## THE GRANGE ADJOURNED

### State Meeting Closed After Three Days of Hard Work

A RESOLUTION FAVORING THE ESTABLISHING OF A GRANGE STORE AND AGENCY IN PORTLAND WAS DEFEATED — THE CLOSING SESSION.

The State Grange convened at 8:45 yesterday morning for the third day's session, Master B. G. Leedy presiding. The roll was called and a quorum found present. The journal of the second day's proceedings was read and approved.

F. D. Cornett, chairman of the committee on by-laws, reported adversely on the resolution to allow the deputies for counties the same privileges as the state deputies. The report was adopted. The same committee reported adversely on a resolution requiring lecturers of subordinate Granges to report quarterly to lecturers of Pomona Granges. The report of the committee failed of adoption and the resolution failed of adoption by not receiving the necessary two-thirds majority. The same committee reported adversely upon a resolution defining jurisdiction of subordinate Granges. Report adopted. The same committee reported favorably upon a resolution to request the National Grange to grant more powers to State Granges respecting Pomona Granges. Upon motion the resolution and report were laid upon the table. The same committee reported favorably upon a resolution to change date of meeting of State Grange to December. Report of committee failed of adoption. The same committee reported unfavorably upon resolution to change representative from one delegate to four Granges to one to three Granges. Report adopted. The committee on woman's work

presented its report which was adopted. Committee on dormant Granges also presented a report and same was adopted.

The report of committee on appeals showed no appeals pending.

The committee on co-operation reported adversely on the two resolutions on establishment of store or agency at Portland, and also presented its general report. Report adopted.

Reports of Fire Relief Association and Life Insurance Association were presented and ordered printed in the proceedings.

Report of the committee on good of the order reported favorably upon a resolution appropriating \$500 for extension of the order, but presented an amendment respecting the frequency of visits by the organizing deputies, and that where a Grange is organized with less than twenty-five members the extra premium be not paid the deputy. That part respecting the frequency of visits by deputies was stricken out and the amount appropriated increased to \$750 and the report adopted.

The unwritten work was exemplified by Past Master W. M. Hilleary that being the special order for 11 a. m., and the Grange then adjourned to 2 p. m.

#### Afternoon Session.

The afternoon session convened at 2:15 and further consideration of the report of committee of good of the order was taken up. The debate was upon motion, limited to two minutes and each member allowed to speak but once on each subject. The same committee reported recommending agents of the Grange Fire and Life Insurance Associations be urged to make efforts to advance the interests of these associations. Adopted. It also recommended the appropriation of \$50, for the purpose of maintaining headquarters at the Oregon State Fair. Adopted. The committee reported favorably on recommendations of the Master and Lecturer as contained in their annual addresses. Adopted.

This report carried with it the recommendation for inspection of Granges and the adoption of the State Grange Bulletin as the official organ.

The committee on transportation reported various recommendations, among them being one urging the local Granges to discuss transportation questions. Report adopted.

The report of the committee on education recognized the importance of the public press as a means of disseminating general information and giving wider knowledge of the principles and purposes of the Patrons of Husbandry, commended the agricultural press and the State Bulletin. Called attention to the work of the State Agricultural College is preparing nature study leaflets and predicted that the movement would do much to stimulate love for country life and a broader and deeper knowledge of the beauties of nature. It recommended that the subordinate Grange co-operate heartily in making this work successful in the district schools; commended the consideration of the library law for district schools; also commended the Hesperian movement of co-operation between the local Grange and public schools; and in conclusion urged upon the Grange the importance of the country schools as one of the

most efficient means of educating the children the proper appreciation and love of country life, and of giving to all the best opportunities for individual progress and development.

The committee on pure food reported that, under the present law, process butter and oleomargarine is about shut out of the markets of the state; that the State Pure Food and Dairy Commissioner is zealous in enforcing the law against adulterated foods, and suggested that it would be well for every friend of honest products, when purchasing, to advise the Pure Food Commissioner of any articles that are adulterated and purchased as pure. Report adopted.

The committee on resolutions, consisting of M. V. Leeper, chairman; F. L. Campbell, G. R. Miller, Mrs. E. S. Schoonover, Mrs. Annie Spence, presented its report as follows, and the same was adopted:

"Resolved that the thanks of the Oregon State Grange are hereby extended to Hon. T. T. Geer, Governor of Oregon, for his cordial welcome on behalf of the state, and for the interesting and impressive address delivered by him before the Grange. To Mayor C. P. Bishop, as represented by City Recorder Judah, and to the citizens of Salem for the freedom of the city so hospitably extended, and for the many courtesies shown during the session of the Grange.

