

GOLDS BEAT CARDINALS

At the Willamette University Field Meet at Fair Grounds

A CLOSE CONTEST BETWEEN THE TWO ATHLETIC TEAMS DECIDED IN FAVOR OF THE "OLD GOLDS" BY THREE POINTS—SOME SURPRISES.

In the annual field meet yesterday afternoon at the Fair Grounds, the "Old Golds" won over the "Cardinals" by a score of 55 to 53. The score was close throughout the events and the keenest interest centered in every event called. Every place was hotly contested and, though no phenomenal time was made, there were many close finishes. The meet was decided by the mile run, the last event. Wilkins of the "Old Golds" who had refused to enter in the distances on account of lack of training was compelled to enter at the last moment in order to win the meet for his side.

As in all athletic work, the unexpected happened in several instances. Winslow was beaten in the distances by Whiteman, a new man who showed fine form for the first year's work, and also in the pole vault, which event was conceded to him by everyone, by Parsons. Miller, of the "Cardinals" was the champion point winner, getting three firsts and two seconds. The Riddell brothers did good work for the "Old Golds." Pollard won both weights with the greatest of ease and fully demonstrated his ability as a weight thrower. Spires ran the hurdles in good form and under proper coaching could make fast time. W. O. Trine acted as starter, Prof. W. P. Drew, as time keeper, Prof. W. C. Hawley as scorer, and Ennis Savage and Rafe Bonham as judges. The men who ran for the Cardinals were: Miller, Guild, Spires, Whiteman, Grannis, Camp and Parsons; for the Old Golds: Wilkins, Winslow, Pollard, Brown, Skidmore, Gruel and E. and W. Riddell. The list of events and the winners are as follows:

Half mile run—Whiteman, first; Winslow, second; Camp, third. Pole vault—Parsons, first; Winslow, second; Brown, third. Hammer throw—Pollard, first; Parsons, second; Wilkins, third. 220 yard dash—Miller, first; W. Riddell, second; E. Riddell, third. 220 yard hurdle—W. Riddell, first; Spires, second; Winslow, third. High jump—Skidmore, first; Grannis, second; Brown, third. 150 yard hurdle—Spires, first; Miller, second; E. Riddell, third. Mile run—Wilkins, first; Whiteman, second; Grannis, third. The places counted: firsts, five points; seconds, three points; thirds, one point.

LARCENISTS SENTENCED

THE TWO LADS WHO PLEAD GUILTY ON THURSDAY FINED BY JUDGE BURNETT.

Department No. 1 of the Circuit Court continued in the adjourned February term of court yesterday and remained in session for a few hours during which time Ralph Bland and Geo. Kloontz, the two youths who were arraigned on Thursday, upon Informations filed by District Attorney J. N. Hart, and plead guilty to the larceny of two railroad tickets from the Southern Pacific depot at Turner, on March 10, 1902, were brought up, waived time for sentence and were fined \$26 each and committed to jail until the fine was paid not exceeding thirteen days, the state to recover its costs and disbursements. The father of young Kloontz, who is a conductor on the Northern Pacific railroad, came to this city a few days ago to seek clemency on his son's behalf, will pay the boy's fine and take him back home, and young Bland has telegraphed for money to his relatives which he expects to arrive soon.

A motion for leave to serve and file reply in the case of Studebaker Bros, plaintiff, vs. Joseph Schell, defendant, was argued and the court adjourned sine die to meet in the regular June term on Monday morning, June 9th.

A Motion Filed.

Attorneys P. H. D'Arcy and Jno. A. Carson yesterday filed a motion, in department No. 1 of the State Circuit Court, for a warrant to compel the defendant in the case of S. Spencer, plaintiff, vs. V. C. Peterson, defendant, to remove obstructions from a highway in the form of rocks, stone, brush, gates, bars and fences, which prevent the plaintiff from having the proper ingress and egress to his (plaintiff's) premises situated in section 24 township 3 south, range 3 west.

This was a suit which was begun in this court during the early part of last year and in which the plaintiff, demanded that the road be cleared of obstructions and complained that he was damaged in the sum of \$1500. The case was tried before a jury during the February (1901) term and a verdict for \$100 secured for the plaintiff on February 27, 1901, when the defendant appealed to the Supreme Court where the verdict was sustained and the plaintiff bases his motion on the mandate of the Supreme Court.

