held in the Palouse country, but the holders of the same do not care to let go. They prefer to hold on a little longer, expecting that they will obtain their price for the same. What that price is no one knows, and we doubt if they do themselves. All of the disengaged tonnage has been taken up and there will be considerable wheat shipped yet before the new season begins. Most of the recent charters have been for South Africa, and trade with that country will be good for some time to come on account of the crop failure in Australia. Chartering for new season is not very active as yet, nearly every house in the trade has some ships, but exporters have quit temporarily, and will see the result of the crop, before loading up quite heavily. Crop prospects are better than a month ago and it looks as if the states of Oregon and Washington will have a fair crop, hardly as large as the last one. The warm weather will have a beneficial influence on the growing crops and barring hot winds in July the outlook is quite favorable. We quote Club 66 @67c; Bluestem, 68½; Valley 66 per bushel.

A Light Engine and Through-Freight in Collision

ONE BRAKEMAN BRUISED

Engineers and Firemen Escaped Injury by Jumping

CONFLICTING ORDERS THE CAUSE OF THE COLLISION—THE OPERATORS INVOLVED BLAME EACH OTHER—ONE ENGINE WAS BADLY DAMAGED.

GRANTS PASS, May 28.—A light engine and the south-bound through freight pulled by two engines collided just west of tunnel nine, about noon today. All engineers and firemen jumped and escaped serious injury. Brakeman Patrick was badly bruised and taken to Roseburg. The head engine of the freight was badly damaged and the others slightly. The collision was caused by conflicting orders. The light engine should have waited at Hugo, but was given orders for Leland, a station beyond. The operators blame each other.

THE ANTHRACITE STRIKE

COAL COMPANIES HAVE MANY SPECIAL OFFICERS APPOINTED BY THE STATE.

HARRISBURG, Pa., May 29.—There have been issued, from the State and Executive Departments, commissions for about 1600 coal and iron policemen since the beginning of the strike in the anthracite coal region. This morning applications were made by fourteen companies, for the appointment of about 600 men, and the applications were promptly issued. The appointment of so many policemen is taken to indicate that the companies propose to settle down for a long contest.