"To Hon. F. I. Dunbar, Secretary of State, for the use of the Senate Chambers in which the meetings have been held. To the press of the city of Salem for publishing the proceedings of the Grange and for their hearty co-operation in making known to the general public the principles, plans and purposes of this Order. To the Salem Band for the enlivening music furnished at the evening sessions, and to all others who have assisted in making the general programs interesting and profitable.

"Resolved, that our special thanks are due to the Salem Grange and to the Marion county Pomona Grange for their hospitable entertainment and their efficient management of the local preparation for this season of the State Grange.

"Resolved that our appreciation of the courtesy shown by the Southern Pacific Railroad Company in making reduced rates to the delegates attending the State Grange."

The report of the committee on mileage and per diem was presented and adopted.

The committee on agriculture reported that agriculture is in a transitory state from extensive wheat raising to scientific rotation of crops, and opposed summer fallow.

The committee on good roads reported recommending that the good roads question be discussed in every order, and good road leagues be encouraged in every school district; recommended the investigation of the use of oil for permanent and economical improvement of roads, and the utility of using convict labor on roads. Adopted.

Resolutions of condolence were presented and adopted by a rising vote. The financial committee reported the accounts of the secretary and treasurer as correct.

The committee on sashes reported an expenditure of \$3, which was allowed. The good roads committee was increased to five members and made a standing committee.

A resolution authorizing the appropriation of \$20 to defray expense of printing arrangements was adopted. Resolution authorizing the printing of 500 copies of the proceedings was adopted.

A resolution allowing the lecturer \$50 for services during the past year was adopted. A resolution to increase salary of the secretary to \$150 per year was presented and failed to pass.

Mrs. E. A. Niblin was invited to install the officers.

A. T. Buxton presented the following resolution and it was unanimously adopted:

"Whereas, the Oregon delegation in Congress in the face of opposition of a desperate and unscrupulous nature, have in response to the requests of their constituents, stood loyally by the dairy interests of the country in their support of the Grout anti-Oleomargarine bill, and,

"Whereas, this bill has finally become a law, largely, as we believe, as the result of the efforts of the Oregon Delegation, therefore be it,

"Resolved, by the Oregon State Grange, that the hearty thanks of this body be extended to our Representatives in Congress and our United States Senators, collectively and individually.

"Resolved, that a copy of this our approval and appreciation of their course in the matter be forwarded by the Secretary of the State Grange, to each of the members of the Oregon Delegation."

It was ordered that the papers which were to be presented at the Lecturer's program, and which could not be presented on account of accumulation of business, be published in the Bulletin and the proceedings of the State Grange.

Fifty dollars was appropriated for use in sending the Lecturer to address such public meetings as may be for the best interests of the Order.

A vote of thanks was tendered the Executive Committee for successful work. Mrs. George A. Toby, of Skowhegan, Maine, was present, and was invited to address the Grange. She outlined the work done in her state, and the methods of keeping up the in-

terest in the Order. She said she had been greatly interested in the work of this State Grange.

Mrs. S. H. Carter, of Pennsular, Or., who was the first lady to be elected master of the Grange in the United States, was present as delegate.

**Evening Session.**

The evening session was devoted to degree work, installation of officers and a banquet. The 6th or Pomona degree was conferred upon a class of 22, and the Flora or 6th degree upon a class of 44. The degree work is most impressive. After conferring the degrees and discussing a banquet, Mrs. E. A. Niblin installed the officers elected at Wednesday's session for the ensuing two years.

Shortly after midnight the 25th annual session of the Oregon State Grange adjourned sine die.

## HAIR IS HAIR

with us, and excelsior is excelsior, jute 's jute, cotton is cotton, and wool is wool. Everything we sell is true to name and description. We have our pillows labeled at the factory showing just what they are made of. In fact, we allow no fictitious or misleading statements in any part of our business. We believe the provisions of the "Pure Food" laws should be as effective concerning what we wear as what we eat.

If you get it of us it is as represented.