Breach of Promise.

In the case of Edith Bursell, plaintiff, vs. August Lindholm, defendant, which was filed in the first department of the State Circuit Court on March 11, 1902, and wherein the plaintiff asks judgment against the defendant for breach of promise to marry, the court adjourned sine die to meet in the regular June term on Monday morning, June 9th.

marry her as per promise made on December 15, 1901, and in which the court sustained a motion of the defendant to strike out a portion of the complaint, the defendant yesterday, by his attorneys, L. J. Adams and Carson & Adams, filed answer to the complaint denying all of the allegations and praying for a dismissal of the action and for his costs and disbursements.

New Suit Filed.

G. D. Trotter yesterday filed suit in Department No. 1 of the State Circuit Court against the Town of Stayton, demanding judgment for the sum of \$2500, in which amount the plaintiff complains that he is damaged in business and otherwise by reason of the defendant interfering with the construction of a place of business in that town over one year ago. The plaintiff alleges that he is the owner of the north half of lots 5 and 6 of block 5, of Stayton and that the defendant withholds a strip 12 inches wide off the north side of the plaintiff's property and a strip 6 1/2 inches wide off the east side and, when the plaintiff began the construction of a building in which to conduct his mercantile business the defendant brought suit against him for obstructing the street thereby delaying the work and damaging him in the amount claimed. Carson & Adams are the attorneys for the plaintiff.

Action for Money.

H. S. Radcliff yesterday began suit in Justice of the Peace Donald's court against John Romer, demanding judgment for the sum of \$15.70 with interest at 8 per cent from 1899, alleged to be due on a promissory note, and for \$10 attorney fees. Bonham & Martin are the attorneys for the plaintiff.

HOP MARKET GETS STRONG

Local Quotations Are Seventeen Cents and No Sales

THE HOPS REMAINING IN THE HANDS OF GROWERS ARE FEW—MANY CONTRACTS FOR THIS YEAR'S CROP HAVE ALREADY BEEN MADE.

The hop market is getting stronger from day to day, and quotations in the local market now are 17 cents for choice growths, with indications that the price will advance to 20 cents before the new crop will come in. The latest sales were made at 16 cents, and the demand is constantly increasing.

There are now only 557 bales in growers' hands in the state—500 at Eugene, and 57 bales at Aurora. The latter lot has been eagerly sought by local dealers, but the price offered now—17 cents—is no temptation for the holders, who have set his price at 20 cents, and if he holds a little longer he is likely to realize his expectations.

The outlook for this year's crop is good, though the product of Oregon promises to be a trifle less than in the past. Conservative hop men estimate the crop of 1902 at 55,000 bales at the outside. The contract price now is 12 1/2 cents, but there are few growers who are willing to contract their crops, as the majority of those who have not yet made contracts, seldom do so, while those in the habit of contracting their crops have already done so for the season of 1902.

One hop contract was filed with the county recorder yesterday whereby A. B. and Fred Dentel, of Aurora, agree to deliver to A. Lehman & Co., of Cincinnati, 6000 pounds of the 1902 crop of hops, for a consideration of 12 1/2 cents per pound to be advanced for picking purposes and the balance upon delivery.

Valentine Loewi, the pioneer hop dealer of New York, in his weekly "Producers' Price Current of last Saturday, says of the hop market of that city:

Table with columns: Receipts for week (5 days), Receipts from Sept., Exports to Europe (5 days), Exports same time last year, Imports for week (5 days), Imports from Sept., Imports same time last year, Added strength has come to the market again this week, not because of any material enlargement of the trade but owing to the narrowness of the supply. It has been several years since stocks in the country were so light at this season, and with nearly four months of the best part of the brewing season before us holders are naturally expecting good prices for the hops which they now have on hand. Some dealers have very little stock left and have been making full bids on this market, and while the quantity in brewers' hands is uncertain they are showing enough interest to warrant the belief that everything will clean up closely before the new crop is marketed. Quotations have undergone some revision during the week and at the close the feeling is quite strong on the basis of the figures given. Some holders ask more for special lots. Advances from this state report cold weather during the week and rather a slow growth of vine, especially in the weaker yards. London cables report the English crop quite backward.

Cramps, Dysentery, Cholera Morbus, diarrhoea, and, indeed, all bowel complaints quickly relieved by Perry Davis' Painkiller, a safe, sure and speedy cure, for all the troubles named. Every reputable druggist keeps a supply. Each bottle has full directions. Avoid

PASSING OF REV. SHORT

Pioneer Baptist Minister Died at His Home at Macleay

EARLY YESTERDAY MORNING—CAME TO OREGON BY OX TEAM A HALF CENTURY AGO—WILL BE BURIED IN WARREN CEMETERY.

Rev. J. W. Short died at the home of his grandson, J. F. Short, in the Waldo Hills yesterday morning at 4 o'clock, aged 86 years, 11 months, and 13 days. The remains will be buried at the Warren cemetery tomorrow (Sunday) at 11 a. m.

John Wesley Short was born in Sussex county, Delaware, August 23, 1816. He was educated in Philadelphia and afterward learned the carpenter trade in the same city. At the age of nineteen he began life on his own account. From Philadelphia he went to Burlington, Iowa, where he worked at his trade for a short time. In 1838, at the age of 22, he was married to Mary Ann Clymer, and they lived on a tract of land he had previously purchased until 1857. In March of that year he started across the plains with ox teams and arrived in Oregon August 4, 1857. His outfit consisted of two ox teams, five yokes each, one horse, seven cows and two wagons. The family consisted of his wife and six children.

He settled in Linn county, eight miles southeast of Albany, where he remained until 1860. From that place he removed to Marion county and located in the Waldo Hills where he lived to the time of his death. Mr. Short became a Christian at the age of 17 years, and united with the Methodist church. After going to Iowa, he united with the Baptist church and began to preach. He was ordained to the full work of the ministry at Sublimity, Oregon, and remained a faithful worker as long as his health would permit.

Besides his work in the ministry he was a successful farmer and had accumulated considerable property, most of it being in land of which he owned about 740 acres.

His wife passed away in 1895. The surviving members of his family are Wm. Short, Salem, Mrs. Emma Jones, Jefferson; Mrs. Susan Smith, Drain; Mrs. Jane Hinshaw, Goldendale, Wash.; Supt. G. W. Jones, of the State School for the Blind, and C. H. Jones, editor of the Oregon Teachers' Monthly, both of this city, are grandsons of the deceased.

BILLS ARE AUDITED

WORK OF THE MARION COUNTY COMMISSIONERS' COURT DURING YESTERDAY.

The county commissioner's court continued in regular session yesterday, and although several petitions of divers character were taken up for consideration the greater part of the day was devoted to the auditing of the great number of bills which have been presented for payment. A portion of the claims which were allowed yesterday follows:

CLERK AND CARRIER CIVIL SERVICE EXAMINATION TO BE HELD TO FILL PLACES IN POSTAL SERVICE.

The United States Civil Service Commission announces that on June 21, 1902, an examination will be held in this city for the positions of clerk and carrier in the postoffice service. This examination offers an excellent opportunity for entering the Federal service to bright, energetic young persons who are not afraid of hard work, and the Commission hopes that a large number of intelligent, active persons will present themselves for this examination. It may be stated that there is a wider field for advancement upon merit in the Federal service than in many private employments.

The nature of the examination is a test of practical, general intelligence, and of adaptability in postoffice work. The age limitations for this examination are as follows: All positions, 18 to 45 years.

All persons who have been examined for the position of clerk or carrier within the past year and failed to pass may be reexamined upon filing new applications in due time. All applicants, male and female, must have the medical certificate in Form 101 executed. Male applicants must be at least 5 feet 4 inches in height, and weigh not less than 125 pounds. The names of all male eligibles will be entered on both the clerk and the carrier registers, and appointment from either register will remove the eligible's name from both registers. This examination is held to secure eligibles for appointment either to existing vacancies in the present force, or for an increase of force which it is expected will be made after July 1st next. This examination is open to all citizens of the United States who comply with the requirements. Competitors will be rated without regard to any consideration, other than the qualifications shown in their examination papers, and eligibles will be certified strictly in accordance with the civil service law and rules.