## THE HOUSE FURNISHING CO.

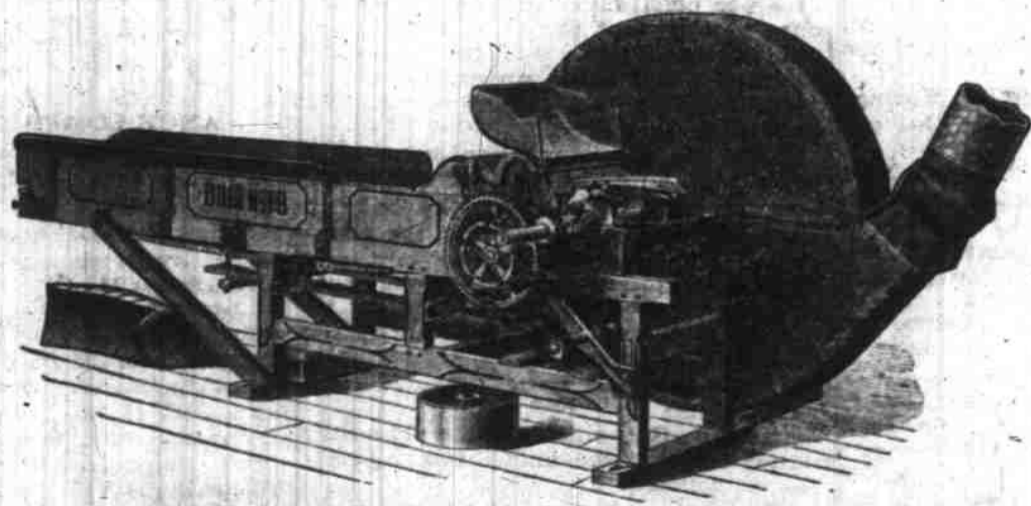

308 Commercial street. Next door to Postoffice.  
Stores at Salem and Albany.

# WIGGINS IMPLEMENT HOUSE

## We Sell

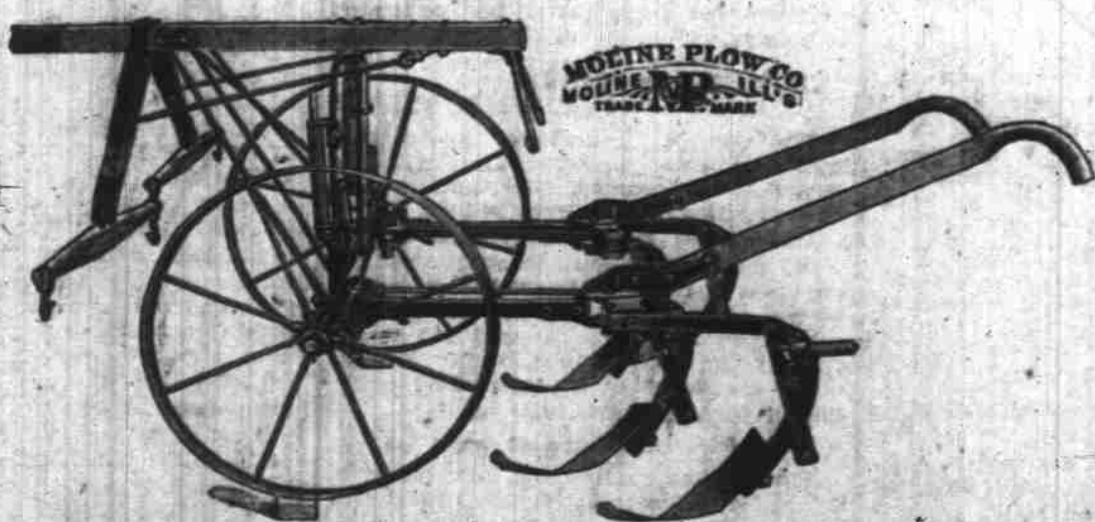

McCormick Harvesting Machinery, Russell Engines and Threshers, Studebaker Wagons and Buggies, Monitor Drills and Seeders, Syracuse and Moline Plows, Benicia Disc Plows, Hero Fanning Mills, Ohio Ensilage Cutters and Blowers, Buffalo Pitts Harrows, Tribune Bicycles, Standard and White Sewing Machines, Binder Twine, Harvesting Extras and Supplies, Hay Tools of all sorts, Portland Anchor Fence, Gasoline Engines, and everything that properly belongs in a first-class implement house.

## The Ohio Ensilage Cutter and Blower

The new model blower will differ slightly from this and will be even better than the one we sold last season. All cutters will have the 10-inch blower, and the discharge pipe will rise at a higher point on the fan case. This machine has the largest capacity of any machine on the market, and is guaranteed absolutely. Write for prices.

## Cultivators

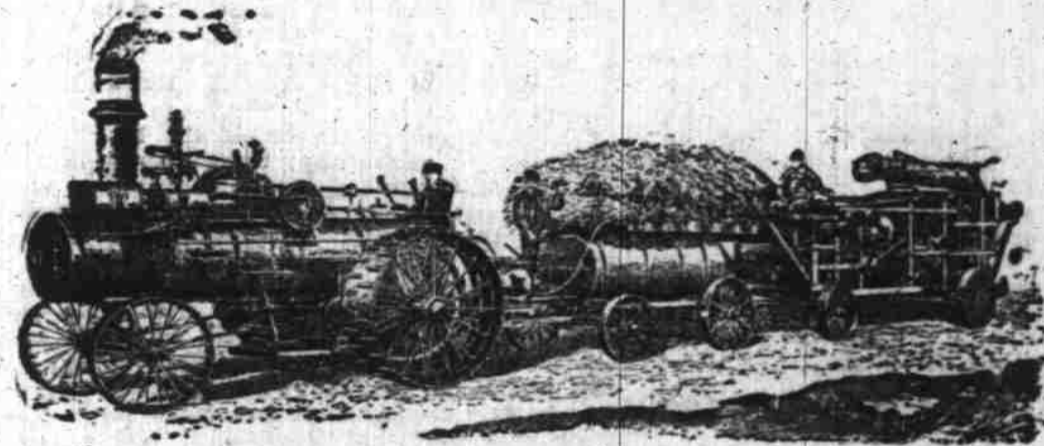

We sell cultivators of all sorts—either in tongue or tongueless—and can give you choice of several of the best lines in the field. Also five shovel and two shovel in any style.

## BUGGIES

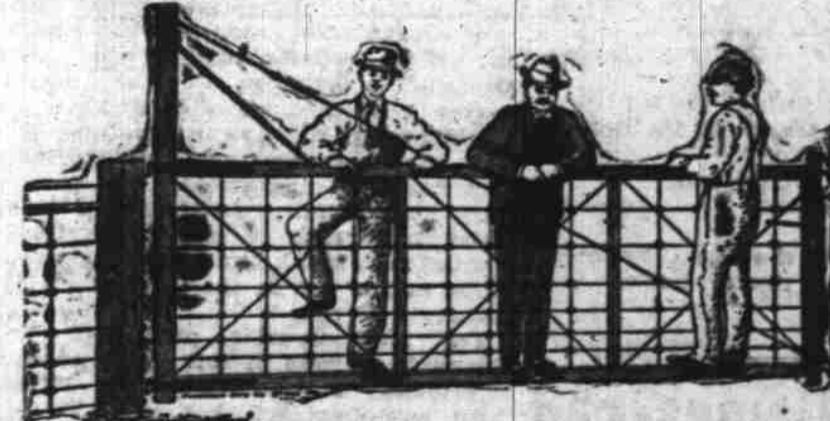

Studebaker Buggies in every style at the lowest prices commensurate with good goods. We have some choice things in new natty open buggies for the spring and summer trade. Bike wagons too, the best grades on the market. Call and look over the line. Heavier goods on lower floor, light rigs on second floor. No trouble to show goods.

## Russell Engines and Threshing Machinery

Get in your orders for your needs in this line. If you have an old engine that you want to trade, send us word. The traveler will call and see you. Extras for Russell goods of all classes.

## Portland Anchor Fence

It costs a trifle more than other kinds, but once up is there to stay. Built of No. 9 wire and will stand the hardest usage. We sell the clamps, stays, ratchets and wire, you do the building. Call and see us or write for catalogue.

## McCormick Mowers, McCormick Rakes, McCormick Binders

A floor full of the old reliable cutting machinery that for 70 years has stood the test of the hardest usage man can give it. Our mower and rake trade is already under way and promises to much more than distance last season's record.

### THE ONLY PERFECT DRAW CUT

on the market is found on the McCormick Mower. Call and see these points for yourself. Heaviest frame, widest frame, heaviest cutter bar, longest pitman, and many other points of superiority. Always glad to show you. Extras for McCormicks, all ages in stock. Also furnish extras for Osborne and Woods machinery.
